A New York hotel proprietor received as a turkey that weighed. When dressed, 49 pounds. It was raised in the absence of Mr. Blake, whom he described as a well informed, able and express are to guilderland, N. Y. as a well informed, able and earnest states-"I can recommend Hegyard's Yellow Oil appreciation does not often arise, and it was ing beside the basin, which has ever simple cartilage, instead of since been called "Wandering Willie's bones; they are about the size of a small fingers when I could not bend them." Ida premier spoke of his absent political foe. Plank, Strathroy, Ont. A medicine for external and internal use in all painful complaints.

Spring."

The disposed of the Ministry of Trade complaints. Fine effects are produced by the devices of the guides. William takes our parency. Just think of it, sailing on and lights, and at a distance throws the rays fishing in a river more than 300 feet sold to a Scotch syndicate for the purpose of citor General might safely be left to the of light through a narrow opening, firm- under ground. I wish all my readers colonization by settlers who are coming out Minister of Justice. Hon. gentlemen opposed to us are crying blue ruin, but it was strange that the deluded victims kept on returning Books are useful to add to our knowledge, but the government to power. They, seemingly, sembles Emperor William, or any other person he fancies will suit the crowd.

The white gypsum is stained here reverebrations, with a prolongation of lunatic asylum - because the people willed it. This was a free country and the people had a right to ruin themselves if they wished. All this was said with a jocular air and in the say that if Manitoba was served by the water scretches proposed once by the Liberals it would take 66 3 years to take out one grop of say 400,000 tons of grain. In no other Jeeph Ruse with a beautifully executed way did the premier allude to the alleged wheat blockade or to the disallowance quesforgot nothing. Strange, for such a well-

THE ADDRESS ADOPTED. Sir Richard Cartwr ght, by w .y of rejoinder, rallied Sir John on hie elim m. 0:16y in

Woodstock, Nov. 7, '87. DOMINION HALL Fall & Winter Stock IS NOW ON HAND!

We have a five assortment of romantic charm, on entering these relief us into the Scotchman's Trap; The Prince of Saxe-Coburg Gotha is a gions of perpetual silence, where the pleasing alternation of day and night is made acquainted with the Fat-man's Miscorn a new through this trap-door we go, and are pleasing alternation of day and night is made acquainted with the Fat-man's Miscorn a new through this trap-door we go, and are pleasing alternation of day and night is made acquainted with the Fat-man's Miscorn a new through this trap-door we go and are pleasing alternation of day and night is made acquainted with the Fat-man's Miscorn a new through this trap-door we go and are pleasing alternation of day and night is made acquainted with the Fat-man's Miscorn a new through this trap-door we go and are pleasing alternation of day and night is made acquainted with the Fat-man's Miscorn a new through this trap-door we go and are pleasing alternation of day and night is made acquainted with the Fat-man's Miscorn a new through this trap-door we go and are pleasing alternation of day and night is made acquainted with the Fat-man's Miscorn and the night is the absence from the bouse of Mr. Blake to be pleasing alternation of day and night is made acquainted with the Fat-man's Miscorn and the night is night to the Scotchman's Trap; the night to the prince of Saxe-Coburg-Gotha is a ported by his followers. He first referred to the absence from the absenc
