How important then that you have a good
Bed to sleep on. The more quiet and undistribed your slumber, the more fully does
nature repair the waste and damage your system
has sustained during the day. The man who
comes home exhausted by the labors of the day
and stretches himself upon a hard uneven bed
will gise in the morning very little benefitted by
his sleep. Other things being equal, the man who
has a comfortable bed will have clearer brain a
stronger arm, and a longer life than his neighbor.

NEW TWEEDS; has a comfortable bed will have clearer brain a stronger arm, and a longer life than his neighbor who is not so fortunate. The BUTTERFIELD SPRING BED will positively give more colid comfort to the square inch than any other bed in the market. And the man who is fortunate enough to possess one is led to say with Sancho Panza: "Blessed be the man that invented sleep." It is the only bed ever made that has the elastic spring and brace, each bed being connected on the surface with side springs. There is thus formed a perfect spring surface, which gives an elastic movement wherever weight is placed.

A New Home Treatment for the Cure of Catarrh, Catarrhal Deafness and Hay Fever. Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and enstachian tubes. Microscopic research, however, has proved this to be a fact, and the result is that a simple remedy has been formulated whereby catarrh, catarrhal deafness and hay fever are permanently cured in from one to three simple applications made by the patient at home.
