Debec Items. Here we are on the very vortex of a Munici pal election. You smile as if nothing importan will transpire. But did not our peacs and prosperity come with the establishment of Municipal or Responsible Government and the overthrow of the domineering Family Compact. Is not the Municipality the source of all authority, great and small? Is not the County Council the very Privy Council in embry ? Is not the power be hind the throne stronger than the throne itself? Then are not our County Councillors important persuoages and the successful performance of their duty praiseworthy? At a political meeting called at Debec the other night, Messrs. Hemp hill and Kirkpatrick, Esq, were appointed to represent us; and I hear Mr. Watson will come
