

The Favorite

Medicine for Throat and Lung Difficulties has long been, and still is, Ayer's Cherry Pectoral. It cures Croup, Whooping Cough, Bronchitis, and Asthma; soothes irritation of the Larynx and Trachea; strengthens the Vocal Organs; allays soreness of the Throat; prevents Consumption, and, even in advanced stages of that disease, relieves Coughing and induces Sleep. There is no other preparation for discharges of the throat and lungs to be compared with this remedy.

"My wife had a distressing cough, with pain in the side and breast. We tried various medicines, but none did her any good until I got a bottle of Ayer's Cherry Pectoral, which has cured her. A neighbor, Mrs. Glenn, had the measles, and the cough was relieved by the use of Ayer's Cherry Pectoral. I have no hesitation in recommending this Cough Medicine to every one afflicted."—Robert Horton, Foreman, Houghton, Morrill, Ark.

Cough Medicine

"I have been afflicted with asthma for forty years. Last spring I was taken with a violent cough, which threatened to terminate my days. Every one pronounced me in consumption. I determined to try Ayer's Cherry Pectoral. Its effects were magical. I was immediately relieved and continued to improve until fully recovered."—J. E. Bullard, Guilford, Conn.

"Six months ago I had a severe hemorrhage of the lungs, brought on by incessant cough. I tried various remedies, but obtained no relief until I began to take Ayer's Cherry Pectoral. A few bottles of this medicine cured me. Mrs. E. Colburn, 127 Washington street, Boston, Mass.

To the Editors of the *Carleton Sentinel*:
Last night was very fine, warm and not very dark, consequently a goodly number of my friends gathered at Fred. Longfellow's, notwithstanding many were wearied with a hard day's work in the harvest field. John Reid acted as auctioneer, Harvey Kinney as treasurer and W. Green, secretary. During the course of the evening Mr. Fred. Longfellow presented me with \$19.55—50 plus 55 being added later for which I wish to heartily thank my kind friends who through the columns of your widely circulated paper. May each attendant at the sociable be amply blessed by the Great Benefactor.

A False Impression Corrected.

To the Editors of the *Carleton Sentinel*:
In your paper of Sept. 26th, I notice an article signed, B. Minard, purporting to answer the question why certain Free Baptist ministers of Maine aid, and abet the Reformers of Canada, in which the writer, whether intentional or not, gives the impression that the Free Baptists of Maine are the same in religious belief as the Reformers of Canada. As a Free Baptist of Maine, I wish to say that such is not the fact, as only a few adopt the views of the reformers (2) and these are mostly confined to Aroostook County.

Elimwood Items.

Mr. Walter Kirkpatrick and Mrs. Beane who were so sick, we are glad to report, at present, convalescent.
We report the startling news that a family, 6 in number, residing at the late Mrs. Green, enjoyed a sumptuous feast last week—strawberries served with cream, etc., was among the delicacies.

Mr. Alex. Bean, who is a regular Yankee to grow potatoes, gathered 250 bbls. of superior quality from just 2 acres of land.

Apple parings which in these days are "few and far between, like old women's teeth," are now in season. We had a most gigantic one at Mr. Carr's residence the other evening.
The work at the new school room is being pushed forward very successfully by Mr. Geo. Ivy.

A report is current that one of our veteran pedagogues, and a transient eligible bachelor, will soon be sacrificed too willingly on Hymn's altar.

Miss Shannon, our favorite teacher, is much liked and is doing her duty well. But after all is not "teaching the young idea how to shoot" the most momentous and exalted vocation a human being can engage in and at the same time the most unthankful job to be named. Why should such a state of affairs exist among a people supposed to possess a wholesome share of intelligence, thought and wisdom?

Two Good Papers.

A good paper for your family or your friend's family is the *Montreal Witness*, which, what is absent with the news, is available for its unexceptionable family reading and for its adherence to the great principles which it has consistently advocated for a generation. The question and answer departments of the *Witness* have grown into an institution in the country, and the paper is well known as an old friend and instructor of the farmer, "Lindenbank" and "Rusticus" being still constant contributors. The children look for their special stories and for the puzzle department. The yearly subscription to the *Daily Witness* is \$3.00 and to the *Weekly Witness* \$1.00, which should be addressed to the publishers, John Douglas & Son.

The *Northern Messenger* issued by the same publishers, is still the cheapest illustrated paper published, and is full of the best family reading as well as reading for the young. The subscription price is only 30 cents a year.

The best quality and lowest prices in Boots and Shoes is to be had at R. B. Belyea & Co's.

Neglect.

QUEBEC, Sept. 30.—The coroner's jury in the inquest on the bodies of the victims of the landslide in Champlain street have returned a verdict to the effect that the deaths were due to the gross and culpable neglect of the federal authorities in not taking necessary precautions. The verdict also censures the municipal authorities for their delay in getting out the victims.

The body of Richard Mahury was recovered from the ruins on Saturday. It is announced by the friends of the local government that no prosecution will be undertaken against it or against any individual member thereof, Attorney General Turcotte having in his mind resolved in the name of the local government to sue the federal authorities.

Our very large importation of Fall and Winter Dress Goods are arriving daily at R. B. Belyea & Co's.

The Sovereign Grand Lodge of Odd Fellows induced the action of the grand jury in interdicting the promiscuous publication of the degree floor work, and provided for the appointment of a committee to prepare a plan of floor work for the various degrees. The constitution was amended to provide for the election of officers of the Sovereign Grand Lodge annually, instead of biennially, and permitting state and territorial grand bodies to make laws disqualifying persons engaged in the sale of intoxicating beverages for membership in the order.

The Grand Lodge decided that all uniforms of the Patriarchal Militant must be alike. It refused a loan of \$5,000 to that branch. Memorial Day was changed to the second Tuesday in June.

The Grand Lodge decided to hold the next session in Toronto, Kan., on the second Monday in September, 1890.

Skins on Fire

Assuming itching, burning, and bleeding Eczema in its worst stages. A raw sore from head to foot. Hair coming out. Doctors and medicine failed. Tried everything. Cured by the Cuticura Remedies.

Cured by Cuticura

I was cured of a loathsome disease, eczema, in its worst stage. I tried different doctors and been through the hospital, but all to no purpose. The disease covered my whole body from head to foot. My head to the soles of my feet. My hair all came out, leaving a complete raw sore. After using everything I heard of your CUTICURA Remedies, and after using three bottles of CUTICURA Remedy, with CUTICURA SOAP and CUTICURA Ointment, I find myself cured at the cost of about \$6. I would not be without it in any case, and I recommend it to all sufferers from skin diseases. I think they are the only skin and blood medicine.

ISAAH H. GERMAN, Wurtzburg N. Y.

Burning and Itching

I was sick in the fall of 1888 with a burning and itching in the throat, which was so bad that I could not sleep nights or work days. Some doctors thought it might be salt rheum (eczema), and said they had never seen anything like it before. I received no help from any of them, or from any medicine that I could get hold of until I tried your CUTICURA Remedies. After three weeks' use I was able to work, and I am now better than I have been in many years, and I recommend them to all sufferers from skin diseases.

C. E. OSMER, Trinitville Vt.

Most Intense Itching

I have used the CUTICURA Remedies successfully for my baby, who was afflicted with eczema and had such intense itching that he got no rest day or night. The itching is gone, and my baby is cured, and is now a healthy, rosy-cheeked boy.

MARY KILLERMAN, Belmont, Kan.
