

## Beauty

Is desired and admired by all. Among the things which best be done to enhance personal beauty is the daily use of Ayer's Hair Vigor. No matter what the color of the hair, this preparation gives it a lustre and pliancy that adds greatly to its charm. Should the hair be thin, harsh, dry, or turning gray, Ayer's Hair Vigor will restore the color, bring out a new growth, and render the old soft and shiny. For keeping the scalp clean, cool, and healthy, there is no better preparation in the market.

"I am free to confess that a trial of Ayer's Hair Vigor has convinced me that it is a genuine article. Its use has not only caused the hair of my wife and daughter to be, but it has given my rather stunted mustache a respectable length and appearance."—R. Britton, Oakland, Ohio.

"My hair was coming out (without any assistance from my wife, either) I tried Ayer's Hair Vigor, using only one bottle, and I now have as fine a head of hair as any could wish for."—R. T. Schmitt, Dixon, Tenn.

"I have used Ayer's Hair Vigor in my family for a number of years, and regard it as the best hair preparation I have ever used. It keeps the scalp clean, the hair soft and lively, and preserves the original color. My wife has used it for a long time with most satisfactory results."—Benjamin M. Johnson, M.D., Thomas Hill, Mo.

"My hair was becoming harsh and dry, but after using half a bottle of Ayer's Hair Vigor it grew black and glossy. I cannot express the joy and gratitude I feel."—Mabel C. Hardy, Delavan, Ill.

**To Our Subscribers.**  
The special announcement which appeared in our columns some time since, announcing a special arrangement with Dr. B. J. Kendall Co., of Esouaburg, N. Y., publishers of "A Treatise on the Horse and his Diseases," whereby our subscribers were enabled to obtain a copy of this valuable work free by sending their order to B. J. Kendall Co., (and enclosing a two-cent stamp for mailing same) is renewed for a limited period. We trust all will avail themselves of the opportunity of obtaining this valuable work. To every lover of the horse it is indispensable, as it treats in a simple manner all the diseases which afflict this noble animal. Its phenomenal sale throughout the United States and Canada, make it standard authority. Mention this paper when sending for "Treatise"—1884.

**Centerville Items.**  
Dec. 17, 1889.  
The merchants and mechanics have agreed to close their places of business Christmas day. Business is fair; a large amount of hay and oats is being hauled to the station.  
R. E. White left to-day with his second lot of fat cattle for St. John.  
G. Toms Zephyr colt, 10 months old, tipped the scale at 1165 lbs.

There was a mistake in our items of the 27th ult.: the word "qualify" should have been "qualify," as the following part of the sentence would show. Now Mr. Prohibition, you have lately named yourself. For an answer to you, I will quote the Rev. gentleman's own words as published in the Sun:—  
"Your correspondent sincerely hopes much good may come from these present meetings, and he says this heartily, notwithstanding the fact that he is not in accord with the third party. He has, however, been a strong prohibitionist, but is now read out of the ranks because he does not associate himself with the third party. Last evening he was not allowed to speak, as one of the ministers did not wish anything said at the meeting which might mar the good effect of the former speeches, and this when he knew that Mr. E. will be a subsidy, and next winter we will have the iron horse entering our thriving village."

The Band's concert and Christmas Tree promises to be a success.  
P. G. Simonsen intends commencing immediately sawing with his rotary.

**Baby one Solid Rash**

Ugly, painful, blotched, malodorous. No rest by day, no peace by night. Doctor and all remedies failed. Tried CUTICURA. Effect marvellous. Saved his life.

**Cured by Cuticura**

Our oldest child, now six years of age, who as an infant six months old was attacked with a violent, malignant skin disease. All ordinary remedies failing, we called our family physician, who did nothing for it. It spread with almost incredible rapidity, until the lower portion of the little fellow's person, from the middle of his back down to his knees, was one solid rash, ugly, painful, blotched, and malodorous. We had no rest at night, no peace by day. Finally, we were advised to try the CUTICURA. The effect was simply marvellous. In three or four weeks the complete cure was effected, leaving the little fellow a person as white and healthy as though he had never been attacked. In my opinion, your valuable remedies saved his life, and he is a strong, healthy child, perfectly well, no repetition of the disease having occurred.

Att'y at Law and Ex-Prov. Att'y, Ashland, O.

**Boy Covered with Scabs**

My boy, aged nine years, has been troubled all his life with a very bad humor, which appeared all over his body in small red blotches, with a dry white scab on them. Last year he was worse than ever, being covered with scabs from the top of his head to his feet, and continually growing worse. Although he had been treated by two physicians, as a last resort, I determined to try the CUTICURA. The humor rapidly disappeared, leaving the skin fair and smooth, and performing a thorough cure. The CUTICURA REMEDIES are all you need for them. The worth of their weight in gold. GEO. F. LEAVITT, No. Andover, Mass.
