

Best of All

Cough medicines, Ayer's Cherry Pectoral is in greater demand than ever. No preparation for Throat and Lung Troubles is so prompt in its effects, so agreeable to the taste, and so widely known, as this. It is the family medicine in thousands of households.

"I have suffered for years from a bronchial trouble that, whenever I take cold or am exposed to inclement weather, shows itself by a very annoying tickling sensation in the throat, and by difficulty in breathing. I have tried a great many remedies, but none does so well as Ayer's Cherry Pectoral which always gives prompt relief and return of my old complaint."—E. A. HAYES, Inspector of Public Roads, Parish Terrebonne, La.

"I consider Ayer's Cherry Pectoral a most important remedy."

For Home Use.

I have tested its curative power, in my family, many times during the past thirty years, and have never known it to fail. It will relieve the most serious affections of the throat and lungs, whether in children or adults.—Mrs. E. C. Edgerly, Council Bluffs, Iowa.

"Twenty years ago I was troubled with a case of the lungs. Doctors attended me no relief and considered me hopeless. I then began to use Ayer's Cherry Pectoral, and before I had finished one bottle, found relief. I continued to take this medicine until a cure was effected. I believe that Ayer's Cherry Pectoral saved my life."—Samuel Briggs, Watonga, Ill.

"Six years ago I contracted a severe cold, which settled on my lungs and soon developed all the alarming symptoms of Consumption. I had a cough, night sweats, bleeding of the lungs, pain in chest and sides, and was so prostrated as to be confined to my bed most of the time. After trying various prescriptions, without benefit, my physician finally determined to give me Ayer's Cherry Pectoral. I took it, and the effect was magical. I seemed to rally from the first dose of this medicine, and, after using only three bottles, am as well and sound as ever."—Rodney Johnson, Springfield, Ill.

Victoria Co. S. S. Convention.

The Victoria S. S. Convention, meets at Fredericton, on Tuesday, October 1st. There will be three sessions, namely, at 10.30 a. m., and 2.30 and 7 p. m. The programme to be presented is an interesting one, and all interested in the important work of Sabbath Schools, should make strenuous exertions to be present. Mrs. Crofte, of New York, who is considered one of the best in her special department of Sabbath School work, will be present. Her lecture, "The Sabbath School," will be given. This, of itself, should be sufficient to induce all who are desirous of perfecting themselves in the art of teaching to attend. The Secretary of the Prov. Association, S. J. Parsons, will also be present, and give a report of what he saw and heard at the World's S. S. Convention, recently held at London. Every superintendent, every teacher, every scholar, every christian man and woman in the country should attend the convention. So may it be.

Southampton Convention.

The Parish of Southampton S. S. Convention will meet at Temperance Vale, Tuesday, 24th Sept. There will be two sessions, 2.00 and 7.00 p. m. Efforts are being made to have a number of prominent S. S. workers present. All who are interested in S. S. work are cordially invited to attend.

F. C. BROWN, Sec.

Richmond Parish S. S. Convention.

The annual session of the above body was held in the Methodist Church, McKenna corner, on Tuesday. The President, James Harvey, occupied the chair. For some unaccountable reason the attendance was quite small.

After devotional service, conducted by Rev. Mr. Barker, G. W. Dickinson was appointed Secretary pro tem.

A Haron, V. P., reported that he had visited the schools in the Parish during the year, and found them on the whole in a very encouraging condition. Two new schools had been opened during the year, while one, he regretted to say, had closed.

The President reported that he, also, had visited nearly every school and could corroborate what Bro. Haron said concerning them.

The Parish Convention had not held regularly quarterly sessions during the season, but had recently held interesting meetings at Kirkland, Oak Mountain and Water Settlement. On the whole, the year's work had been favorable.

The following officers were now elected: C. W. Dickinson, President; J. H. Forster, Secretary; James Harvey, Vice President.

Resolutions were read and approved.

The fixing time and place of next meeting was left with the Executive.

Rev. H. R. Baker, Thomas E. Henderson, Geo. Fleming and John Carson were appointed to act in conjunction with the Executive in making necessary arrangements for the meeting of the County Convention.

A short time was now devoted to the study of the lesson for the following Sabbath, James Watts teaching the class.

After singing, and the benediction pronounced by Rev. Mr. Barker, the session adjourned to hold a public meeting at 7.30.

The evening meeting was well attended, considering the night was dark and wet. The president, C. W. Dickinson, presided, and was aided by his able and capable assistants.

Some excellent music, appropriate to the occasion, eloquent and stirring addresses were delivered by Rev. Mr. Barker and Rev. Mr. Baker.

On the importance of Bible Study, A. Haron, Esq., treated with fluency and force the subject.

How to get parents to take proper interest in the Sunday School. Jacksonville was well represented and reported by John Payne, Esq., who gave additional interest to the meeting by a short address.

The meeting broke up with the desire strong in the hearts of all to become better acquainted with the Word of God.

The Northern Maine.

A Bangor paper says: "The Maine Central has made the corporation of the Northern Maine Railroad Co., a proposition, agreeing to take the road after it was built, paying 4 per cent. interest on a valuation of \$20,000 per mile, they to hold the lease for 99 years.

The Northern Maine Co., however, did not directly accept the proposition, but, last Saturday sent a proposition of their own, containing some modifications, to the Maine Central Railroad Co. The directors of the latter have not met since, and so no action has been taken. It is understood that the Aroostook Railroad builders object to giving a 99 year lease but want to shorten up the time."

Wedding Bells.

The marriage of Miss Laura Winslow, daughter of Mr. F. E. Winslow, of Chatham, and Mr. Henry Montgomery Campbell, of Apoliqui, at St. Mary's, Tuesday morning, attracted no less than six hundred guests.

The bride was Miss Laura Winslow, of Chatham, King's Co., supported the bridegroom, and Miss Edie Winslow, Mary Campbell and Constance Winslow were the bridesmaids.

The bride wore white silk with train. Among the guests were Sir John and Lady Allen. The wedding party lunched at Mr. Winslow's, and took the afternoon train for Apoliqui.—Chatham World, Sept. 11.

STARTLING EVIDENCE

Of the Cure of Skin Diseases when all other Methods Fail.

Provision 5 years covering face, head, and entire body with white scales. Skin red, itchy and bleeding. Hair all gone. Spent hundreds of dollars. Pronounced incurable. Cured by CUTICURA.

My disease (psoriasis) first broke out on my left cheek, spreading across my nose, and almost covering my face. It ran into my eyes, and the physician was afraid I would lose my eyesight altogether. It spread all over my head, and my hair fell out, until I was entirely bald-headed. It then broke out on my arms and shoulders, until my arms were just one sore. It covered my entire body, my face, head, and shoulders being the worst. The white scales fell constantly from my head, shoulders and arms; the skin would thicken and be red and very itchy, and would crack and bleed if scratched. After spending many hundreds of dollars, I was pronounced incurable. I heard of the CUTICURA REMEDIES, and after using two bottles CUTICURA REMEDIES, I could see a change; and after I had taken four bottles, I was almost cured; and when I had used six bottles of CUTICURA REMEDIES, and all have received great benefit from their use.
