The Garleton Sentinel.

SATURDAY, AUGUST 10, 1889. SENTINEL Office, in Vanwart's Brick

The customs receipts in Montreal, in July were \$997,963.84, an increase of \$68,661.43 as compared with July, 1888. The inland revenue receipts were \$170,888.34, an increase of \$14.150.13.

Building, King street, up stairs.

In an express car, on a Grand Trunk train, to the electors. between Montreal and Quebec, on Saturday, a lamp exploded, and a quantity of fireworks for the Halifax Carnival took fire. The result was the destruction not only of the car and contents but the expressman in charge, W. Rogers, was burned to death.

The German Emperor arrived in London, on the 2nd, to visit his Royal relations. Portemouth he was met by the Prince Wales and at Osborne by the Queen.

Among the events which will commemorate the visit, the most notable is a grand review at Portsmouth, on a grand and impressive scale. Five miles of English ironclads, three deep, must be a sight for long rememberance.

Last month the Canadian Pacific Railway Company sold 28,000 acres of land in Manitoba for \$99,000—or an average of \$3.54 I am willing to set a precedent with the apper acre, as against 11,759 acres for \$38,324 proval of my official advisers. I hop -or an average of \$3 25 in June of last year. will consider it no disrespect to those who During the first six months of this year the have so well and eloquently spoken, should I company has disposed of 134,967 acres for \$487,219, as against 42,737 acres for \$150.

A Piain Statement. Editors of the Carleton Sentinel

I was hurt, June 8, by a bolt from a circular saw, and was laid up two weeks and three days, and was maured in the Traveilers' In. surance Company of Hartford, Conn., as a common laborer, for \$1,000, and to draw \$5 00 per week, for 2; weeks, in case of nocident. I sent in my claim for two weeks and three days and I got a check for \$5 24 on August 3 d. You had better insure, but not in that way. Yours. &c .

HORATIO N. ATHERTON. Woodstock Aug. 5, 1889.

At the Liberal pienie at Clearwater, Winnipeg, on the 2nd inse, the Hon. Mr. Smart. a member of the Local Government, made the first definite statement of the Government policy respecting separate schools. He said that the present dual system by which there are two Superintendents of education, two Boards of Education and two staffs of officials must be abolished. The schools will be made non-sectarian and national and will be in charge of a Minister of Education, who will be a member of the Government.

The imports of the United States for the The firemans' excursion to the Halifax year ended 30th June last were \$774,090,549. carnival leaves this afternoon, but owing to and the exports \$839 043,332, showing an excess of exports, \$64,952,783. Last year there was an excess of imports amounting to \$40.926,410. Thus the difference as to the balance of trade in the two years was over one bundred millions of dollars. This is
