Medicine for Throat and Lung Difficulties has long been and still is Ayer's Cherry Pectoral. It cures Croup, Whooping Cough, Bronchitis, and Asthma; soothes irritation of the Larynx and Esophagus; strengthens the Vocal Organs; allays soreness of the Lungs; prevents Consumption, and cures in advanced stages that disease...

"My wife had a distressing cough, with pains in the side and breast. We tried various medicines, but none did her any good until I got a bottle of Ayer's Cherry Pectoral, which has cured her. A neighbor, Mrs. Green, had the measles, and the cough was relieved by the use of Ayer's Cherry Pectoral. I have no hesitation in recommending this Cough Medicine to every one afflicted." - Robert Horton, Esq. Merrimont, Ark.

I have been afflicted with asthma for forty years. Last spring I was taken with a violent cough, which threatened to terminate my life. Every one pronounced me in consumption. I determined to try Ayer's Cherry Pectoral. It effected a cure. I was immediately relieved and continued to improve until I was completely recovered. - Joel Bullard, Guilford, Conn.

Six months ago I had a severe hemorrhage of the lining of the throat, which rendered me almost speechless. I tried various remedies, but obtained no relief until I began to take Ayer's Cherry Pectoral. A few bottles of this medicine cured me. - Mrs. E. Colburn, 19 Second St., Lowell, Mass.

For children afflicted with colds, coughs, sore throat, or croup, I do not know of any remedy which will give more speedy relief than Ayer's Cherry Pectoral. I have found it also invaluable in cases of Whooping Cough. - Ann Lovejoy, 1227 Washington Street, Boston, Mass.

Steel Wire NAILS! WE have added to our stock of Nails a full line of STEEL WIRE NAILS. We particularly call the attention of the Carpenters and Builders to the fact that...

Wire Nails are 50 per cent. more to the pound than the corresponding size of Cut Nails. They do not destroy the fibres of the wood as Cut Nails do; will break in driving and split the wood; will finish work better and stronger; are FAR CHEAPER THAN CUT NAILS, being more to the pound, and a carpenter can do more work in a day with Steel Wire Nails than he can with the ordinary Cut Nails. These Nails are being used extensively in the States and Canada at the present time.

Communicated. The Bridge. During the sitting of the Local Parliament on the 11th inst. the present year, if I remember correctly, in one of your issues, the attention of all concerned was drawn particularly to the unsafe condition of the bridge crossing the St. John at Woodstock, and also to the disagreeable and dangerous approach to the same. Since that time nothing appears to have been done to improve the condition for the safety of travellers.

Having occasion to pass and re-pass this way at least once a week for some years, and taking all precaution as I thought for my own as well as for the safety of my horse, yet I have not escaped from accident, and, on one occasion, nearly lost my life. Some decided steps to better this thoroughfare should be taken: the planking of the bridge in some places is not safe at present to pass over, and should an action for damages be brought, I think the cost would come to more than timely preventives. A fence of some kind placed on the river side of the road from near the Water Works to the bridge would prevent horses and people from falling down the steep bank.

Yours respectfully, JAMES T. SMITH, Upper Woodstock, July 29, 1889.

Historical Claims of the Church. To the Editors of the Carleton Sentinel: According to notice, which appeared in your paper, Rev. D. W. Gwilym, rector of Houlton, visited Centreville on Thursday, July 25th, and delivered an address in St. James' Church on the historical claims of the Church. It had been well prepared and was delivered in such a lively manner that all were highly pleased.

Yours, etc., J. B. FLEWELLING, Centreville, July 29, 1889.

Correction. I notice that "One Present," in sending you an account of turning the first sod of the Woodstock & Centreville Railway, reports me as declaring myself in favor of the Local Government granting aid to railways in every County in the Province. This is altogether and utterly untrue. I made no such statement at any time either at Centreville or elsewhere.

Yours, etc., M. C. ATKINSON, FREDERICTON TOPICS.

FREDERICTON, July 21st. The Fredericton Association base ball team has now six professional players.

About 30 of our firemen have signified their intention to participate in the Halifax carnival festival.

The Royal School of Infantry are camping at Col. Mansel's farm, "Fern Hill," a few miles above the city, where they will remain about three weeks.

Mr. Humphrey of the "Union Line" made a display of fireworks, including the release of two hot air balloons from the deck of the steamer David Weston, on Saturday evening, in honor of the immense number of passengers returning from the carnival on that day.

City Treasurer McNeil received ten thousand dollars in taxes on Monday last, that day terminating the period limited for allowing the discount.

A man named John Myhrall has been pronounced to be insane, consequently he was removed to the lunatic asylum on Tuesday last. Whooping cough of a malignant type is quite prevalent in the city, and has resulted fatally in the case of quite a number of small children.

Mr. Wm. Sewell, lumberman, was thrown from his carriage near Springhill Monday afternoon, but miraculously escaped serious injury. Fredericton has in all probability more base ball clubs than any city of its size in existence.

Children of 10 and 15 years of age can be observed on the street almost any day attired in base ball costume eagerly enquiring the result of the last game.

The Association base ball nine won a magnificent game from the Shamrocks of St. John as evinced by the score of 8 to 3, but on the occasion of the successive game with the Shamrocks, our boys were miserably "wiped out" by the degrading score of 25 to 4, the latter of course maintained by the Fredericton team. As this was the first game in the "Spaulding Pennant Contest," it was rather a discouraging terminus.

Our boys attribute the successful result to the fact that they were unaccustomed to playing on such miserable ground, the inferior arrangements of which were clearly apparent.

Fredericton's two victories over the Monarchs at St. John on Friday last have reinvigorated the enthusiasm of our team, and they have undoubtedly more than redeemed their previous failure, while their reputation will be still further enhanced if they succeed in winning one of the games from St. John to be played here on Friday and Saturday next.

Last week the city was comparatively deserted, as every person who could conveniently or possibly absent himself from his work, rushed frantically to the extensively advertised "St. John Carnival," the chief feature of which was undoubtedly the grand "Electrical Exhibition."

It is estimated that Fredericton was represented in the vast throng of 5,000 persons, that it cannot be insinuated that the "Celestials" bear malice toward their rival city, notwithstanding the fact that they possess indigestible cases, considering that St. John strenuously endeavored to "get all the tobacco ground."

BEST IN THE WORLD! Further Great Cures of Skin Diseases by the CUTICURA Remedies.

Boy one year and a half old. Face and body in a terrible condition, being covered with sores. Sulphur Springs cure. Cured by CUTICURA Remedies.

I have used your CUTICURA Remedies in two cases where it proved to be successful. The first was in the case of a boy a year and a half old - His face and body were in a terrible condition, the former being completely covered with sores. I took him to the Massena Sulphur Springs, but he did not improve any. I was then advised to try the CUTICURA Remedies, which I did. He took one and one-half bottles of CUTICURA Remedy, when his skin was as smooth as could be, and is to-day. I used the CUTICURA on his sores and the CUTICURA Soap in washing him. He is now five years of age, and all right. The other case was a disease of the scalp, which was cured by washing with the CUTICURA Soap and rubbing in the CUTICURA, one bottle of CUTICURA Remedy being used. They have proved successful in every case where I have advised the use of them. It is surprising how rapidly a child will improve under their treatment. I recommend them for any disease of the skin as being the best in the world. This is my experience, and I am ready to stand by my statement.

JOHN R. BERO, American House, High-street, N. Y. I have been afflicted since last March with a skin disease the doctors called Eczema. My face was covered with sores, with loss of hair, and all burning and itching, and most unbearable. Seeing your CUTICURA Remedies so highly recommended, I concluded to give them a trial, using the CUTICURA and CUTICURA Soap externally, and RESOLVENT internally for four months. I call myself cured, and am grateful for which I wish to make the public statement. Mrs. CLARA A. FREDERICK, Broad Street, Conn.

Why Should Every Man Buy a BUTTERFIELD or an EXCELSIOR Spring Bed?

BECAUSE one-third of his life is spent in bed. BECAUSE leather beds absorb the poisonous exhalations of the body and are a fruitful source of disease, especially in summer. BECAUSE they have no elastic surface. BECAUSE they will adapt themselves to every part of the body. BECAUSE they have a spring and brace coupling, which holds every spring in position. BECAUSE they are comfortable, healthful and economical.

Because they are the best beds in the world. I am prepared to fill in for Wholesale or Retail orders for the Celebrated Beds, at my old stand Main Street, (now occupied by Johnston & Co.) Woodstock.
