LAST CHANCE!

This is the last chance this season to get nice, new, fresh Flour, ground from OLD WHITE WINTER; WHEAT; as flour ground from NEW WHEAT will not give good satisfaction till about the 1st Dec. It is the general experience of women, that flour during the Autumn months, is what they term runny and dark in the color; this is owing to the flour being ground from new wheat.

I have secured a choice lot of "Crown of Gold" and "Star" flour in barrels and halt barrels shipped at the mill the 25th July and has just arrived, which I will sell at a small advance on Crost.

- ALSO A GOOD SUPPLY OF --Salt, Cornmeal, Oatmeal Graham Flour, Tea, Coffee, Spices, Soda, Starch, Canned Goods, Tapioca, Maccaroni, Broma, Chocolate, Cocoa, Gelatine, Desiccated Cocoanut, Corn Starch, Pickles in barrels and bottles, Worcester Sauce, North of England Sauce, Ketchup, Horse-

For Ladies Only.

Ladies—why is it, that when your husband or your children are ill, you consult the best physician at once, care for them day and night, wear yourself out with sleepless watching, and never begrudge the heaviest doctor's bill, if only the dear once are restored to health; while day after day, week after week, you endure that dull pain in your back—that terrible "dragging down" sensation—and do absolutely nothing to effect a cure? In a few years you will be a helpless invalid, and soon your brokenhearted husband and motherless children will follow you to the grave. Perhaps delicacy prevents you coessu ting a physician—but even this is not necessary. Poor sufferer, tell your husband how miserably you feel—perhaps you never did—and ask him to stop to night and get you a bottle of Dr Pierce's Favorite Prescription. What Am I to Do? The symptoms of Biliousness are unhappily but too well known. They differ in different individuals to some extent. A Bilicus man is seldom a breakfast eater. Too frequently, alas, seldom a breakfast eater. Too frequently, alas, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, at all events.

The digestive system is wholly out of order and Diarrhoes or Constipation may be a symptom or the two may alternate. There are often Hemorrhoids or even loss of blood. There may be giddiness and often headache and acidity or fixulence and tenderness in the pit of the stomach.
