MANHOOD

How Lost, How Restored!

Just published, a new edition of

Dr. Culverwell's Celebrated Essay

on the *radical cure* of SPERMATORRHŒA or incapacity induced by excess or early indiscretion.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of early error may be radically cured; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and *radically*.

☞ This lecture should be in the hands of every youth and every man in the land.

Sent under seal, in a plain envelope, to any address, *post paid*, on receipt of four cents or two postage stamps. Address,

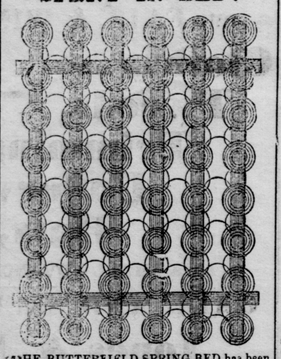
SPENT IN BED!



THE BUTTERFIELD SPRING BED has been in use in this country nearly two years. From a very small beginning and with very little effort the trade has grown until the sales have run up into the thousands, and with the exception of a slight defect in a few of the first manufactured the Beds have given universal satisfaction. In fact in many localities the very name has become a synonym for Ease and Comfort. The EXCELSIOR SPRING BED is a later invention which, while retaining all the elasticity and freedom of action which characterize the BUTTERFIELD, is so securely braced that there seems to be no possibility of the outside springs being bent inward under any circumstances.

Having purchased the Patent Rights for the above mentioned beds, I am prepared to furnish them at either Wholesale or Retail.

I am also prepared to sell rights to manufacture in any part of the Dominion not already taken, or to arrange with parties to manufacture on royalty.

Miscellaneous.

A young married lady, who moved into the country from London, considered the keeping of hens a pleasant and profitable undertaking. As she grew more absorbed in the pursuit, her enthusiasm increased, and "hens" became a favorite subject of her thoughts and conversation. During one of her animated descriptions of her success, a friend inquired:—

"Are your hens good laying hens?"

"Oh, yes," she replied, in a delighted tone, "they haven't laid a bad egg yet!"

She (softly)—I shall never forget this night—and this ball

He (tenderly)—Tell me—why?

She—And that last waltz.

He—You delight me!

She—And you!

He—You entrance me! Then I have impressed you?

She (more softly than ever)—Yes! You've about smashed two of my toes!

ADVICE TO MOTHERS.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of "MRS. WINSLOW'S SOOTHING SYRUP" for children teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures dysentery and diarrhœa, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. "MRS. WINSLOW'S SOOTHING SYRUP" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle. Be sure and ask for "MRS. WINSLOW'S SOOTHING SYRUP" and take no other kind.

"What's your husband's business?", asked the inquisitive woman in the train after she had exhausted all the other questions in the catechism."

"Oh," said the other woman, wearily, "he's a lawyer by profession; he spends his time in minding other people's business, too."

MESSRS. C. C. RICHARD'S & CO.

Dear Sirs,—I took a severe cold in February last which settled in my back and kidneys, causing excruciating pain. After using several other preparations and being without sleep four nights through intense suffering, I tried your MINARD'S LINIMENT. After the first application I was so much relieved that I fell into a deep sleep and complete recovery shortly followed.

JOHN S. MCLEOD.

Lawrencetown.

Ethel—Was there a donkey on our steps when you came in, Mr. Featherly?

Mr Featherly — Why, no, Ethel. What would a donkey be doing there?

Ethel—I don't know; but Clara just said, before you rang the bell, "There's that donkey coming here again.

"Gift Enterprises"

seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting *something* out of *nothing*, if possible. Grocers get 6 boxes for 5 of some kinds, and are offered all sorts of "Nick Nacks" with others, as an inducement to recommend such soaps to their trade.

It is a well known fact, however, that a genuine article in this day of competition pays no fancy profits. WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

Bride (exchanging bridal costume for travelling suit)—Did I appear nervous at all during the ceremony, Clara?

Bridesmaid (envious)—A little at first, dear; but not after George had said "yes."

Don't

let that cold of yours run on. You think it is a light thing. But it may run into catarrh. Or into pneumonia. Or consumption.

Catarrh is disgusting. Pneumonia is dangerous. Consumption is death itself.

The breathing apparatus must be kept clear of all obstructions and offensive matter. Otherwise there is trouble ahead.

All the diseases of these parts, head, nose, throat, bronchial tubes and lungs, can be delightfully and entirely cured by the use of Boschee's German Syrup. If you don't know this already, thousands and thousands of people can tell you. They have been cured by it, and "know how it is themselves." Bottle only 75 cents. Ask any druggist.

Easterner (in Western town)—I don't see any school in this town.

Westerner—You don't? Guess you must be near-sighted. Don't you see that sign over that there door: 'Teechin' Dun Heer?"

A Lovely Woman

overheard one say of her, "By heaven! she's painted"! "Yes," retorted she, indignantly, and by heaven *only*"! Ruddy health mantled her cheek, enthroned on the rose and lily. Yet this beautiful lady, once thin and pale, with a dry, hacking cough, night-sweats, and slight spitting of blood, seemed destined to fill a consumptive's grave. After spending hundreds of dollars on physicans without benefit, she tried Dr. Pierce's Golden Medical Discovery; her improvement was soon marked, and in a few months she was plump and rosy again, the picture of health and strength.

Oh, woman, in our hours of ease,
Uncertain, coy and hard to please,
And always in the wrong!
When pain and sickness wring his brow,
You go to sleep and don't care how
The old man gets along.

No matter what the school of physic,
They each can cure an ache or phthisic—
at least 'tis said they can;
But as science turns the wheel still faster,
And quacks and bigots meet disaster,
To us there comes a man
Whose merit hath won countless zealots,
Who use and praise his "Pleasant Pellets."
The "Pleasant Purgative Pellets" of Dr. Pierce, though gentle in action, are thorough, and never fail to cure biliousness, diseased or torpid liver, and constipation.

"How do you get along with the German, old boy?"

"Pretty well. Since I caught this cold in my head, my teacher says my pronounciation has improved rapidly."

A Valuable Discovery.

F. P. Tanner, of Neebing, Ont., says he has not only found B. B. B. a sure sure for Dyspepsia, but he has also found it to be the best medicine for regulating and invigorating the system that he has ever taken. B. B. B. is the great system regulator.

Bud No. 1—Going to wear white at your coming out, I suppose?

Bud No. 2—Not till I get to be an angel. I loathe it.

Bud No. 1—Don't worry, then, dear; you'll never have to.

Get The Best.

Dr. Fowler's Extract of Wild Strawberry is the best, most prompt and safest cure for Cholera Morbus, Dysentery, Sick Stomach, Cramps, Colic, Diarrhœa and Cholera Infantum, that has yet been discovered. Its popularity increases each year. All medicine dealers sell it.

"Did it rain!" exclaimed the Western man, in the course of a thrilling recital of border life—"say, it rained so hard that afternoon that the water stood three feet on a slant roof."

A Severe Trial.

Frances S. Smith, of Emsdale, Muskoka, writes—"I was troubled with vomiting for two years and I have vomited as often as five times a day. One bottle of Burdock Blood Bitters completely cured me"

Naught the lover's ardor damps
When his girl has got the stamps.

"I suppose you always get plenty to eat around Thanksgiving?" said the minister.

"You bet I do," replied the tramp.

"And you are thankful to the Almighty for his goodness to you?"

"Naw; Thanksgivings can't hold a candle to election day. You have to beg things now; then the politicians just chuck it at you."

Mr. Smartun—No, Miss Jones, they can't deceive me; I am not such a big fool as I look.

Miss Jones (endeavoring to flatter)—No, indeed; I discovered that long ago.

The world-wide reputation of Ayer's Sarsaparilla is the natural result of its surpassing value as a blood medicine. Nothing in the whole pharmacopœia, effects more astonishing results, in scrofula, rheumatism, general debility, and all forms of blood disease, than this remedy.

A young man who gave up honest labor and attempted to live by his wits, exhausted his capital in twenty-five hours and the following day landed in the workhouse.

R. B. Porter & Co., claim to have the most Fashionable stock this season they have ever shown, and at or under St John prices.

"Christmas comes but once a year," murmured the old gentlemen, as he knelt in church, "for which and other mercies, O Lord, make us truly thankful."

No one has ever yet been able to explain why a kiss is such a pleasant thing, but the subject is being constantly investigated.

CATARRH, CATARRHAL DEAFNESS, HAY FEVER.

A New Home Treatment.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved this for a fact, and the result is that a simple remedy has been formulated whereby catarrh, catarrhal deafness and hay fever are permanently cured in from one to three simple applications made at home by the patient once in two week. N. N.—For catarrhal discharges peculiar to females (whites) this remedy is a specific. A pamphlet explaining this new treatment is sent on receipt of ten cents by A. H. DIXON & SON, 303 West King St., Toronto, Canada.—*Scientific American*

Sufferers from catarrhal troubles should carefully read the above.

He (in the ballroom)—How is it that we see so little of you nowadays?

She—My husband objects to low-necken dresses.

Bessie—How did Charlie come to say he loved you?

Jennie—Father asked him if he did.

Long-Standing

Blood Diseases are cured by the persevering use of Ayer's Sarsaparilla.

This medicine is an Alterative, and causes a radical change in the system. The process, in some cases, may not be quite so rapid as in others; but, with persistence, the result is certain. Read these testimonials:—

"For two years I suffered from a severe pain in my right side, and had other troubles caused by a torpid liver and dyspepsia. After giving several medicines a fair trial without a cure, I began to take Ayer's Sarsaparilla. I was greatly benefited by the first bottle, and after taking five bottles I was completely cured."—John W. Benson, 70 Lawrence st., Lowell, Mass.

Last May a large carbuncle broke out on my arm. The usual remedies had no effect and I was confined to my bed for eight weeks. A friend induced me to try Ayer's Sarsaparilla. Less than three bottles healed the sore. In all my experience with medicine, I never saw more

Wonderful Results.

Another marked effect of the use of this medicine was the strengthening of my sight."—Mrs. Carrie Adams, Holly Springs, Texas.

"I had a dry scaly humor for years, and suffered terribly; and, as my brother and sister were similarly afflicted, I presume the malady is hereditary. Last winter, Dr. Tyron, (of Fernandina, Fla.,) recommended me to take Ayer's Sarsaparilla, and continue it for a year. For five months I took it daily. I have not had a blemish upon my body for the last three months."—T. B. Wiley, 143 Chambers st., New York City.

"Last fall and winter I was troubled with a dull, heavy pain in my side. I did not notice it much at first, but it gradually grew worse until it became almost unbearable. During the latter part of this time, disorders of the stomach and liver increased my troubles. I began taking Ayer's Sarsaparilla, and, after faithfully continuing the use of this medicine for some months, the pain disappeared, and I was completely cured."—Mrs. Augusta A. Fuchsia, Haverhill, Mass.
