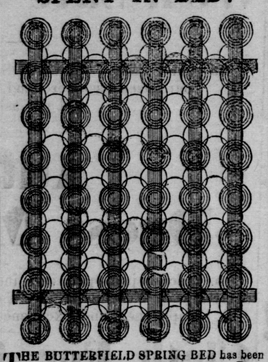
SPENT IN BED!



THE BUTTERFIELD SPRING BED has been in use in this country nearly two years. From a very small beginning and with very little effort the trade has grown until the sales have run up into the thousands, and with the exception of a slight defect in a few of the first manufactured the Beds have given universal satisfaction. In fact in many localities the very name has become a synonym for Ease and Comfort. The EXCELSIOR SPRING BED is a later invention which, while retaining all the elasticity and freedom of action which characterize the BUTTERFIELD, is so securely braced that there seems to be no possibility of the outside springs being bent inward under any circumstances.

Having purchased the Patent Rights for the above mentioned beds, I am prepared to furnish them at either Wholesale or Retail.

I am also prepared to sell rights to manufacture in any part of the Dominion not already taken, or to arrange with parties to manufacture on royalty.

Ask For Ayer's

Sarsaparilla, and be sure you get it, when you want the best blood-purifier. With its forty years of unexampled success in the cure of Blood Diseases, you can make no mistake in prescribing Ayer's

Sarsaparilla

to any other. The fore-runner of modern blood medicines, Ayer's Sarsaparilla is still the most popular, being in greater demand than all others combined.

"Ayer's Sarsaparilla is selling faster than ever before. I never hesitate to recommend it."—George W. Whitman, Druggist, Albany, Ind.

"I am safe in saying that my sales of Ayer's Sarsaparilla far excel those of any other, and it gives thorough satisfaction."—L. H. Bush, Des Moines, Iowa.

"Ayer's Sarsaparilla and Ayer's Pills are the best selling medicines in my store. I can recommend them conscientiously."—C. Bickhaus, Pharmacist, Roseland, Ill.

"We have sold Ayer's Sarsaparilla here for over thirty years and always recommend it when asked to name the best blood-purifier."—W. T. McLean, Druggist, Augusta, Ohio.

"I have sold your medicines for the last seventeen years, and always keep them in stock, as they are staples. There is nothing so good for the youthful blood as Ayer's Sarsaparilla."—R. L. Parker, Fox Lake, Wis.

"Ayer's Sarsaparilla gives the best satisfaction of any medicine I have in stock. I recommend it, or, as the Doctors say, 'I prescribe it over the counter.' It never fails to meet the cases for which I recommend it, even where the doctors' prescriptions have been of no avail."—C. F. Calhoun, Monmouth, Kansas.

ARISTOCRATIC BUT VINEGAR-FACED.—"He's a charming little fellow, Mrs. Grindstone. Only five years old, you say? You'll give me a kiss, won't you, Willie?"

"Yes'm." (Kisses her.)

"That's a good boy, Willie, but what are you holding in your hand so tightly?"

"It's a half-dollar mamma gave me. She said she 'spected you'd want to kiss me, and I told her I wouldn't do it for less."

CLERK WAS "TOO FLY."—Grocer (to clerk) — What are you doing there, Henry?

Henry—I am picking the dead flies out of these dried currants.

Grocer—You just let 'em alone. Do you suppose that I am running this business for fun? Do you think that I come down here early at morning and toil all day just for the spirit of the thing. You let those flies alone.

ADVICE TO MOTHERS.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of "MRS. WINSLOW'S SOOTHING SYRUP" for children teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures dysentery and diarrhœa, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. "MRS. WINSLOW'S SOOTHING SYRUP" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle. Be sure and ask for "MRS. WINSLOW'S SOOTHING SYRUP" and take no other kind.

HE WILL, SURE.—Bowttown (dining his friend before bidding him good-bye) —I suppose at this time to-morrow you will be turning up your nose at this kind of fare. I understand they feed their passengers pretty high on these ocean steamers.

Friend—I am afraid that by this time to-morrow I shall be turning up my nose at any kind of fare.

CAUGHT.—"What does cleave mean, papa?"

"It means to stick together."

"Does John stick wood together when he cleaves it?"

"Hem! It means to separate."

"Well then, pa, does a man separate from his wife when he cleaves to her?"

"Don't ask foolish questions, child."

Don't

let that cold of yours run on. You think it is a light thing. But it may run into catarrh. Or into pneumonia. Or consumption.

Catarrh is disgusting. Pneumonia is dangerous. Consumption is death itself.

The breathing apparatus must be kept clear of all obstructions and offensive matter. Otherwise there is trouble ahead.

All the diseases of these parts, head, nose, throat, bronchial tubes and lungs, can be delightfully and entirely cured by the use of Boschee's German Syrup. If you don't know this already, thousands and thousands of people can tell you. They have been cured by it, and they know how it is themselves." Bottle only 75 cents. Ask any druggist.

A maiden from the city tripped lightly 'mid the trees and sniffed the pungent odor that floated on the breeze. "Oh tell me, ancient farmer, with arms so brown and bare, what is that wondrous flower that scents the morning air?" Loud laughed the ancient farmer, till the tears rolled down his cheek. "Why, bless you, that's a skunk, and I've smelt him for a week!"

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 149, *Powder's Block, Rochester, N. Y.*

Boy—Please, sir, mother says, is measles catching?

Doctor—Tell your mother of course they are,

Boy—Then, please sir, mother says what will you give 'er to put 'em about the village; sister's got 'em awful?

"Woman! be fair, we must adore thee;
Smile, and a world is weak before thee"!

But how can a woman smile when she is suffering untold misery from complaints from which we men are exempt? The answer is easy. Dr. Pierce's Favorite Prescription is an infallible remedy in all cases of "female weakness," morning sickness, disorders of the stomach, nervous prostration, and similar maladies. As a powerful invigorating tonic it imparts strength to the whole system, and to the womb and its appendages in particular. As a soothing and strengthening nervine it subdues nervous excitability, irritability, exhaustion, prostration; hysteria, spasms, and other distressing, nervous symptoms commonly attendant upon functional and organic diseases of the womb. It induces refreshing sleep and relieves mental anxiety and despondency. Sold by druggists, under a positive guarantee from the manufacturers, to give satisfaction.

"What did you see at church?" grandfather asked of Minnie, after her first visit to the sanctuary.

"I saw a man come in with his night gown on an' he was so 'shamed he hid his face in his hands a little while 'fore he dared to say a word."

True happiness will oft be found

Fair maiden, may life's richest joy
Spread her bright mantle over thee;

And pleasures sweet, without alloy,
With fairest blossoms cover thee;
But should, perchance, thy beauty fade,
Thou can'st call quickly to thy aid

"Have you Goldsmith's Greece?" asked a gentleman of the clerk of a store in which books and various miscellaneous articles were sold.

For Five Years.

For over five years we have used Hagyard's Yellow Oil in our family for coughs and colds, burns and sore throat, and our experience is so satisfactory that we would recommend the medicine to any person." Mrs. F. Sanderson, Bosworth, Ont.

There is an old man in Chicesterville, in the Catskills, who always speaks out in meeting. Recently a city divine preached in the little Methodist church of the village, and the old man became so excited at one or two home thrusts in the sermon which seemed to apply to a certain neighbor that he got up and shouted: "That's right, youngster; hit 'im again." And, later on, when the sermon appeared to come home to him, he cried out in stentorian tones: "That's so, be gosh. We're all sinners, ev'ry durn one of us."

"Gift Enterprises"

seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting *something* out of *nothing*, if possible. Grocers get 6 boxes for 5 of some kinds, and are offered all sorts of "Nick Nacks" with others, as an inducement to recommend such soaps to their trade.

It is a well known fact, however, that a genuine article in this day of competition pays no fancy profits. WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

Miss Jones (to Smith, who has just been out to see a man)—You ought to go once more and toboggan a little.

Are often in jeopardy through various accidents on land and water. A prompt relief and cure for all painful wounds, bruises, burns, cuts, scalds, rheumatism, neuralgia, sore throat and croup is Hagyard's Yellow Oil, known as reliable over 30 years. Keep it in the house always.

CATARRH, CATARRHAL DEAFNESS, HAY FEVER.
A New Home Treatment.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved this for a fact, and the result is that a simple remedy has been formulated whereby catarrh, catarrhal deafness and hay fever are permanently cured in from one to three simple applications made at home by the patient once in two week. N. N.—For catarrhal discharges peculiar to females (whites) this remedy is a specific. A pamphlet explaining this new treatment is sent on receipt of ten cents by A. H. DIXON & SON, 303 West King St., Toronto, Canada.—*Scientific American*

Sufferers from catarrhal troubles should carefully read the above.
