

Ask For Ayer's

Sarsaparilla, and be sure you get it, when you want the best blood-purifier. With its forty years of unexampled success in the cure of Blood Diseases, you can make no mistake in preferring Ayer's Sarsaparilla to any other. The four-runners of modern blood medicines, Ayer's Sarsaparilla is still the most popular, being in greater demand than all combined.

"Ayer's Sarsaparilla is selling faster than ever before. I never hesitate to recommend it."—George W. Whitman, Druggist, Lowell, Mass.

"I have said my saying of Ayer's Sarsaparilla far exceed those of any other, and I give through satisfaction."—L. H. Bush, Des Moines, Iowa.

"Ayer's Sarsaparilla and Ayer's Pills are the best selling medicines in my store. I can recommend them conscientiously."—C. Dickhaus, Pharmacist, Rockland, Ill.

"We have sold Ayer's Sarsaparilla here for over thirty years and always recommend it when asked to name the best blood-purifier."—W. T. McLean, Druggist, Agassiz, Ohio.

"I have sold your medicines for the last seventeen years, and always keep them in stock, as they are staples. There is nothing so good for the youthful blood as Ayer's Sarsaparilla."—R. L. Parker, Fox Lake, Wis.

"Ayer's Sarsaparilla gives the best satisfaction of any medicine I have in stock. I recommend it, or, as the Doctors say, 'I prescribe it over the counter.' It never fails to meet the cases for which I recommend it, even where the doctors' prescriptions have been of no avail."—C. F. Callahan, Newmonth, Kansas.

Co. Convention.
The Executive has finally fixed on the date for holding our next County Convention. It will be held at McKenney's Corner, on the 2nd and 3rd of October.

Communicated.
To the Editors of the Carleton Sentinel:
An article in the Halifax Chronicle reads as follows:—
"The Halifax Freeman are very much annoyed at the statement in the Woodstock Press that they played a small trick on the visiting firemen in connection with the carnival sports. They emphatically deny that there was any desire to act 'crooked' with Woodstock or any other visitors, and are extremely aggravated over the assertion that the Halifax running team did not march in the torchlight procession in order to be fresh for the next day's races. Captain Condon is prepared to make an affidavit that every member of the running team took part in the procession and marched over the whole of the long route. The Halifax firemen trust that it was not the 'L. 123' that frightened the Woodstock men out of town."

Now if that communication was for the purpose of advertising their 123, it has surely done its work, but as for driving the Woodstock men out of town, that is rather vague as they left Halifax at seven o'clock the morning on which the races took place. The talk referred to was quite current among visitors the night of parade, and was not confined to Woodstock men alone. I would also like to state that as the Woodstock Firemen had no practice whatever on the quarter mile, they did very slight intention of participating in the races. We congratulate Captain Condon and his team on their good time, and assure him that he will be well paid up on to make affidavit as to the condition of his men.
Yours, etc.,
FIREMAN.

Reverend G. Howard and J. G. Harvey attended the Baptist Convention at Fredericton.

Sabbath school picnic seem to be all the rage at present; one of these, it is said amused them, tripping the light fantastic, is a bare, until the wee-wee hours, lately.

There is some building here, J. E. Alexander is putting an addition to his shop, making it some 80 feet long, 36 feet wide and 3 stories high; this will give him ample room, for a good sales-room, work shop, paint room, engine room, and leave enough space for a large hall, if we can persuade him to finish it into such.

R. W. Balloch has erected a fine large barn on his farm.

H. B. White has improved his front very much by building a nice fence, as has also Waldo Perkins.

There is a good deal of sickness here; there are some cases of fever, of those who attended the camp this year.

Crops are good, especially wheat.

Work on the branch railway is being pushed and we hope that within a year's time we may have the train running to the village.

P. G. Burt and L. B. Clark have returned from attending the High Court of Foresters at Moncton; the order has advanced 30 per cent during the year; I think every clergyman and member in the country should be a member, they would find it a safe investment for their families; they have a supply fund of \$1646.20, and that can be used only to pay death rates.

W. F. Webb has bought Mrs. Hull's property and has got men at work draining the land.

BEST IN THE WORLD!
Further Great Cures of Skin Diseases by the CUTICURA Remedies.

Buy one year and a half off. Face and body in a terrible condition, being covered with sores. Suffering from itching, burning, and smarting. My face was covered with sores and the itching and burning were almost insupportable. I have used your CUTICURA Remedies in two cases where it proved to be successful. The first was in the case of a boy and a half old. His face and body were in a terrible condition, the former being completely covered with sores. I took him to the Massena Sulphur Springs, but he did not improve any. I was then advised to try the CUTICURA Remedies, which I did. He took one and one-half bottles of CUTICURA Remedy, when his skin was as smooth as could be, and is to-day. I used the CUTICURA on his sores and the CUTICURA Soap in washing him. He is now five years of age, and all right. The other case was a disease of the scalp, which was cured by washing with the CUTICURA Soap and rubbing in the CUTICURA, one bottle of CUTICURA Remedy being used. They have proved successful in every case where I have advised the use of them. It is surprising how rapidly a child will improve under their treatment. I too amend them for any disease of the skin as being the best in the world. This is my experience, and I am ready to stand by my statement.
