Carleton Co. Teachers' Institute. The Carleton County Teachers Institute is announced to meet in Woodstock, October 17th and 18th. It is expected that the new subject, "Modelling from clay," will be exemplified and discussed. On Thursday evening instead of a public lecture there will be a conversazione, the object of which is to give an opportunity for the teachers to become joy a pleasant evening together. As announced at the last meeting of the lostitute, there will be an exhibit of manual work. The graded school work will be in one divianother, so that the comparisons may be more satisfactory than would be the case where all Church, Sunday morning. are exhibited together.

Mrs. James McWhaugh and her daughter Ranges, 200, 400 and 500 yards, Ada, are visiting here. Mr. and Mrs. Murray McLoan, are the guests of Wm Stickney.

FARM FOR SALE! WELL located in the Town of Caribou, i mile from the village. It contains 125 acres of land, with a first class set of buildings; cuts about 75 tons of hay, and is one of the best paying farms in Aroosto & County. There is now 25 acres of potatoes growing upon the farm, that will pay the owner \$1,000 above expenses. This is a most desirable piece of property, as it is so handy to market and borders upon the village of Caribou. Any person wishing to invest in a tarm will find it to their advantage to look this property over --

\$3,500. Part may remain on mortgage it desired.
