new growth, and old soft and shiny. For keeping the scalp clean, cool, and healthy, there is no better preparation

"I am free to confess that a trial of Ayer's Hair Vigor has convinced me that it is a genuine article. Its use has not only caused the hair of my wife and daughter to be

Abundant and Glossy, but it has given my rather stunted mustache a respectable length and appearance."—R. Britton, Oakland, Ohio.

"My hair was coming out (without any a stance from my wife, either). I tried Ayer's Hair Vigor, using only one bottle, and I now have as fine a head of hair as any one could wish for."

-R. T. Schmittou, Dickson, Tenn. "I have used Ayer's Hair Vigor in my family for a number of years, and regard it as the best hair preparation I know of. It keeps the scalp clean, the hair soft and lively, and preserves the original color. My wife has used it for a long time with most satisfactory results."—Benjamin M. Johnson, M. D., Thomas Hill, Mo.

"My hair was becoming harsh and dry, but after using half a bottle of Ayer's Hair Vigor it grew black and glossy. I cannot express the joy and gratitude I feel."—Mabel C. Hardy, Delavan, Ill. Ayer's Hair Vigor

My disease (pseriasis) first broke out on my left cheek, spreading across my nose, and almost covering my face. It ran into my eyes, and the physician was afraid I would lose my eyesight altogether. It spread all over my head, and my hair all full out, until I was entirely bald-headed; it then broke out on my arms and shoulders, until my arms were just one sore. It covered my entire body, my face, head, and shoulders being the worst. The white scabs fell constantly from my head, shoulders and arms; the skin would thicken and be red and very itchy, and would crack and bleed if scratched. After spanding many hundreds of dollars, I was pronounced incurable. I heard of the Cuticura Remedies, and after using two bottles Cuticura Resouvent, I could see a
