Best of All

Cough medicines, Ayer's Cherry Pectoral
is in greater demand than ever.
No preparation for the throat and lungs
is so agreeable to the taste, and so widely
known as this. It is the family medicine
in thousands of households.

"I have suffered for years from a
chronic cough, that whenever I take
any cold is exposed to inclement weather,
shows itself by a very annoying
tickling sensation in the throat, and
tossing and turning in bed. I have tried a
great many remedies, but none does so
well as Ayer's Cherry Pectoral, which
always gives prompt relief in return of my
old complaint."—Ernest H. Hepler,
Inspector of Public Roads, Parish Ter-
rebonne, La.

"I consider Ayer's Cherry Pectoral a
most important remedy."

For Home Use.
I have tested its curative power, in my
family, many times during the past
winter. It will relieve the most serious
coughs, soothe the inflamed membrane,
relieve the chest and lungs, and
whichever in children or adults."—Mrs.
E. E. Elderly, Council Bluffs, Iowa.

"Twenty years ago I was troubled
with a disease of the lungs. Doctors
afforded me no relief and considered
my case hopeless. I then procured
Ayer's Cherry Pectoral, and before I
had finished one bottle, found relief,
and in a few days was enabled to take
a cure was effected. I believe that Ayer's
Cherry Pectoral saved my life."—
Samuel Briggs, Waukegan, Ill.

"Six years ago I contracted a severe
cough, which settled on my lungs and
soon developed all the alarming sym-
ptoms of Consumption. I was unable to
sleep, and my weight rapidly diminished.
I was in great distress, and my friends
were all around me, and I was in great
distress. I then procured Ayer's Cherry
Pectoral, and before I had finished one
bottle, found relief, and in a few days
was enabled to take a cure was effected.

AN EDITOR'S WORK.—The editor
works 365 1-4 days per year to get out
the weekly issue of a paper, that's labor.
Once in a while somebody pays him a
year's subscription, that's capital. And
once in a while some son of a gun of a
dead beat takes the paper for a year or
two, and vanishes without paying for it;
that's anarchy. But, later on, justice
will be done, and the man who has done
this for there is a place where he will get his
deserts; that's—

ADVICE TO MOTHERS.

Are you disturbed at night and broken of your
rest by a sick child suffering and crying
with pain in the stomach and bowels?
Get a bottle of "Mrs. Winslow's Soothing Syrup"
for children teething. Its value is incalculable
to mothers who have used it. It will soothe
the poor little sufferer immediately. Depend upon it,
it will cure your child, and you will be
a mistake about it. It cures dysentery and
diarrhoea, regulates the stomach and bowels,
cures wind colic, softens the gums, reduces in-
flammation, and gives tone and energy to the
whole system. "Mrs. Winslow's Soothing Syrup"
for children teething is pleasant to the
taste, and is the prescription of one of the oldest
and best female physicians in the
United States, and is for sale by all druggists
throughout the world. Price 25 cents a bottle.
Be sure and ask for "Mrs. Winslow's Soothing
Syrup" and take no other kind.
