Constipation

Demands prompt treatment. The results of neglect may be serious. Avoid all harsh and drastic purgatives, the tendency of which is to weaken the bowels. **The best remedy is Ayer's Pills.** Being purely vegetable, their action is prompt and their effect always beneficial. They are an admirable Liver and After-dinner pill, and everywhere endorsed by the profession.

"Ayer's Pills are highly and universally spoken of by the people about here. I make daily use of them in my practice."—Dr. I. E. Fowler, Bridgeport, Conn.

"I can recommend Ayer's Pills above all others, having long proved their value as a cathartic for myself and family."—J. T. Hess, Leithsville, Pa.

"For several years Ayer's Pills have been used in my family. We find them an

Effective Remedy

for constipation and indigestion, and are not without them in the house."—Mose Grenier, Lowell, Mass.

"I have used Ayer's Pills, for liver troubles and indigestion, during many years, and have always found them prompt and efficient in their action."—L. N. Smith, Utica, N. Y.

"I suffered from constipation which assumed such an obstinate form that I feared it would cause a stoppage of the bowels. Two boxes of Ayer's Pills effected a complete cure."—D. Burke, Saco, Me.

"I have used Ayer's Pills for the past thirty years and consider them an invaluable family medicine. I know of no better remedy for liver troubles, and have always found them a prompt cure for dyspepsia."—James Quinn, 90 Middle st., Hartford, Conn.

"Having been troubled with costiveness, which seems inevitable with persons of sedentary habits, I have tried Ayer's Pills, hoping for relief. I am glad to say that they have served me better than any other medicine. I arrive at this conclusion only after a faithful trial of their merits."—Samuel T. Jones, Oak st., Boston, Mass.

DISCOVERY AND TRAINING METHOD

In spite of adulterated imitations which miss the theory, and practical results of the Original, in spite of the grossest misrepresentations by envious would-be competitors, and in spite of "base attempts to rob" him of the fruit of his labors, (all of which demonstrate the undoubted superiority and popularity of his teaching), Prof. Loisette's Art of Never Forgetting is recognized to-day in both Hemispheres as marking an Epoch in Memory Culture. His Prospectus (sent post free) gives opinions of people in all parts of the globe who have actually studied his System by correspondence, showing that his System is *used only while being studied, not afterwards; that any book can be learned in a single reading, mind-wandering cured, &c.* For Prospectus, Terms and Testimonials address

Wilmot Parish Convention.

Lakeville, 11th Nov, 1889.

Our Convention for this Parish of Wilmot met in session on Wednesday evening, Nov 6. We had quite a fair gathering and spent two hours very pleasantly and I trust to some profit. It was very easy to see that the audience was chiefly composed of our near neighbors. We had only four schools represented out of the thirteen in the parish; these were Centreville, Baptist school; the school at Good's Corner; Union school, Upper Bloomfield; and Lakeville. Some of the knowing ones say that the Sunday School fever has taken a turn, but judging from what was said by our delegates, they will very likely change their wind.

Bro. C. A. West addressed the audience for some time, showing how S. S. work was progressing, and spoke of the various organizations which were brought to bear upon it. He spoke of the mighty work that was being accomplished in the United States, and told what he had learned of the great convention at London, Eng., and held up our own Province in the sunshine of organization until he became quite laudatory over our Sunday School system. The speaker then gave a sample of his new tactics in the work showing how the schools might be interested by certain changes which he proposed, but from the scarcity of laborers would be considered rather impracticable in most of our country schools.

Bro S. E Briggs interested the Convention for a short time, his subject being General S. S. Work, speaking strongly upon the need of united prayer, and a closer study of God's word; thought that teachers and officers of schools would be greatly helped in their work by special seasons of prayer for God's blessing on their labors.

Bro. L. Sherwood gave a very good geographical blackboard lesson and for one who said he could not do much in that line, such an excuse certainly will not be accepted in future. His map of Palestine showed a hand that could use the chalk to some purpose. His illustrations brought out some good points, which made the lesson very interesting. Then followed a description of his school management, which was very simple in itself and yet very effective, as it brought a change every Sabbath: we hope that it may be adopted in many of our schools.

H T Lundon in addressing the Convention spoke principally of the school at Good's Corner, with some few general remarks about the schools he had visited as V. P.

As usual our children sung well, supported by their elder scholars.

One thing was just hinted at, not discussed, which I might tell you for the benefit of the county executive—for a change in the constitution have the president of parish convention to be V P. of county convention, might save them some trouble about who to appoint for that office.

SAFETY.

Give us a fair trial, and get the biggest bargains of your life, our bargains out bargains every bargain ever bought by bargainer's R. B. Belyea & Co.

"Man's life's a vapor full of woes,
He cuts a caper and down he goes."

Some of my long extinguished relations I am informed, composed and became famous by publishing the above truism. About the vapor it is all solid, as we hear tell of lots of people going up in smoke, I will wager $1.000 of Confederate money against a cent of P. E. Island coinage, that I have cut more capers than any man in the county, and am on deck yet. I have now a full stock of those double breasted, long eared, lantern jawed, fat P. R. Oysters, and can as usual serve them in all styles at all hours, and Beans and Brown Bread, Ham and Eggs; Beefsteak if you wish it. It is not for money we advertise; we take that so fast that we put it in the refrigerator to cool off. We have no time to talk, except about our honesty, and that is a question easily disposed of.

The steamships City of New York and Teutonic finished the most remarkable ocean race on record on the 6th. They left Queenstown at exactly the same time on Thursday of last week, and that afternoon came into New York harbor at full speed, neck and neck. The owners of both vessels claim a victory. The time was six days, six hours and fifty minutes.

To Our Subscribers.

The special announcement which appeared in our columns some time since, announcing a special arrangement with Dr. B. J. Kendall Co., of Enosburgh Falls, Vt., publishers of "A Treatise on the Horse and his Diseases," whereby our subscribers were enabled to obtain a copy of that valuable work free by sending their address (and enclosing a two cent stamp for mailing same) is renewed for a limited period. We trust all will avail themselves of the opportunity of obtaining this valuable work. To every lover of the Horse it is indispensable, as it treats in a simple manner all the diseases which afflict this noble animal. Its phenominal sale throughout the United States and Canada, make it standard authority. *Mention this paper when sending for "Treatise."*—13i-44.

An Awful Sore Limb

Skin entirely gone. Flesh a mass of disease. Leg deminished one third in size, Condition hopeless. Cured by the Cuticura Remedies in two months

Cured by Cuticura

For three years I was almost crippled with an awful sore leg from my knee down to the ankle; the skin was entirely gone and the flesh was one mass of disease. Some physicians pronounced it incurable. It had diminished about one third the size of the other, and I was in a hopeless condition After trying all kinds of remedies and spending hundreds of dollars, from which I got no relief whatever, I was persuaded to try your CUTICURA REMEDIES, and the result was as follows After three days I noticed a decided change for the better, and at the end of two months I was completely cured. My flesh was purified, and the bone (which had been exposed for nearly a year) got sound The flesh began to grow, and to-day, and for nearly two years past, my leg is as well as ever it was, sound in every respect, and not a sign of the disease to be seen. Skin Disease 17 Years

I have been troubled with skin and scalp disease for seventeen years. My head at times was one running sore, and my body was covered with them as large as a half dollar. I feel it my duty to you and the public to state the above case. L R. McDOWELL, Jamesburg, N. J.
