Cough medicines, Ayer's Cherry Pectoral is in greater demand than ever. No preparation for Throat and Lung Troubles is so prompt in its effects, so agreeable to the taste, and so widely known, as this. It is the family medi-

cine in thousands of households "I have suffered for years from a bronchial trouble that, whenever I take cold or am exposed to inclement weathcold or am exposed to inclement weather, shows itself by a very annoying tickling sensation in the throat and by difficulty in breathing. I have tried a great many remedies, but none does so well as Ayer's Cherry Pectoral which always gives prompt relief in returns of my old complaint."—Bruest A. Hepler, Inspector of Public Roads, Parish Terre Bonne, La

"I consider Ayer's Cherry Pectoral a most important remedy

For Home Use.

I have tested its curative power, in my family, many times during the past thirty years, and have never known it to fail. It will relieve the most serious affections of the throat and lungs, whether in children or adults."—Mrs. E. G. Edgerly, Council Bluffs, Iowa. "Twenty years ago I was troubled with a disease of the lungs. Doctors afforded me no relief and considered my case hopeless. I then began to use Ayer's Cherry Pectoral, and, before I had finished one bottle, found relief. I continued to take this medicine until a cure was effected. I believe that Ayer's Chevry Pectoral saved my life."—Samuel Griggs, Waukegan, Ill.

Samuel Griggs, Waukegan, Ill.

"Six years ago I contracted a severe cold, which settled on my lungs and soon developed all the alarming symptoms of Consumption. I had a cough, night sweats, bleeding of the lungs, pains in chest and sides, and was so prostrated as to be confined to my bed most of the time. After trying various prescriptions, without benefit, my physician finally determined to give me Ayer's Cherry Pectoral. I took it, and the effect was magical. I seemed to rally from the first dose of this medicine, and, after using only three bottles, am as well and sound as ever."

A Caution. DEAR EDITORS SENTINEL,-I have received many enquiries as to the chance of success, for men of little or no means, here on the spast. And if you will kindly allow me a little space in your paper in reply, I would say to all: I have looked the country over from B. C. to California and I find it overrun with men without means and work. And I would advise all to stick to New

Brunswick unless they have capital to start and make work for themselves. FLORENCEVILLE. Vancouver, W. T., June 10, 1889.
