The Favorite

Medicine for Throat and Lung Difficulties has long been, and still is, Ayer's Cherry Pectoral. It cures **Croup, Whooping Cough, Bronchitis,** and **Asthma**; soothes irritation of the **Larynx** and **Fauces**; strengthens the **Vocal Organs**; allays soreness of the **Lungs**; prevents **Consumption,** and, even in advanced stages of that disease, relieves Coughing and induces Sleep. There is no other preparation for diseases of the throat and lungs to be compared with this remedy.

"My wife had a distressing cough, with pains in the side and breast. We tried various medicines, but none did her any good until I got a bottle of Ayer's Cherry Pectoral, which has cured her. A neighbor, Mrs. Glenn, had the measles, and the cough was relieved by the use of Ayer's Cherry Pectoral. I have no hesitation in recommending this

Cough Medicine

to every one afflicted."—Robert Horton, Foreman *Headlight*, Morrillton, Ark.

"I have been afflicted with asthma for forty years. Last spring I was taken with a violent cough, which threatened to terminate my days. Every one pronounced me in consumption. I determined to try Ayer's Cherry Pectoral. Its effects were magical. I was immediately relieved and continued to improve until entirely recovered."—Joel Bullard, Guilford, Conn.

"Six months ago I had a severe hemorrhage of the lungs, brought on by an incessant cough which deprived me of sleep and rest. I tried various remedies, but obtained no relief until I began to take Ayer's Cherry Pectoral. A few bottles of this medicine cured me." Mrs. E. Coburn, 19 Second st., Lowell, Mass.

"For children afflicted with colds, coughs, sore throat, or croup, I do not know of any remedy which will give more speedy relief than Ayer's Cherry Pectoral. I have found it, also, invaluable in cases of Whooping Cough."—Ann Lovejoy, 1257 Washington street, Boston, Mass.

LAST CHANCE!

This is the last chance this season to get nice, new, fresh Flour, ground from OLD WHITE WINTER WHEAT, as flour ground from NEW WHEAT will not give good satisfaction till about the 1st Dec.

It is the general experience of women, that flour during the Autumn months, is what they term runny and dark in the color; this is owing to the flour being ground from new wheat.

I have secured a choice lot of "Crown of Gold" and "Star" flour in barrels and half barrels shipped at the mill the 25th July and has just arrived, which I will sell at a small advance on Cost

—ALSO A GOOD SUPPLY OF—

Sugar, Salt, Cornmeal, Oatmeal Graham Flour, Tea, Coffee, Spices, Soda, Starch, Canned Goods, Tapioca, Maccaroni, Broma, Chocolate, Cocoa, Gelatine, Desiccated Cocoanut, Corn Starch, Pickles in barrels and bottles, Worcester Sauce, North of England Sauce, Ketchup, Horse-Radish, etc.

Miscellaneous.

JOHNNY'S MARTYRDOM.—Little Johnny went to a party and feasted mightily on the good things provided. Then he paused and didn't look well. Said the kind host:—

"You don't get on, Johnny"

"Stomach aches."

"Then hadn't you better go home, Johnny?"

"No, he'll have to ache a good deal more afore I've done with him!"

De Caneau—I have to mention an unpleasant matter, Miss Humane. I heard you called me a brute when you saw me whipping my horses the other day.

Miss Humane—That must have been a mistake.

De Caneau—Then you didn't say it?

Miss Humane—No, indeed. I think too much of the brute creation to do it such an injustice.

ADVICE TO MOTHERS.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of "MRS. WINSLOW'S SOOTHING SYRUP" for children teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures dysentery and diarrhœa, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. "MRS. WINSLOW'S SOOTHING SYRUP" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle. Be sure and ask for "MRS. WINSLOW'S SOOTHING SYRUP" and take no other kind.

Conductor—Excuse me, madam, but I shall have to ask you for a ticket for that boy. I think he's over 5 years old.

General Atom (with dignity)—Sir, can't you tell a man when you see him? Here are the tickets for myself and wife, sir." (Conductor totters feebly on into the next car.)

C. C. RICHARDS & Co.

Sirs,—I was formerly a resident of Port La Tour and have always used MINARD'S LINIMENT in my household, and know it to be the best remedy for emergencies of ordinary character. Please inform me how I can get some and from whom.

JOSEPH A. SNOW.

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 149, *Powder's Block, Rochester, N. Y.*

Dude—You have been looking straight at me for the last five minutes. What is it?

Farmer — That's just what I was wondering.

Don't

let that cold of yours run on. You think it is a light thing. But it may run into catarrh. Or into pneumonia. Or consumption.

Catarrh is disgusting. Pneumonia is dangerous. Consumption is death itself.

The breathing apparatus must be kept clear of all obstructions and offensive matter. Otherwise there is trouble ahead.

All the diseases of these parts, head, nose, throat, bronchial tubes and lungs, can be delightfully and entirely cured by the use of Boschee's German Syrup. If you don't know this already, thousands and thousands of people can tell you. They have been cured by it, and "know how it is themselves." Bottle only 75 cents. Ask any druggist.

The fashion papers now have a department devoted to ladies' pet dogs, which, we are informed, will be worn larger next season than last, including setters, greyhounds and collies.

"Gift Enterprises"

seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting *something* out of *nothing*, if possible. Grocers get 6 boxes for 5 of some kinds, and are offered all sorts of "Nick Nacks" with others, as an inducement to recommend such soaps to their trade.

It is a well known fact, however, that a genuine article in this day of competition pays no fancy profits. WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

"Bromley, I hear you are going to housekeeping?"

"Yes, Darringer."

"What have you got towards it?"

"A wife."

From Ocean to Ocean,

Fishermen and miners in Nova Scotia, mechanics and farmers in Ontario and Quebec, hunters and trappers in the Territories, and gold miners in British Columbia, use and praise Hagyard's Yellow Oil, the great internal and external remedy for all pain. It cures rheumatism, neuralgia, sore throat and croup, and is the reliance of thousands.

"You look so much like your brother," said Dennis to Phelim, "that I could tell ye were brothers if I'd never seen either of ye."

"I was Suffering,"

Says S. S. Shewfelt, of Kingsley, Man., "from weakness and loss of appetite, with a severe headache, and could scarcely walk. My first bottle of Burdock Blood Bitters enabled me to walk about the house, and when I had taken the second bottle I found myself entirely cured.

Mr. McCorkle was showing some visitors over the house. Arriving at the nursery, he remarked: "This, gentlemen, is the bawlroom."

Quick Time—48 Hours.

"I always use Hagyard's Pectoral Balsam for colds and it cannot be beaten. It has always cured me within 48 hours, which no other medicine will do, and I always keep a bottle by me." These words from Chester Miller, Lieury, Ont, prove the efficacy of a popular preparation.

Mrs. Smilk—Are you going to your friend Mrs. Blank's funeral to-morrow?

Mrs. Nubbs—Certainly not; she owed me a call.

"I know 'tis a sin to
But I'm bent on the notion,
I'll throw myself into
The deep, briny ocean,"

is the mental exclamation of many a sufferer from headache, indigestion, constipation, torpid liver, etc. The use of Dr. Pierce's Pleasant Pellets, however, would transform these unfortunates, and cause them to sing—

But my spirit shall wander
Through gay coral bowers,
And frisk with the mermaids,
It shall, by the powers!

"I wasn't exactly mad about it," said Sithersby, discussing his ejection from a theatre, "but I was somewhat put out."

In the Spring the average housewife
Tears the household upside down,
While she scolds and bangs and bustles,
Wearing all the while a frown
And the poor, dejected husband,
Filled with terror and dismay,
Fearing to approach the front door,
Sneaks around the other way.

In verse he used to tell his love,
And wrote her many sonnets.
But now, instead, he writes her cheques
To pay for new Spring bonnets.

Mamma (to her little boy) "Now, Bennie, if you'll be good and go to sleep, mamma'll give you one of Dr. Ayer's nice sugar-coated Cathartic Pills, next time you need medicine." Bennie, smiling sweetly, dropped off to sleep at once.

The rooster is a budding flower,
A highly colored thing,
About the garden, in the fields—
The crow cuss of the Spring.

CATARRH, CATARRHAL DEAFNESS, HAY FEVER.

A New Home Treatment.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved this for a fact, and the result is that a simple remedy has been formulated whereby catarrh, catarrhal deafness and hay fever are permanently cured in from one to three simple applications made at home by the patient once in two week. N. N.—For catarrhal discharges peculiar to females (whites) this remedy is a specific. A pamphlet explaining this new treatment is sent on receipt of ten cents by A. H. DIXON & SON, 303 West King St., Toronto, Canada.—*Scientific American*
