Cough medicines, Ayer's Cherry Pectoral is in greater demand than ever. No preparation for Throat and Lung Troubles is so prompt in its effects, so agreeable to the taste, and so widely known, as this. It is the family medicine in thousands of households. "I have suffered for years from a bronchial trouble that, whenever I take cold or am exposed to inclement weather, shows itself by a very annoying tickling sensation in the throat and by difficulty in breathing. I have tried a great many remedies, but none does so well as Ayer's Cherry Pectoral which always gives prompt relief in returns of vold complaint."—Ernest A. Hepler, hispector of Public Roads, Parish Terre Bonne, La

"I consider Ayer's Cherry Pectoral a most important remedy For Home Use.

re Bonne, La.

I have tested its curative power, in my family, many times during the past thirty years, and have never known it to fail. It will relieve the most serious affections of the throat and lungs, when I in children or adults." — Mrs. E. G. Lagerly, Council Blufts, Iowa. "Twenty years ago I was troubled with a disease of the lungs. Doctors afforded me no relief and considered my case hopeless. I then began to use Ayer's Cherry Pectoral, and, before I had finished one bottle, found relief. I continued to take this medicine until a cure was effected. I believe that Ayer's Cherry Pectoral saved my life."—San Griggs, Waukegan, Ill.

ars ago I contracted a severe ch settled on my lungs and soon developed all the alarming symptoms of Consumption. I had a cough, night sweats, bleeding of the lungs, pains in chest and sides, and was so prostrated as to be confined to rostrated as to be confined to my most of the time. After trying various prescriptions, without benefit, my physician finally determined to give me Ayer's Cherry Pectoral. I took it. and the effect was magical. I seemed to rally from the first dose of this medicine, and, after using only three bottles, am as well and sound as ever."

I am a resident of Bloomfield, Carleton Co I take the SENTINEL, pay for it, and then I can read it with pleasure, when I know I do t owe the printers. As it is a thriving place, the people have not been asleep all the while since the fire on June 19th. The burned district is now quite well adorned with two fine two-story houses, one put up by Mr. H. Stokoe, the other by Mr. S. Briggs, of upper Bloomfield, which add greatly to the appearance of the burnt corner. Then Mr. B. P. Dunn is preparing for a fine residence, having the cellar wall laid ready to go forward with the building when the spring opens.

building when the spring opens. The people generally have gathered in a fine harvest, and done an immense deal of fine harvest, and done an immense deal of ploughing preparatory for the spring. So I am not inclined to think the people asleep or indolent, but I was thinking there must be something the matter by not eceing any items for such a length of time from Bloomfield; this accounts for the neglect. They have been so hard at work during the fine fall meather. Many persons have told me they

Dooks, Bibles, infant six months old was attacked with a virulent, malignant skin disease. All ordinary remedies failing, we called our family physician, who attempted to cure it; but it spread with almost incredible rapidity, until the lower portion of the little fellow's person, from the middle of his back down to his knees, was one solid rash, ugly, painful, blotched, and malicions. We had no rest at night, no peace by day. Finally, we were advised to try the Curioura Remedies. The effect was simply marvellous. In three or four weeks a complete cure was wrought, leaving the little fellow's person as white and healthy as though he had never been attacked. In my opinion, your valuable remedies saved his lite, and to-day he is a strong, healthy child, perfectly well, no repetition of the disease having ever occurred.

all over his body in small red blotches, with a dry white scab on them. Last year he was worse than ever, being covered with scabs from the top of his head to his feet, and continually growing worse, although he had been treated by two physicians. As a last resort, I determined to try the CUTICURA REMEDIES, and am happy to say they did all that I could wish. Using them according to directions, the humor rapidly disappeared, leaving the skin fair and smooth, and performing a thorough cure. The CUTICURA REMEDIES are all you claim for them.
