

Beauty

Is desired and admired by all. Among the things which may best be done to enhance personal beauty is the daily use of Ayer's Hair Vigor. No matter what the color of the hair, using this preparation gives it a lustrous and healthy appearance, adds greatly to its charm. Should the hair be thin, harsh, dry, or turning gray, Ayer's Hair Vigor will restore the color, bring out a new growth, and render the old soft and shiny. For keeping the scalp clean, cool, and healthy, there is no better preparation in the market.

"I am free to confess that a trial of Ayer's Hair Vigor has convinced me that it is a genuine article. Its use has not only caused the hair of my wife and daughter to be abundant and glossy, but it has given my rather stunted mustache a respectable length and appearance."—R. Britton, Oakland, Ohio.

"My hair was coming out (without any assistance from my wife, either). I tried Ayer's Hair Vigor, using only one bottle, and I now have as fine a head of hair as any one could wish for."—R. T. Schmitt, Dickinson, Tenn.

"I have used Ayer's Hair Vigor in my family for a number of years, and regard it as the best hair preparation I know of. It keeps the scalp clean, the hair soft and lively, and preserves the original color. My wife has used it for a long time with most satisfactory results."—Benjamin M. Johnson, M.D., Thomas Hill, Mo.

"My hair was becoming harsh and dry, but after using half a bottle of Ayer's Hair Vigor it grew black and glossy. I cannot express my joy and gratitude."—Mabel C. Hardy, Delavan, Ill.

Willmot Parish S. S. Convention.

The Sabbath School Convention at Willmot Parish will be held in the Orange Hall, Lakeville, on Wednesday, Oct. 30th, at 7 p. m.

As Sabbath School work is apparently on the wane in our Parish, let all workers shake off dull sloth and attend our meeting, and see if it cannot be made a memorable one.

Communicated.

The Baptist Quarterly Meeting.

To the Editors of the Carleton Sentinel:

The Free Baptist Quarterly session was held with the church at Campbell Settlement, on the 5th, 6th, and 7th insts.

Friday evening, 7 p. m., preaching by Rev. M. P. Oser. Saturday, 10 a. m., conference meeting, at which a large number reported the progress made in the quarter and their determination, if possible, to be more consecrated to the cause of Christ. Seven p. m., preaching by Rev. G. E. Oser, and Communion service at the close, at which some fifty per cent of the emblems and a good season was enjoyed. 7 p. m., preaching by Rev. O. H. Oser.

There was also preaching at the Round Top meeting house below the creek, conducted by several of the brethren.

Morning, 8 a. m., met in business session; Rev. M. P. Oser was appointed chairman and Rev. O. H. Oser clerk. The committee appointed by General Conference to visit Bro. G. O. Curtis, presented a report which was read and adopted. By a vote of the quarterly meeting it was resolved to withdraw fellowship from Bro. G. O. Curtis as a minister, and to notify the churches of this act. The cause of this separation is on account of his teaching doctrines that are people do not believe.

Brother M. P. Oser and S. W. Benson, were appointed to attend the yearly meeting of the Free Baptists of Nova Scotia, October 12th. The meeting adjourned to meet in quarterly session in January, 1890.

10 a. m., preaching by S. W. Benson on the immortality of the soul and our conscious future, which was strongly supported by preachers and people. At the close of the meeting one sister came forward for prayer. 7 p. m., preaching by Rev. C. H. Oser; at the close of the meeting a vote of thanks was tendered by Rev. G. E. Oser to the church and friends for their kindness and hospitality in providing for the quarterly meeting.

The meetings continued through the week, and the cause was very much revived and a number of sinners happily converted to God, as a result of the visit of the quarterly meeting. Devils C. H. Oser, G. A. Gibson, David Brooks and Licentiate Herbert Brown remained and continued the meetings through the week and over the Sabbath, with good success.

A new church has been organized in Waterville, York County, recently, by Brother Brooks, comprising 125 members, and the interest is growing and extending into other districts, and we hope, with the blessing of God, to swell our numbers by hundreds in the year. There have been forty baptisms in the quarter and about that many added by letter or otherwise to the church. This cause is not ours, but we have something to do with its prosperity and advancement, and we pray God that our churches will wake up to the reality of their mission, so that our numbers will be given that hearty support which will out them loose from the things of this world and enable them to devote all their time to laboring for our beloved Christ and His cause, which will result in the building up of our churches in the salvation of sinners. C. H. OSER.

FREDERICKTON TOPICS.

Frederickton, Oct. 16, 1889.

The Frederickton Association Park was the scene of some very good racing last Wednesday afternoon. The track was in excellent condition but the number of spectators was not as large as anticipated.

The horse "Speculation," driven by its owner, Geo. Carrill of St. John, won the race in 2:40 class. Time, 2:43. The stake was for foals of 1887 was won in two straight heats by "Bessie Clay," owned by Sheriff Sterling of this city. Time, 2:54 and 2:57. In the running race "Bijou," owned by N. A. LeForest of Fredericton, succeeded in coming in first. Time, 1:05.

Mr. John McLaughlin while working in his field near Nashwaak, on Saturday last was suddenly confronted by a bear of a prodigious size; but not in the least intimidated Mr. McLaughlin discharged a shot at the animal's head with such good effect that he succeeded in knocking him over, subsequently despatching him with an axe.

The seven candidates for admission as students, all passed the examination satisfactorily, and with one exception those applying for admission as students were also successful.

Mr. Samuel Owens' dry goods store was burglarized last Tuesday night but comparatively little was extracted, as the intruders were evidently looking for cash.

The topic of conversation for the past 8 or 10 days has been the St. John poisoning case and the daily Sun and Telegraph are yet eagerly "grabbed up" and perused with lightening rapidity. In fact the issues, lately, are unequal to the demand, and the interest taken in the case here is still unabated.

It is understood that the Miramichi lumbermen have decided that it is impossible for the present Government to reduce the rate of stumpage and have accordingly determined to relinquish all hopes in that direction. They have made another proposition to the Government, however, which includes an extension of existing leases, expenditure on certain streams, and a return of mileage. It is not known whether the Government will accede or not but in all probability satisfactory settlement will be adjusted.

Hon. Mr. Turner has resigned his membership to the executive council and his resignation has been accepted. His successor, it is understood, will be Mr. O. J. LeBlanc, M. P. for Kent Co. This arrangement will secure to the French people of the Province a representative in the government, which, since Mr. Landry's retirement, they have not had.

The Victoria mill, situated a short distance below town, formerly owned by Simmons & Burpee, will be sold at auction on Nov. 1st.

It is thought that the Supreme Court will reach the Scott Act appeal cases this term. A dwelling house at Woodstock, owned by Millidge Grant, was totally destroyed by fire Saturday night. Insurance, \$200.

Rev. Dr. Robertson, superintendent of missionary work in the Northwest Territory, will address a meeting in St. Paul's church, Friday evening.

Miss Williams, a Fredericton girl, recently appointed a captain in the Salvation Army, fared well at the barracks Sunday evening. Capt. Knowlsey, who has been recruiting here for some time past also fared well the same evening.

Three dogs killed 52 sheep and fearfully lacerated about a dozen more in Messrs. Cameron and McArthur's sheep pasture (located at the upper end of town) one night last week. Two of the canines have made a name for the fence with their lives, and O. F. Roberts is on the track of the other one for which the same fate is in store.

Mr. Wm. A. Clark, for a long time in the Boot and Shoe business, in this city, died at the residence of his son-in-law, Mr. Geo. I. Simmons, on Sunday afternoon.

Mr. Sturges A. Thomas, brother of Mr. Danthon Thomas, alias-bus-keeper, died at his residence in the Northwest Territory, after a lingering illness. The funeral is being held this afternoon.

Mr. Louis H. Parsons of H. M. Shipley ladies, cousin of Messrs. Wm. and P. Boyl, Cooper of this city was town last week on a short vacation. His novel uniform attracted considerable attention, and it was exceedingly ludicrous to witness the amusement of some of the "youngsters," who had never before seen such a peculiar costume.

A respected citizen of Lincoln, named Samuel Hylward, recently dropped dead in his field while ploughing.

Mr. N. W. Brown, who has been travelling through the Province during the summer lecturing, and organizing lodges of the "Sons of Temperance," has returned to the city to resume his studies at the University.

Rev. Mr. Goslin, a young man quite recently ordained, occupied the pulpit of the F. C. Baptist church last Sunday evening, very acceptably.

Miss Francis Everett has been successful in winning the York County scholarship, awarded by the University faculty.

Capt. Bell, of the St. John Base Ball Club, was entertained at supper Monday evening by his friends of this city. Mr. Bell was also the recipient of a gold watch.

Mr. John Y. Miller, of the Pokiok extract works, is in the city.

We are pleased to say that Mr. Geo. Belmain is recovering from his recent illness; typhoid fever being the malady with which he was afflicted.

Mr. Chas. Shields anticipates taking a trip to Woodstock on Saturday.

The weather the past few days has been delightful and the streets now present a fine appearance.

Skins on Fire

Agonizing itching, burning, and bleeding Eczema in its worst stages. A rare sore from head to foot. Hair gone. Doctors and hospitals fail. Tried everything. Cured by the Cuticura Remedies for \$5.

Cured by Cuticura

I am cured of a troublesome disease, eczema, in its worst stage. I tried different doctors and been through the hospital, but all to no purpose. The disease covered my whole body from the top of my head to the soles of my feet. My hair all came out. Some doctors thought it might be scabies, and after using three bottles of CUTICURA Remedies, with CUTICURA and CUTICURA SOAP, I find myself cured at the cost of about \$5. I would not have been able to work, and I think they are the only skin and blood medicine.

ISAAC H. GERMAN, Waterbury, N. Y.

Burning and Itching

I was sick in the fall of 1888 with a burning and itching so bad that in three weeks I was covered with a rash, and could not sleep nights or work days. Some doctors thought it might be scabies (eczema), and said they had never seen anything like it before. I received no help from any of them, or from any medicine that I could get hold of until I tried your CUTICURA Remedies. After three weeks I was able to work, and I kept getting better until I am now entirely cured. I recommend them to all sufferers from skin diseases.

C. E. OSMER, Trustraville, Vt.

Most Intense Itching

I have used the CUTICURA Remedies successfully for my baby, who was afflicted with eczema, and had such intense itching that he got no rest day or night. The itching began, and my baby is cured, and is now a healthy rosy-cheeked boy.
