Cough medicines, Ayer's Cherry Pectoral is in greater demand than ever. No preparation for Throat and Lung Troubles is so prompt in its effects, so agreeable to the taste, and so widely known, as this. It is the family medicine in thousands of households "I have suffered for years from a bronchial trouble that, whenever I take cold or am exposed to inclement weather, shows itself by a very annoying tickling sensation in the throat and by difficulty in breathing. I have tried a great many remedies, but none does so well as Ayer's Cherry Pectoral which always gives prompt relief in returns of my old complaint."—Ernest A. Hepler, Inspector of Public Roads, Parish Terres Bonne, La

"I consider Ayer's Cherry Pectoral a most important remedy

For Home Use. I have tested its curative power, in my mily, many times during the past ty years, and have never known it rail. It will relieve the most serious affections of the throat and lungs, whether in children or adults."—Mrs. E. G. Edgerly, Council Bluffs, Iowa. "Twenty years ago I was troubled with a disease of the lungs. Doctors afforded me no relief and considered my case hopeless. I then began to use Ayer's Cherry Pectoral, and, before I had finished one bottle, found relief. I continued to take this medicine until a cure was effected. I believe that Ayer's Cherry Pectoral saved my life."—Samuel Griggs, Waukegan, Ill. old, which settled on my lungs and

soon developed all the alarming symptoms of Consumption. I had a cough, night sweats, bleeding of the lungs, pains in chest and sides, and was so prostrated as to be confined to my bed most of the time. After trying various prescriptions, without benefit, my physician finally determined to give me Ayer's Cherry Pectoral. I took it and the effect was magical. I seemed to rally from the first dose of this medicine, and, after using only three bottles, am as well and sound as ever."

August 25-The Anointing of David-1 Sam.

A session of the Richmond Sunday School Convention was held as advertised, in the Methodist Church, on Tuesday evening, the 13th inst., at 7 30. There was quite a number present, including several from the State of Maine. The President, Mr. Harvey, conducted the meeting. which was opened by singing the 688th hymn, Miss Mable McBride leading the choir as organist. Then followed a short prayer by Rev. K. McKay, calling down God's blessing on the work done. After another bymn was sung, Mr. Mc Kay took the stand and showed how young men

could be brought to and kept in the S.S. I can only give you a synopsis of the speeches: The speaker said that one of the reasons so many cf our young men were running wild through the fields and woods on the Sabbath Day, was the non-attendance of their parents at the Sunday School. This was one of the saddest features tobe met with. Parents should take their places beside the children in the school. It was quite easy to catch boys in the morning of their lives, but in the afternoon they would have to be lasscoed, and in the evening would have to be shot. Open Front Dress Shirts. A great responsibility rested with the officers of the S. S. in making the lessons bright and attractive, and teachers must be alive to the importance of their work. They must trace out a natural and intelligent line for questioning, grounding the pupils in the truths of Christianity. The teacher must be intelligent, and have his heart in his work. The cateshuman are not to be shot.

After more music, Rev. Mr. Baker took up the second part, "The Literature necessary for a well conducted Sabbath School." He said AT \$1.00, IS WITHOUT A DOUBT THE everyone should acquire knowledge by cultivating a taste for reading good and wholesome litbooks or helps can supply the place of the Bible in a S. S; they may be used to explain what is the true meaning taught in the lesson; much may be done with books in this way, but nothing could supply the place of the Sacred Volume.

After another hymn, Mr. C. flin being absent,
Mr. John Crawford of Maine was called on to tell

"How to get parents to take proper interest in the
Sabbath Schools" He began by reciting the outlines of what is taught in the Pentsteuch, or the five Books of Moses, from the beginning of the world to the arrival of the leraelies in the promised land, covering a space of 2,552 years, dwelling particularly on the life of Abraham the

The first was in the case of a boy a year and a half old.—His face and body were in a terrible condition. the former being completely covered with sores. I took him to the Massena Sulphur Springs, but he did not improve any. I was then advised to try the CUTICURA REMEDIES, which I did. He took one and one half bottles of CUTICURA RESOLUTIONARY RESOLUTIO VENT, when his skin was as smooth as could be, and is to-day. I used the CUTICURA on his sores and the CUTICURA Soap in washing him. He is now five years of age, and all right. The other case was a disease of the scalp, which was cured by washing with the CUTICURA SOAP and rubbing in the CUTICURA, one bottle of CUTICURA RESOLVENT being used. They have proved successful in every case where I have advised the use of them. It is surprising how rapidly a child will improve under their treatment. WE have added to our stock of Nails a full line of STEEL WIRE NAILS We particularly call the attention of the Carpenters and Builders to the fact that

Wire Nails are 50 per cent. more to the pound than the corresponding size of Cut Nails

They do not destroy the fibre of the wood as Cut Nails do; will not break in driving nor split the wood; will finish work better and stronger; are FAR CHEAPER THAN CUT NAILS, being more to the pound, and a carpenter can do far more work in a day with Steel Wire Nails than he can with the ordinary Cut These Nails are being used exclusively in the States and Canada at the present time.
