Long-Standing

Blood Diseases are cured by the persevering use of Ayer's Sarsaparilla.

This medicine is an Alterative, and causes a radical change in the system. The process, in some cases, may not be quite so rapid as in others; but, with persistence, the result is certain. Read these testimonials:—

"For two years I suffered from a severe pain in my right side, and had other troubles caused by a torpid liver and dyspepsia. After giving several medicines a fair trial without a cure, I began to take Ayer's Sarsaparilla. I was greatly benefited by the first bottle, and after taking five bottles I was completely cured."—John W. Benson, 70 Lawrence st., Lowell, Mass.

Last May a large carbuncle broke out on my arm. The usual remedies had no effect and I was confined to my bed for eight weeks. A friend induced me to try Ayer's Sarsaparilla. Less than three bottles healed the sore. In all my experience with medicine, I never saw more

Wonderful Results.

Another marked effect of the use of this medicine was the strengthening of my sight."—Mrs. Carrie Adams, Holly Springs, Texas.

"I had a dry scaly humor for years, and suffered terribly; and, as my brother and sister were similarly afflicted, I presume the malady is hereditary. Last winter, Dr. Tyron, (of Fernandina, Fla.,) recommended me to take Ayer's Sarsaparilla, and continue it for a year. For five months I took it daily. I have not had a blemish upon my body for the last three months."—T. E. Wiley, 145 Chambers st., New York City.

"Last fall and winter I was troubled with a dull, heavy pain in my side. I did not notice it much at first, but it gradually grew worse until it became almost unbearable. During the latter part of this time, disorders of the stomach and liver increased my troubles. I began taking Ayer's Sarsaparilla, and, after faithfully continuing the use of this medicine for some months, the pain disappeared and I was completely cured."—Mrs. Augusta A. Furbush, Haverhill, Mass.

LAST CHANCE!

This is the last chance this season to get nice, new, fresh Flour, ground from OLD WHITE WINTER WHEAT, as flour ground from NEW WHEAT will not give good satisfaction till about the 1st Dec.

It is the general experience of women, that flour during the Autumn months, is what they term runny and dark in the color; this is owing to the flour being ground from new wheat.

I have secured a choice lot of "Crown of Gold" and "Star" flour in barrels and half barrels shipped at the mill the 25th July and has just arrived, which I will sell at a small advance on Cost

—ALSO A GOOD SUPPLY OF—

Sugar, Salt, Cornmeal, Oatmeal Graham Flour, Tea, Coffee, Spices, Soda, Starch, Canned Goods, Tapioca, Maccaroni, Broma, Chocolate, Cocoa, Gelatine, Desiccated Cocoanut, Corn Starch, Pickles in barrels and bottles, Worcester Sauce, North of England Sauce, Ketchup, Horse-Radish, etc.

Miscellaneous.

SHE GOT IT.—They were sitting on the piazza that faced the sea, watching the white-sailed yachts as they crossed the moon's track, when he suddenly said:

"I think it must be delightful sailing on such a lovely night."

"Oh, lovely, I should think."

"I wish I owned one for your sake. I would take you sailing every night."

"That would be just lovely!"

"What kind of a yacht would you prefer—a steam yacht or a sailing one?"

"I think," she murmured, as she glanced around, "I'd just as lief have a little smack."

She got it.

ADVICE TO MOTHERS.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of "MRS. WINSLOW'S SOOTHING SYRUP" for children teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures dysentery and diarrhœa, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. "MRS. WINSLOW'S SOOTHING SYRUP" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle. Be sure and ask for "MRS. WINSLOW'S SOOTHING SYRUP" and take no other kind.

THE IRREPRESSIBLE PAT.—At a meeting called to support the candidature of an aspirant to parliamentary honors, the chairman, who was very Irish, in putting the usual motion that "Mr. So-and-So is a fit and proper person," etc., did so in the following original manner:—

"Now, then," began he, "ivery wan av ye uz thinks uz Mister O'Flanagan is a roight and proper man to reprisint this meetin' in Parliament hold up yerz roight 'and, ye uz says contrary wise stick up yerz left' and; ye uz remains nootral hold up both 'ands ut wance. Now, then, all together!"

C. C. RICHARDS & Co.

Gents,—I have used your MINARD'S LINIMENT in my family for some years and believe it the best medicine in the market as it does all it is recommended to do.

DANIEL KIERSTEAD.

Canaan Forks, N. B.

John Mader, Mahone Bay, informs us that he was cured of a very serious attack of rheumatism by using MINARD'S LINIMENT.

AUNTY WAS SLIGHTLY OFF—Miss Gazeaway—He's the dearest, loveliest, handsomest fellow you ever saw, and I'm going to get him or perish in the attempt.

Aunt—Aren't you ashamed, Margaret, to throw yourself at a man in that fashion?

Miss Gazeaway—It's funny, Aunty, you're always thinking about men. I was referring to a St. Bernard puppy I saw yesterday.

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 149, *Powder's Block, Rochester, N. Y.*

A THOUGHTFUL BOY.—A brave little boy found a broken sleeper on the railway line, and, perceiving the peril in which the train would be placed if it should come dashing past without warning, sat out on the bank for five long hours in order that he might carry the first news of the accident to his father, who is a local correspondent of a paper published in the neighboring town.

What Am I to Do?

The symptoms of Biliousness are unhappily but too well known. They differ in different individuals to some extent. A Bilious man is seldom a breakfast eater. Too frequently, alas, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, at all events.

The digestive system is wholly out of order and Diarrhœa or Constipation may be a symptom or the two may alternate. There are often Hemorrhoids or even loss of blood. There may be gid diness and often headache and acidity or flatulence and tenderness in the pit of the stomach. To correct all this if not effect a cure try *Green's August Flower*, it costs but a trifle and thousands attest its efficacy.

Auntie—I suppose you are a good little Christian boy, Bobby, of course?

Bobby [dubiously]—Well, I don't know. Willie Waffles is a Christian boy and I wouldn't like to be like him.

Auntie—What's the matter with Willie?

Bobby—Every boy half his age in school can lick him.

Curability of Consumption.

This has been a vexed question among physicians, opinions even in the same school, being strangely divergent. Of this, however, the public are convinced: it is a terribly prevalent disease, and the average doctor meets with but scant success in treating it. Consumption is in reality scrofula of the lungs, and is liable to attack any whose blood is tainted. For driving out the scrofulous humors, and thus removing the predisposing cause, Dr. Pierce's Golden Medical Discovery is a sovereign remedy. It purifies bad blood, heals scrofulous ulcers, and, whatever difference of opinion exists as to curing advanced cases of consumption, it remains that many pronounced "incurable" have been by it brought back from the brink of the grave to restored health and vigor.

Nickleby—That's a strange pair of scales you have there. I suppose they are of the Ambuscade kind.

Grocer—Ambuscade! What is that?

Nickleby—Why, they lie in weight, as it were.

Female Beauty.

It is fortunate that all men do not have the same taste in female beauty, for otherwise they would all fall in love with the same woman, which would be awkward. Although the preferences of men for different style of form and feature vary greatly it is, undoubtedly, a fact that an appearance indicative of health is pleasing to all alike A woman may be without regular features yet, if healthy, she will be beautiful to someone and pleasing to all. A sallow complexion, a dull eye, a system debilitated by unnatural discharges; in short, all the ills attendant upon the irregularities and "weaknesses" peculiar to the sex, can be banished by the use of Dr. Pierce's Favorite Prescription. Ask your druggist.

He [enthusiastically]—I love everything that is grand, beautiful, poetic and lovely. I love the peerless, the serene and the perfect in life.

She—How you must love me, darling; why did you not propose before?

Crowned or Uncrowned.

The head of anyone suffering from constipation, biliousness or dyspepsia will harbor a sick headache. By regulating the bowels, arousing the torpid liver, improving digestion and purifying the blood Burdock Blood Bitters banishes sick headache, no matter how severe or obstinate it may be.

"I hear that Harry has left his wife. What was the matter, I wonder? Could he not support her?"

"No, she was insupportable."

"You'll never die of consumption, John," said a wife to her husband when he came home at a late hour a little the worse for wear.

"I won't die of consumption. What makes you think so?"

"Because your lungs are sound."

"How do you know?"

"How do I know? Because your breath is so strong."

"Gift Enterprises"

seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting *something* out of *nothing*, if possible. Grocers get 6 boxes for 5 of some kinds, and are offered all sorts of "Nick Nacks" with others, as an inducement to recommend such soaps to their trade.

It is a well known fact, however, that a genuine article in this day of competition pays no fancy profits. WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

Snawbah—There's a girl I came near marrying.

Knawbaw—Why didn't you? She's an heiress.

Snawbah—I know it; but when I proposed it frightened her into a decline.

Safe and Reliable.

I highly recommend Dr. Fowler's Extract of Wild Strawberry for curing cholera, cholera morbus, colic, cramps, diarrhœa, dysentery and all summer complaints. It is safe and reliable for children and older persons

MISS HILEY BRECKENRIDGE,
Heyworth, Que.

A romping, four-year old boy had been denied some trifling gratification by his mother; but it did not seem so trifling to him as to her. So, striking an attitude before her, he said, with the utmost gravity—"Mother, were you ever a boy?"

The Oklahoma Boom

Forms an instance of a wild rush for an uncertainty, which is just the opposite of the steady boom enjoyed by Burdock Blood bitters. Buyers of this medicine get a certainty—an unequalled remedy for all diseases of the stomach, liver, bowels, kidneys and blood.

Herr Vogneer—Mein Gott, but I vas all proke up! Vatched mit a corpse last nighd.

Gilligan—Wuz it a wake?

Herr Vogneer—Nein, you Irish shump; it vas dead.

A perfect complexion, free from pimple or blemish, is very rarely seen, because few people have perfectly pure blood. And yet, all disfiguring eruptions are easily removed by the use of Ayer's Sarsaparilla. Try it and surprise your friends with the result.

A girl who had received a declaration of love in a type-writer letter, replied that she was "not to be wooed by machinery." Girls prefer the old style.

Twenty-five Cases of Boots and Shoes just opened. The Greatest Bargains ever offered. Ladies Kid Button Boots, from 85 cents and upwards, at R. B. Belyea & Co.'s.

Scientists say that smoking injures the sight. But the boy with a cigar stump in his mouth can see his father ten streets away.

Young Ladies if you want a handsome Dress or Jacket, call at R. B. Porter & Co.'s and you can get it at such a low price it will astonish you.

Somebody once remarked that the Englishman is never happy but when he is miserable, the Scotchman is never at home but when he is abroad, and the Irishman is never at peace but when he is fighting.

HOSPITAL REMEDIES.

There is a new departure in the treatment of disease. It consists in the collection of the specifics used by noted specialists of Europe and America, and bringing them within the reach of all. For instance the treatment pursued by special physicians who treat indigestion, stomach and liver troubles only, was obtained and prepared. The treatment of other physicians, celebrated for curing catarrh were procured, and so on till these incomparable cures now include disease of the lungs, kidneys, female weakness, rheumatism and nervous debility. Ask your druggist for them. Those who cannot procure these remedies from their druggist may remit the price to Hospital Remedy Co., 303½ West King St., Toronto, and the remedy will be shipped to them direct. (The price is one dollar each). Descriptive catalogue sent on receipt of stamp to pay postage.

Alphonse Karr was once present at a banquet of medical men, where toasts were drunk of certain celebrities, when the president said: "Monsieur Karr, we now ask a toast from you." The poet rose and replied modestly: "I propose the health of all that are sick."
