unanimously elected Warden,

The Warden elect, after being escorted to the chair by Coun. Brymer, returned thanks to the members of the board for unanimously placing him in that honorable position. He to the that there were older members at the board better qualified to discharge the duties of Warden than bimself, but believing that the uniform courtesy which had been extended to him in the past would be continued to him in his new position, he felt encouraged to accept it. He was pleased to meet with so many old associates and to form the acquaintance of the new members at the board.
