C. C. RICHARDS & Co. Gents,—I took a severe cold, which settled in my throat and lungs and caused me to entirely lose my voice. For six weeks I suffered great pain and discomfort, and tried numerous remedies. My wife advised me to try MINARD'S LINIMENT and the effect was magical, for after only three dozes and an outward application, my voice returned and I was able to speak in the Army that night, a privilege I had been unable to enjoy for six weeks. These facts can be verified.

Consumption Cured. An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. What Am I to Do? The symptoms of Biliousness are unhappily but too well known. They differ in different individuals to some extent. A Bilious man is seldom a breakfast eater. Too frequently, alas, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, at all events. The digestive system is wholly out of order and Diarrhæs or Constipation may be a symptom or the two may alternate. There are often Hemorrhoids or even loss of blood. There may be gid diness and often headache and acidity or flatu-

lence and tenderness in the pit of the stomach. To correct all this if not effect a cure try Green's W. J. Coleman, August Flower, it costs but a trifle and thousands attest its efficacy. How SHE DID IT. - Typo's Girl (eager for the proposal) - What do you say in the office when you have set up a

No Exaggeration. Mr. Jas. G. Ternent, residing at 34 Daly Street, Ottawa, thus expresses himself: I am pleased to state that Nasal Balm has already relieved my catarrh to a very great extent. I have not used one bottle, but the nauseous droppings from the head and throat have almost ceased. I breathe easy now; get better sleep and altogether feel and appreciate the wonderful virtues of the "Balm". Its merits cannot possibly be exaggerated for catarrhal troubles and and as a CURE I believe it to be genuine.
