The annual sociable of the Rideout connec tion and friends will be held at William Boyer's, East Florenceville, on July 9th, to open at 10 o'clock a.m. in the usual way. There will be a large tent spread for the accommodation of the friends, and good music furnished by a cornet band. Speeches from our eminent men. All connected by marriage, or otherwise, are requested to attend, and a cordial invitation is extended to all friends.

friends. Union is our motto. Come one, come all, and enjoy one of the best days you ever spent—never to be forgotten.

B. K. F. RIDEOUT. Upper Kent, June 7th, 1889. Butter taken in exchange for Goods, at R. B.

Wedding Chimes.

Halifax, June 5.—Bishop's chapel here was the scene of an interesting event this morning, Kate, the second daughter of the late George R. Anderson, being married to Frederick Kabbe of the royal navy and son of Staff Commander Kabbe. The wedding was a quiet one. The service was full choral The bride, elegantly attired in white corded silk and velvet brocade, entered the church on the arm of her brother-in-law, J. Johnston Hunt, D. C. L, preceded by the choristers singing "The voice that breathed o'er Eden." The floral decorations were extremely appropriate. The number of presente showed the regard in which the bride is held, gifts being sent from New York, Ottawa, Montreal, New Brunswick and England, as well as from her wide circle of friends in Halifax. The bride was given away by her mother. The bridesmaids were Miss Alice Connell, of Woodstock, N. B., and Miss Nellie Hunt. The groom was attended by Mr. G. Troop, of Dartmouth. The happy couple leave for Plymouth, England, on Monday next.—(Special to Sun.

F. W. BOYER, Main Street. Woodstock, May 17, 1889.

ICE=ICE=!CE!

J. W. McDONAGH. McDonagh's Brick Block, Main Street. Woodstock, May 21, 1889 -21.

Over 3.000 of these Mowers have been bought by farmers in New Brunswick. The lightest in draft and the least expensive to keep in repair of all the Mowers. Only four gear wheels. Note the llowing substantial improvements, viz :-Improved Malleable Iron Inside Shoe with two wheels, that may be used together or separately; both wheels can be raised or lowered and by their use the Tilt is made perfect in operation and cor-

ners can be turned without using the Lifting Lever.

Improved new Steel Hinge Bar with new bracing which is constructed so that when the coupings get worn and slack, the braces can be extended so as to keep the Cutter bar and Knite in tr Improved Cutter Bar with steel pressure plates or chafe plates which maintain and keep up the clean cutting peculiar to this Buckeye.

Patent original Adjustable Box at front and wearing end of crank shaft, rebabbiting unnecessary. The best practical Tilt on any Mower. Self-oiling Oil Boxes.

Cossitt's Buckeye Mowers are the original machines of that type. Be sure and buy The STANDARD Mower of the Dominion of Canada.

Cossitt's PATENT

question. It seems to be too bad that a fine wool growing county like Carleton cannot have a woollen mill. Our people have long felt the need of a factory, and our County Council some few years ago passed a vote to grant a donation of \$2,000 to any company that would build and operate a woollen mill, which as yet has not induced any party to undertake the work. But we have now a man who will build and operate a No. I woollen mill, if our County Council will grant a bonus of \$2,500 or \$3,000. This gentleman is Harry Connell, of the firm of Connell Bros., who is well known all over the county, and has the reputation of being an energetic, go ahead map. Now I know from experience with the taxpayers of this county that they would be taxpayers of this county that t
