Rich and Poor,

Prince and Peasant, the Millionaire and Day Laborer, by their common use of this remedy, attest the world-wide reputation of **Ayer's Pills.** Leading physicians recommend these pills for Stomach and Liver Troubles, Costiveness, Biliousness, and Sick Headache; also, for Rheumatism, Jaundice, and Neuralgia. They are sugar-coated; contain no calomel; are prompt, but mild, in operation; and, therefore, the very best medicine for Family Use, as well as for Travelers and Tourists.

"I have derived great relief from **Ayer's Pills.** Five years ago I was taken so ill with

Rheumatism

that I was unable to do any work. I took three boxes of Ayer's Pills and was entirely cured. Since that time I am never without a box of these pills." Peter Christensen, Sherwood, Wis.

"Ayer's Pills have been in use in my family upwards of twenty years and have completely verified all that is claimed for them. In attacks of piles, from which I suffered many years, they afford greater relief than any other medicine I ever tried."—T. F. Adams, Holly Springs, Texas.

"I have used **Ayer's Pills** for a number of years, and have never found anything equal to them for giving me an appetite and imparting energy and strength to the system. I always keep them in the house."—R. D. Jackson, Wilmington, Del.

"Two boxes of Ayer's Pills cured me of severe

Headache,

from which I was long a sufferer.—Emma Keyes, Hubbardston, Mass.

"Whenever I am troubled with constipation, or suffer from loss of appetite, Ayer's Pills set me right again."—A. J. Kiser, Jr., Rock House, Va.

"Ayer's Pills are in general demand among our customers. Our sales of them exceed those of all other pills combined. We have never known them fail to give entire satisfaction."—Wright & Hannelly, San Diego, Texas.

LAST CHANCE!

This is the last chance this season to get nice, new, fresh Flour, ground from OLD WHITE WINTER WHEAT, as flour ground from NEW WHEAT will not give good satisfaction till about the 1st Dec

It is the general experience of women, that flour during the Autumn months, is what they term runny and dark in the color; this is owing to the flour being ground from new wheat.

Miscellaneous.

SHE FELT IT.—"Hannah," she began as she called the girl into the sitting-room, "haven't I always used you well?"

"Yes'm."

"Paid you the highest wages and given you many afternoons out?"

"Yes'm."

"Well, then, I want to ask you a question and receive an honest answer."

"Oh, ma'am, I'm going to quit! Yes, I'll go right off!"

"Going to quit? Why?"

"Because I feel that you are going to ask me if your husband and me were riding on the ferry boat together the other day, and I couldn't tell you. I promised him on my sacred word I wouldn't.

ADVICE TO MOTHERS.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of "MRS. WINSLOW'S SOOTHING SYRUP" for children teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures dysentery and diarrhœa, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. "MRS. WINSLOW'S SOOTHING SYRUP" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle. Be sure and ask for "MRS. WINSLOW'S SOOTHING SYRUP" and take no other kind.

HE WOULD NOT BE DRESSED.—Frightened Mother—For heaven's sake, John, run for the doctor! Baby has swallowed your collar button.

John (turning over in bed)—How am I to go for the doctor without my collar button? What nonsense women do talk! (Goes to sleep.)

MESSRS. C. C. RICHARDS & Co.

Gents,—Having used MINARD'S LINIMENT for several years in my stable, I attest to its being the best thing I know of for horse flesh. In the family we have used it for every purpose that a liniment is adapted for, it being recommended to us by the late Dr. J. L. R. Webster. Personally I find it the best allayer of neuralgic pain I have ever used.

B. TITUS,
Proprietor Yarmouth Livery Stable.

A DICTIONARY FOR ONE.—"What's the show, mister?" asked a Deleware Co. farmer, viewing the parade.

"Centennial of the inauguration of Washington," replied a resident.

"Centennial, eh? Say, mister, how long ago did it take place?"

What Am I to Do?

The symptoms of Biliousness are unhappily but too well known. They differ in different individuals to some extent. A Bilious man is seldom a breakfast eater. Too frequently, alas, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, at all events.

The digestive system is wholly out of order and Diarrhœa or Constipation may be a symptom or the two may alternate. There are often Hemorrhoids or even loss of blood. There may be giddiness and often headache and acidity or flatulence and tenderness in the pit of the stomach. To correct all this if not effect a cure try *Green's August Flower*, it costs but a trifle and thousands attest its efficacy.

Mrs. Riverside Rives (after dinner)—Always the first to rejoin the ladies, Mr. Stone; I'm afraid you're not much of a smoker."

Mr. James Browne Stone—"No, my dear Mrs. Rives, I haven't smoked a cigar since I was fifty years old, and, in consequence, just see how hale and hearty I am at sixty-eight!"

Mrs. Riverside Rives (thoughtfully)—"Yes, indeed, and, do you know, since its done you so much good, I'm just going to insist on Rivvy smoking until he's fifty, too!"

"Gift Enterprises"

seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting *something* out of *nothing*, if possible. Grocers get 6 boxes for 5 of some kinds, and are offered all sorts of "Nick Nacks" with others, as an inducement to recommend such soaps to their trade.

It is a well known fact, however, that a genuine article in this day of competition pays no fancy profits. WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

'Speakin' of twins," said the old man Chumpkins, "there was two boys raised in our neighborhood that looked just alike to their dyin' day. Lem didn't have any teeth and his brother Dave did, but they looked precisely alike, all the same. The only way you could tell 'em apart was to put your finger in Lem's mouth, and if he bit yer 'twas Dave."

An English Medical Authority

affirms that the best regimen for preserving health may be summed up in the maxim, "Keep the head cool, the feet warm, and the bowels active." There is a world of wisdom in the observation. Obstinate constipation, or costiveness, is an exciting cause of other diseases; and, with many persons of sedentary habits, or occupations, this inaction of the bowels is a constant annoyance, producing piles, prolapse of the rectum, fistula, and various dyspeptic symtoms. All these are warded off, and health is maintained, by the use of Dr. Pierce's Pleasant Purgative Pellets.

A Wise Precaution.—First Deacon—Have you heard the Rev. Mr. Goodman, who exchanged pulpits with our pastor to-day? Second Deacon—No, First Deacon—Well, I have. I think, Brother Passbasket, we'd better vary our regular custom this morning and take up the collection before the sermon.

"Like sunshine in a shady place,"
The poet called a woman's face
That gladdened all who saw its beauty.
A face, no doubt, that beamed with health,
That blessing which is more than wealth,
And lightens every daily duty.
O how can woman, whose hard life
With many a wearing pain is rife,
Escape the grasp of such affliction,
And be a power to bless and cheer?
The answer comes both swift and clear—
Take Pierce's Favorite Prescription.

Dr. Pierce's Favorite Prescription is the only medicine for woman's peculiar weaknesses and ailments, sold by druggists, under a positive guarantee from the manufacturers, of satisfaction being given in every case, or money refunded. See guarantee printed on bottle wrapper.

He went out West, but he did not stay, for the life of a boomer is far from gay. He was out of cash, but he turned in his track, and painfully worked his passage back; and as he trudged he softly sang: "A returning boomer is a boomerang."

Tickling Torture,

Mrs Henry M. Kitchen, St. George, Ont., says: "I had a bad cold which settled in my throat, causing a continual tickling, and I just coughed all the time. I got Hagyards' Pectoral Balsam and in three days was getting better, and in 10 days I went to church. Our neighbors know this to be true.

Second husband—Are you as fond of me as you were of your first husband, dear?

Wife—Yes, indeed; and if you were to die I would be just as fond of my third. I'm not a woman to marry for anything but love.

HAD HIM THERE.—Boy—Is it proper to say "blown up" or "blown down?"

Teacher—Either. If it is the result of an explosion, it is blown up; if the result of a cyclone, blown down.

Boy—An' couldn't the result of an explosion be "blown down?"

Teacher—No.

Boy—What's the matter with a sneeze?

Henry—Yes, Carrie, I love you with all my heart.

Carrie—It seems strange, Henry, that you should think so much of me.

Henry—I don't know about that. There's no accounting for tastes, you know.

Mr. Hobbs—I see that a Newport (Pa.) farmer has a hairless calf on exhibition. What a remarkable freak that is.

Mrs. Hobbs—Remarkable? Why, you are bald-headed yourself, John.

A Forcible Fact.

Constipation is the most frequent cause of headaches, bad blood, humors, dizziness, vertigo, etc., and because of this should never be allowed to exist. It may be readily cured by using Burdock Blood Bitters, which never fails to cure even the most obstinate and chronic cases."

A California romancer tells about a beet with which he fed two horses and three cows four days. With one beet, two horses, three cows, four days, there is a sort of numerical progression about this fellow that shows what he could do if put to it.

A Useful Article.

"I can certify to the great usefulness of Hagyard's Yellow Oil. We use it for burns, bruises, cuts, sores, rheumatism, sore throat, croup, etc., and recommend it to all as an excellent remedy." T. W. Appleby, Wingham, Ont. All medicine dealers sell Yellow Oil.

Husband—Maggie, what's the use of paying a girl $10 a month while you do all the work?

Wife—Well, if we didn't have a girl the neighbors would say that I had to do all the work.

"My father, at the age of fifty, lost all the hair from the top of his head. After one month's trial of Ayer's Hair Vigor, the hair began coming out and, in three months, he had a fine growth of hair of the natural color."—P. J. Cullen, Saratoga Springs, N. Y.

First Belle—I hear your father has failed or at least lost heavily in Wall St.

Second Belle—Yes, poor dear, he can no longer light his cigars with crisp five dollar bills, but has to use one dollar bills. It is awful!

Young Ladies if you want a handsome Dress or Jacket, call at R. B. Porter & Co.'s and you can get it at such a low price it will astonish you.

"What is a life Insurance?" asked one boy of another. "Well, I make out," said his companion, "it's a concern that keeps a man poor all the time he's alive so that he may die rich."

American and English Stiff and Soft Hats in all the latest shapes and shades, at R. B. Belyea & Co's

Minnie—I am sorry I ever got that hat, I think it makes me look a perfect fright, don't you?

Mamie—Oh, no, not a perfect fright. You know there is nothing perfect in this world.

"And you went up the Rhine, I suppose?" said Mrs. Malaprop.

"Indeed, yes. It was beautiful."

"And did you see any Rhinoceroses?"

Sarah—An' has your mistress good taste?

Bridget—Good taste, is it? Faith, her dresses look better on me than do me own

HOSPITAL REMEDIES.

There is a new departure in the treatment of disease. It consists in the collection of the specifics used by noted specialists of Europe and America, and bringing them within the reach of all. For instance the treatment pursued by special physicians who treat indigestion, stomach and liver troubles only, was obtained and prepared. The treatment of other physicians, celebrated for curing catarrh were procured, and so on till these incomparable cures now include disease of the lungs, kidneys, female weakness, rheumatism and nervous debility. Ask your druggist for them. Those who cannot procure these remedies from their druggist may remit the price to Hospital Remedy Co., 303½ West King St., Toronto, and the remedy will be shipped to them direct. (The price is one dollar each). Descriptive catalogue sent on receipt of stamp to pay postage.

Dr. Culverwell's Celebrated Essay

on the *radical cure* of SPERMATORRHŒA or incapacity induced by excess or early indiscretion.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of early error may be radically cured; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and *radically*
