A Little Baby's Skin

The Scalp Covered with Sores. A Wonderful Rapid Cure by the Cuticura Remedies.

I have used your CUTICURA REMEDIES in two cases where it proved to be successful. The first was in the case of a boy a year and a half old. His face and body were in a terrible condition, the tormer being completely covered with sores. I took him to the Massena Sulphur Springs, but he did not improve any. I was then advised to try the CUTICURA REMEDIES, which I did. He took one and one half bottles of CUTICURA RESOLVENT did not improve any. I was then advised to try the Cuticura Remedies, which I did. He took one and one half bottles of Cuticura Resolvent when his skin was as smooth as could be, and is to-day. I used the Cuticura on his sores and the Cuticura Soap in washing him, He is now five years of age and all right. The other case was a disease of the scalp, which was cured by washing with the Cuticura Soap and rubbing in the Cuticura, one bottle of Cuticura Resolvent Leing used. It is suprising how rapidly a child will improve under this treatment.

Itching and Burning Skin I have been afflicted since last March with a skin disease the doctors called eczema: My face was covered cabs and sores, and the itching and burning was emost unbearable. Seeing your CUTICURA REMEDIES so highly recommended, concluded to give them a trial, using the CUTICURA and CUTICURA SOAP externally and RESOLVENT internally for four months, I call myself cured, in gratitude for which I make this public

Lydia Thompson, the famous actress, certifies: "Ayer's Cherry Pectoral has been of very great service to me. It improves and strengthens the voice, and is always effective for the cure of colds and coughs." "Upon several occasions I have suffered from colds, causing hoarseness and entire loss of voice. In my profession of an auctioneer any affection of the voice or throat is a serious matter, but at each attack, I have been relieved by a few doses of Ayer's Cherry Pectoral. "In the spring of 1853, at Portsmouth, Va., I was prostrated by a severe attack of ty-phoid pneumonia. My physicians exhausted their remedies, and for one year I was not able to even articulate a word. By the advice of Dr. Shaw I tried Ayer's Cherry Pec toral, and to my surprise and great joy, in less than one month I could converse easily, in a natural tone of voice. I continued to improve and have become since a well man. I have often recommended the Pectoral, and have never known it to fail."—George R. Lawrence, Valparaiso, Ind.
