Dehorning, a Cruel Practice.

Dr. Craik, dean of McGill Medical College, considers as cruel and unnecessary the practice of dishorning cattle. He advocates the breeding, by crossing, of no horn cattle. He showed from his own experience that it was possible to breed them away. A few years ago be found in a common herd, a cross between an Ayrshire and a Durham, which had no horns, and bred it to an Ayrshire bull. The result was a ball calf without (10 Spruce Street), where advertising contracts horns, which in turn produced other cattle without horns until now he has a herd fifteen of them

The Effect.

Hon. George E Foster, in an able address recently declared that the Liberal Conservative party was now, and always, favorable to a just arrangement for reciprocity with the United States, while he strongly denounced those who would be whipped into annex tion which reciprocity could be mutually agreed

At a more recent date, the Governor General took occasion to endorse the views along the same lines. The gentlemen in both Quebec. cases admitted that our trade would be somewhat effected by the tariff legislation recently passed by Congress, but held that Canadians Everybody go. would only be stimulated to stronger faith in their country, greater self reliance, and new efforts to extend its trade.

Another Protest.

A protest has been entered against the election of Mr. Porter in Victoria County. We don't know anything as to the alleged merits of this protest, but it is very unfortunate that such proceedings have become so common; in fac: elections, now, are, too generally, followed as a matter of course by protests, and the general principle that the County Councillor for Wakefield at the comcandidate getting the majority of votes is ing Parish elections. gally elected, is so far disregarded as to suggest either that the law relating to elections is entirely overlooked or that the con-The law school of the University of Mary- praved. Farmers, have you seen the improved Sulky Plow and Sulky Harrow? if not, find Jim Carr. The Ladies' Home Journal. Few better numbers of a popular magazine have ever been issued than is the October Ladies' Home Journal. From cover to cover, the number bristles with an array of splendid arin a single issue P. T. Barnu u tells, in a very entertaining manner, the secret of "How I Have Grown O.d"; Mrs. Ulyeses Grant describes her courtship with the General, and how the warrior roposed marriage to her; the methods pursued by the Vanderbilts in the training of their chil dren are freehly sketched; Mrs. Margaret Bottome, the President of the "The King's Daughters." begins most admirably with what will hereafter be a regular department entirely devoted to "The King's Daughters"; Robert J. Burdette bas a first class humorous article on old people who try to be young; A. Bogardus, the pioneer New York photographer, has an exceedingly bright sketch on "Presidents I Have Photographed'; Dr. Talmage has some very bright things for women; Emma V. Sheridan, the Boston actress, tells how to conduct private theatricals; "Curl Papers and Husbands' is the unique title of a bright paper by Felicia Holt; Florence Howe Hall gives valuable hints in an

article telling how to to celebrate "Wedding An-niversaries." The October Journal is truly a perfect model of what a popular magazine should be Published, at one dollar a year, by the Curtis Publishing Company, Philadelphia.
