Scratched 28 Years.

A Scaly Itching Skin Disease with Endless Suffering Cured by Cuticura Remedies.

If I had known of the CUTICURA REMEDIES twenty-eight years ago, it would have saved me $200.00 and an immense amount of suffering. My disease (psoriasis) commenced on my head in a spot no larger than a cent. It spread rapidly all over my body, and got under my nails. The scales would drop off of me all the time, and my suffering was endless, and without relief. One thousand dollars would not tempt me to have the disease over again. I am a poor man, but feel rich to be relieved of what some of the doctors said was leprosy, some ringworm, psoriasis, etc. I cannot praise

CUTICURA REMEDIES too much. They have made my skin as clear and free from scales as a baby's. All I used of them was $5 worth. If you had been here, said you would have cured me for $200; 00 cash, would have had the money. I looked like the picture (No 2, page 47) in your book, "How to Cure Skin Diseases," but now I am as clear as any person ever was. Through force of habit I rub my hands over my arms and legs to scratch once in awhile, but to no purpose. I am all well. I scratched twenty-eight years and it got to be a kind of second nature to me. I thank you a thousand times.

DENNIS DOWNING, Waterbury, Vt.

Wilmot Parish S. S. Convention.

The annual meeting of Wilmot Parish S. S. Convention will be held at Lakeville, Friday, 18th July inst. There will be a session at 2 and 7.30 p. m. The schools in the Parish are earnestly requested to send delegates.

A. HUME, Secretary.

Lakeville, July 5, 1890.

Wakefield Parish S. School Convention

Baptist Church, Jacksontown, July 8th, 1890.

The quarterly session of the Wakefield Parish S. School Convention was held in the Baptist Church, Jacksontown, this afternoon and evening. The afternoon session commenced at 3.30 o'clock, with singing, "Only an Armor Bearer," and prayer by J. Connolly.

The minutes of last session were read and approved.

The report of the Sec. Treas. was read, showing that during the Winter, ten of the schools of the Parish were evergreen; that two had closed Fall, one of which had reopened last month, while the other is still unopened. The report also stated that there are five other places in the parish in which schools should be maintained, where there are none now; that there is a balance of $6 65 in the treasury; and that two very active S. S. workers, Z. B. Gallupe of Victoria Corner, and Rev. S. J. Archibald, of Jacksonville, had died since the convention last met.

The President, J. Harper, jr, gave a short address relative to the work of the convention.

On motion of J. T. Fletcher, seconded by J. Connolly, the President was authorized to appoint a committee to arrange for and superintend the holding of meetings in the interests of S. School work at Central or Lower Wakefield, South Wakefield, Rossdale, Upper Waterville, Hartford and Oakville. The President appointed J. T. Fletcher, J. Connolly and Mrs G. C. Watson said committee.

The reports from schools showed that an increased interest is felt in the work, and that officers, teachers and scholars are actively engaged in the work in their respective localities.

An excellent blackboard lesson for primary classes was conducted by Mrs. Geo. C. Watson, after which the convention was addressed by James Watts and S. J. Parsons.

On motion the vacancy in the Executive Committee caused by the death of Z. B. Gallupe was filled by appointing Mrs. Geo. C. Watson to the position.

Adjourned to meet again at 8 o'clock. Closed with singing doxology, and benediction by J. Watts.

EVENING SESSION.

Convention was opened at 8 o'clock, with singing "There's a work for you," etc., and prayer by S. J. Parsons, President in the chair.

Minutes of afternoon session were read and approved.

On motion the fixing of the time and place of next meeting was left with the Executive Committee to arrange for.

On motion it was ordered that the following extract from the report of the Secretary be published in the local papers:—

"Since our last session we have lost two faithful workers, Z. B. Gallupe, of Victoria Corner, and Rev. S. J. Archibald, of Jacksonville. Mr. Gallupe was a member of the Executive Committee of this convention, and a very faithful worker in the school with which he was connected and the community in which he resided. I trust the example of his life, as it was daily set before those with whom he associated and worked, may continue to influence them to renewed efforts to advance the work in which he took such an active part. His death was very sudden and most unexpected. He has left behind him an honorable record for faithfulness to God and a love for the promotion of His cause.

Rev. Mr. Archibald was one of God's finest specimens of humanity. He was a man of undoubted faithfulness in discharging the duties committed to him; spotless in his character and full of zeal for the promotion of God's work and the best interests of his fellow men. His heart was full of love to God, and that love was the main-spring of his life, impelling him to acts of unselfish devotion for the good of all those with whom he came in contact. As a minister of Christ he was fervent in spirit and faithful in all things. As a pastor he was beloved by all his flock, and as a Sunday School worker he was indefatigable in his efforts to advance the cause of Christ through this branch of His work. Ever at his post of duty; instant in season and out of season in every good word and work, he has left behind him a record that time cannot tarnish. His works will follow him. The influences of his example and teachings will, I trust, still continue to draw to Christ those with whom he was closely associated in the administration of his duties as a minister of the gospel of Christ, and who are yet out the "Ark of Safety," and to more closely cement, in those with whom he joined in fellowship and love, those bonds that connect all true believers, with Christ. His early death we mourn; his loss we deplore; his memory we love and cherish, and his example of love and faithfulness and unselfish devotion to his Master's work and the Divine command "Whatsoever thy hand findeth to do, do it with thy might," we will endeavor to imitate.

Excellent addresses on Sunday School work were then delivered by S. J. Parsons and James Watts.

Misses Blanch Estey and Dora B. Connolly presided at the organ during the sessions.

The convention then closed with singing the doxology, and benediction by J. Watts.

BRONCHITIS

Is an inflammation of the bronchial tubes—the air-passages leading into the lungs. Few other complaints are so prevalent, or call for more prompt and energetic action. As neglect or delay may result seriously, effective remedies should always be at hand. Apply at once a mustard poultice to the upper part of the chest, and, for internal treatment, take frequent doses of

Ayer's Cherry Pectoral

C. O. Lepper, Druggist, Fort Wayne, Ind., writes: "My little sister, four years of age, was so ill from bronchitis that we had almost given up hope of her recovery. Our family physician, a skilful man and of large experience, pronounced it useless to give her any more medicine, saying he had done all it was possible to do, and we must prepare for the worst. As a last resort, we determined to try Ayer's Cherry Pectoral, and I can truly say, with most happy results. After taking a few doses she seemed to breathe easier, and, within a week, was out of danger. We continued giving the Pectoral until satisfied she was entirely well. This indisputable evidence of the great merit of Ayer's Cherry Pectoral has given me unbounded confidence in the preparation, and I recommend it to my customers, knowing it cannot disappoint them."

"Ayer's Cherry Pectoral cured me of a bad cough and my partner of bronchitis. I know of numerous cases in which this preparation has proved very beneficial in families of

Young Children,

so that the medicine is known among them as 'the consoler of the afflicted.'"—Jaime Rufus Vidal, San Cristobel, San Domingo.

"A short time ago, I was taken with a severe attack of bronchitis. The remedies ordinarily used in such cases failed to give me relief. Almost in despair of ever finding anything to cure me, I bought a bottle of Ayer's Cherry Pectoral, and was helped from the first dose. I had not finished one bottle before the disease left me, and my throat and lungs were as sound as ever."—Geo. B. Hunter, Altoona, Pa.
