They tell me you're goin', Robbie, away from home and all. doin' out on the fields of the future to play at

Life's game of ball; They tell me you're one and twenty-you look as old as that; leems like you're young and slende Life's ball and bat. reckon I'm kinder fogvish But I'd like to advise a little 'bout

you're goin' to play. are my fears and doubts. 'm waiting now till the Great Umpire calls me he could not speak kindly, he would hold demonstrations to take my outs, In the deepening shadows of years, the years of my young day's time, 'll set and watch you make your base-

boy, you've got to climb ou've got to do your level best if you a chance to win, they're run by a chap named Sin

won't get favored there;

dead sure strike out

bardly get what's fair. ick out a good sound bat, look well you takemighty apt to break Don't use the Ash of Rashness, nor the heavy Oak of Doubt They're either light or heavy, and you'll most

on't use the Elm of Dishonor, or the Ironwood For, though they sometimes do the work, they fail most every time; o don't choose one too heavy, nor neither one to But there is a bat that never fails, and that the Willow of Right.

But never mind how fair they look, don strikin' wides: But when the chance is right, and you get a ball

Don't wait for a softer snap, my boy, let it solid and square. knock Hope's balls too high, ne fielder Disappointment's apt to take such balle on the fly. on't muff golden opportunities, guard well against a pass,

any one's window glass. t ain't always best to try too hard to tall,

taken by the Catcher Slur, Temptation holds the first base well, Despair ought to be done

After you've made your first, watch swift defeat, second base Self-conceit. There'll be the third base, too, and blacken your final score; But then you'll have a team that's strong, who'll

work to put you through, Your backers are Conscience and Honor Pluck, they are strong players, too So brace to the work before you, dismiss all doubts and fears, And I will watch the game as I wait in shade of the by-gone years.

#### Selegt Tale. HE MISSED THE TRAIN.

A DOMESTIC SKETCH.

Mr. Smith missed the train by just lar train every morning. Not once in Men's, Women's, Boy's, Misses', Youths' and Children's three months did such a thing happen as his being late for the train: but on this occasion he felt like declaring that half the time he had to rush himself clear out of breath to reach it, or else miss

He was in that exasperated state of mind where he wanted to blame someaffairs so that he could get his breakfast train.

It was a full hour and a half till the next train; it was nearly half a mile minutes on the station platform, debating in his mind whether he should As he mused his anger grew. He would along, with the air of a man determined feel strong—strong and happy. to do a desperate deed. His face was

lined his path. He looked up involun- cheerful heart he mused :

meadow and lanes with the pretty, shy morning if I did miss the train. young girl whom his heart was bent on winning for his wife. She was his wife now. She was the mother of three rosy, active children; they were his and hers. plump rosiness and pretty smile were, region.

most part, gone. But what a good, true Jogal & Foreign Items. wife she had been to him! how her economy and faithfulness had helped him in getting the start he now had in the world! How little she saw of the

ed mother to their children! And on that bright, sunshiny morning he had been thinking hard thoughts of her, and meditating what sharp, cutting words he could say to her-and all they can be gathered by the bushel. for a trivial little loss of an hour from business! Mr. Smith's pace slackened, his countenance relaxed, his heart melted. On such a morning be could not, would not, by hareh words mar the harmony My score is made, I've had my strikes; all past and beauty of the sunshine and birds They have lett their regular camps, on the and the green things growing. No; if

plaining she had been, and what a devot-

As Mr. Smith neared his home he long been bothered with a smoky chimney, felt a certain shrinking from meeting his and the other day he got a mason to investiwife directly He almost feared he gate. In the flue was found a tin box conmight betray in his countenance some of taining \$5,000 in cash, which some one hid the harsh thoughts he had been think- away during the war, and never returned to had opened, he thought, the great Dark ing So he went around the side of the get it. house and entered the kitchen door. The London Standard protests strongly Christendon shouted for joy, and the profact, when you first begin the game, you'll and exasperated expression on her face, looking into the kitchen stove, in which smouldered a dark, dying fire.

"What is the matter, Bridget?" "Faith, sur, it's the stove that breaks | temperate action me heart entirely. The grate is broken and the stovepipe smokes, and whin I

Will Asiatic Cholera Follow? Mr. Joe Howard's theory that, one horror of of three, has a chance for confirmation this coming summer if certain predictions prove true. cheeks glowed. Her weariness and de- N. Y., and return, recently. Davis won in changes of the past few moths. Severe cases of two hours and one minute. The distance pneumonia, brenchitie, intense catarrh and gendeath was almost welcomed as a relief to the Moses Had Asthma.

So that this epidemic and its sequence has husband had asthma for eight years with has proven to be the most terrible realistic. severe cough, and his lungs also were affected. "whim" that ever infested this country. And was full of the finest and most inspiring He could neither rest, work, nor get relief from now for number three; the theory is said to be any medicine he tried. Some time ago we got advanced that the Cholera is very likely to find 'Dear, dear love, how good you are! Hagyard's Pectoral Baleam, and after taking fertile soil in the generally debilitated conof his mind as she would remember for she said. How you have changed the six or eight bottles his cough is entirely cured, stitutions of our people resulting from the effects the should be made to feel apport of everything for me this morn-Whether the theory of three will be confirmed MRS. Moses Couch, Apeley, Ont. in this case or not, remains to be seen. At any rate it behooves every person still affected by any An immense rich deposit of opper ore, of the complaints due to these climatic changes mixed with silver in paying quantities, has and epidemics, such as catarrh or bronchial been found west of Drummond, near Eau troubles, to look well to themselves and see that And now it was time to start for the Claire Lake, Wisconsin, one vein being every trace of the trouble is removed this present month ; before the heat of summer still more debilitates their system. For years we have found that simple old remedy Johnson's Anodyne Scott's Emulsion of Pure Cod Liver Oil, with tain remedy for all forms of lingering summer that there is not a family in this country but its verious uses for the last eighty years. Now is the time. Delays are dangerous, and a ounce of prevention is worth many pounds of

A remarkable duel was fought at Vienna between a man and woman. A young physician of Vienna offended a Croatian girl & day or two ago and refused to apologize for the affront, whereupon the girl challenged A family in Dover N. J., who have long him to fight a duel. The challenge was acbeen missing valuables, were amazed a day occepted and the two met in a hired room. or two ago to find them in the secret nest of The weapons were swords. The girl, who is a pet goose. Among the articles which the only 19 years of age, proved to be a splendid bird had appropriated were two gold fencer and wounded the doctor twice. The then; and was thin and careworn. The She must have been raised in the lumber thimbles, a tortoise shell comb, scarf pin, girl is said to have been edicated in South
