completed a tunnel under the St. Claire Henderson. The walls are papered in terra river; it is to be formally opened by Presi- cotta, with an appropriate border at top, and dent Harrison and Lord Stanley. It is a and frescoed, proving the fine artistic munication between Canada and Chicago, without necessity for ferriage.

Sir Leonard Tilley is reported by the Sun, in a speech delivered at a dinner given by militia (flicers in St. John, as having said:—

the clock room, so that it may be used with nately, the rumors greatly exaggerated the extent of the accident, still it proved that a interior fittings were drawn by J T. Fletcher; bad wreck had taken place, and that scores element in the preservation of peace. The the artistic work was designed by Mr. Racey of human lives had escaped a fearful death. way to avoid war was to be prepared for war. He had at one time thought it impos sible that there should ever be war between Canada and the United States. He was not so cure about that now. It was not possible to say what might occur at some time in the future. God forbid, said Sir Leonard ear nestly, that ever there should be war, but if it should come, whether with our neighbors or with another nation, we must be willing to give up our sons, if needs be, or sacrifice

### our own lives for our country", Provincial Politics.

The newspapers, or most of them, for week past, have devoted much space to Vie toria County and the recent election there. approximately correct then the Government priest of corruption."

But, on the other band, the specific charges of corruption and attempts at corruption in connection with the Victoria election, urged against the Government, are specifically and positively denied by the friends of the Gov ernment and the press that supports it. can not be supposed that, if there be any tangible grounds for the charges of such an enormous character as the offer to divert a portion of a proposed railway subsidy from its original intention, and use it for the purpose of buying up voters or buying the sup port of representatives, the Opposition wil fail to demand and secure a Parliamentary enquiry. If they fail to do so it will be evidence of falsity of charge.

found contempt for political methode which, A Dibblee, Mrs Allison Connell and Mrs. Catching his dog in his arms, he stepped off a new church, It is understood that Judge to. as every one knows, are resorted to by all Me Blair and his Government to be what the Opposition represent, or to have so far forgotten their solemn responsibilities as ministers as to become mere political barterers and huxters. The future will, we trust, justify the confidence the friends of Mr. Blair have and desire to retain in him. The future will we hope show the Provincial Premier disproving the grave charges now laid on him and, as a true reformer, doing much to elevate the tone of Provincial politics and relieving them from the stigms which is now comprehensively expressed by the term

### U. S. Tariff.

The McKinley tariff bill is passing slowly yet surely through the U. S. Senate, where it is not likely to be shanged, especially in those sections which bear upon agricultural

There can be no doubt that our Canadian farmers are deeply interested in this measure which must materially affect our trade with the United States. The section referred t provides the following duties :-

Barley, 30c.
Barley mait, 45c.
Buckwheat, 15c Honey, 20c. per gal. Straw. \$2 per. ton. Hay, \$4 per ton. Butter 6c per. 16. Milk, 5c. per gal. Wheat. 25c. Egge 5c. per doz. Beans and peas, 40c, Apples. 25c, per, bush. Cabbages, 3c. each. D's'd Poultry, 5e per. It Live poultry, 3c per lb. Sheer, \$1 50 and 75c.

Hogs \$1.50 per head.

Heps, 15c. per lb.

Onions 40c. per bush Flaxseed, 30c per bush. Potatoes, 25c, per. bush Horses, \$30 per head ; those valued at \$150

and over, 30 per cent. ad. val. Cattle over one year old, \$10 per head ; under a year, \$2, In this connection we note that Senator Sherman has presented to the Senate as ar smendment or an addition to the tariff bill, keep the run of the game, so distracting were the following important provise: the following important proviso;-

"Whenever it shall be certified to the pre sident that the government of Canada shall by law or regulation, admit free of duty into al its ports coal mined in the United States, he shall make a proclamation of the fact and hereafter, while such law or regulation is in force. coal mined in Canada shall be admitted free of duty in all ports of the United States. Further: arrangements with the United States as will result in the complete or partial removal of duties upon the trade between Canala and the United States, he shall appoint three commissioners to meet those who may be designated to represent Canada to consider the best method favored the company with three delightful songs, of extending the trade relations between Canada of extending the trade relations to give beauty t
