PUBLIC SAFETY DEMANDS

That only honest and reliable medicines should be placed upon the market. It cannot, therefore, be stated too emphatically, nor repeated too often, that all who are in need of a genuine Blood-purifier should be sure and ask for

Ayer's

Sarsaparilla. Your life, or that of some one near and dear to you, may depend on the use of this well-approved remedy in preference to any other preparation of similar name. It is compounded of Honduras sarsaparilla (the variety most rich in curative properties), stillingia, mandrake, yellow dock, and the iodides. The process of manufacture is original, skilful, scrupulously clean, and such as to secure the very best medicinal qualities of each ingredient. This medicine is not boiled nor heated, and is, therefore, not a decoction; but it is a compound extract, obtained by a method exclusively our own, of the best and most powerful alteratives, tonics, and diuretics known to pharmacy. For the last forty years, Ayer's

Sarsaparilla

has been the standard blood-purifier of the world—no other approaching it in popular confidence or universal demand. Its formula is approved by the leading physicians and druggists. Being pure and highly concentrated, it is the most economical of any possible blood medicine. Every purchaser of Sarsaparilla should insist upon having this preparation and see that each bottle bears the well-known name of

J. C. Ayer & Co.,
Lowell, Mass.

In every quarter of the globe Ayer's Sarsaparilla is proved to be the best remedy for all diseases of the blood. **Lowell druggists** unite in testifying to the superior excellence of this medicine and to its great popularity in the city of its manufacture.

Miscellaneous.

Husband (alarmed)—'Emily, there seems to be smoke coming up through the floor. Run and tell the lady on the flat below. Something's afire in her suite. Quick! Quick!'

Wife (cold and stately)—'Cyrus. I'll never do it in the world. We've lived three months in this flat and she has never called on me.'

Small Boy—I'm too sick to go to school to-day.

Mamma—Then lie down, and I'll send for a doctor.

'Dr. Pellet?'

'No. He's a homeopath. I shall send for Dr Caster, the allopath.'

'Never mind, mama; I feel better. Where's my books?'

"Answer me, Clara,' pleaded the young Washington man. I can bear the suspense no longer."

"I cannot answer you as you wish, Mr. Jaystreet," said the Senator's daughter, with a look of gentle pity in her lovely dark eyes. 'On this question of marriage, I—I am already paired with Mr. Kaystreet.

A colored man down in Georgia has a novel method of scriptural interpretation. He says that the passage should read: "If your brother smote you on one side of the jaw, turn the other side to be smoted and third blow is yourn." Most people are willing to accept the "thirdly," but we doubt whether the original will bear that exegesis.

'We had more fun at the party the other night than I ever saw in my life,' said a little St. Anthony Hill girl to her mother.

'What was the cause of your hilarity?' inquired the interested parent.

'One of the girls fell through a chair and everybody laughed but me.'

'Why didn't you laugh?'

'I—I—I was the little girl who fell through the chair.'

ADVICE TO MOTHERS.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of "MRS. WINSLOW'S SOOTHING SYRUP" for children teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures dysentery and diarrhœa, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. "MRS. WINSLOW'S SOOTHING SYRUP" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle. Be sure and ask for "MRS. WINSLOW'S SOOTHING SYRUP" and take no other kind.

Magistrate: 'What, sir! You arrived here this morning by the early train and half an hour later you were arrested for stealing. This is frightful!'

Prisoner (coolly): 'Frightful! I should just think it is frightful! Why, I had not even time to look around the town.'

Nothing hinders the constant agreement of people who live together, but vanity and selfishness. Let the spirit of humanity and benevolence prevail, and discord and disagreement would be banished from the household.

C. C. RICHARDS & Co.

Gents.—I have used your MINARD'S LINIMENT successfully in a serious case of croup in my family. In fact I consider it a remedy no house should be without.

J. F. CUNNINGHAM

Cape Island.

SO SAY ALL—That MINARD'S LINIMENT is the standard liniment of the day, as it does just what it is represented to do.

She—Indeed, it's not an easy thing for a girl to get a husband.

He—Why, a pretty girl can make her choice of four out of every five men she meets.

She—But it's the fifth that she wants.

Mrs. Liveway—Yes, young Mr. Laker wanted to marry our Susie, but I put my foot right down on it.

Mrs. Keenose (with a glance at Mrs. Liveway's feet)—Well, that covered the ground.

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 820 *Powers' Block, Rochester, N. Y.* 26t-e o w-6

With a tightening grasp she seized his arm,
Like one with horror dumb,
Gurgled and moaned, then wildly shrieked,
'Oh, George, I've lost my gum?'

'I want to know,' said one of our business men to a citizen who owed him a small amount, 'when are you going to pay me what you owe me?' 'I give it up,' replied the debtor, 'ask me something easy.'

What Am I to Do?

The symptoms of Biliousness are unhappily but too well known. They differ in different individuals to some extent. A Bilious man is seldom a breakfast eater. Too frequently, alas, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, at all events.

The digestive system is wholly out of order and Diarrhœa or Constipation may be a symptom or the two may alternate. There are often Hemorrhoids or even loss of blood. There may be giddiness and often headache and acidity or flatulence and tenderness in the pit of the stomach. To correct all this if not effect a cure try *Green's August Flower*, it costs but a trifle and thousands attest its efficacy.

Every mother owns the best boy—the worst boy belongs next door every time.

A Baltimore street preacher says: "The Devil gets around just before election time." He is probably aware that just before election is the only time the candidates are not too proud to shake hands with him.

"Gift Enterprises"

seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting *something* out of *nothing*, if possible. Grocers get 6 boxes for 5 of some kinds, and are offered all sorts of "Nick Nacks" with others, as an inducement to recommend such soaps to their trade.

It is a well known fact, however, that a genuine article in this day of competition pays no fancy profits. WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

Standing before a clergyman who was about to marry, a rustic was asked, 'Wilt thou have this woman?' etc. He stared in surprise, and replied, 'Ay, surely! Whoy, I kummed a puppus!'

The Similarity of the Sexes—He—'When a woman says no, she is always dready to be convinced.' She—'Yes: and when a man says no, he wants a little persuading to make him say 'I don't care if I do.'"

"Can you decline love?" he asked the pretty little schoolmistress.

"N-no," she whispered, hiding her head upon his shoulder.

A Cure or no Pay.

is guaranteed to those who use Dr. Pierce's Golden Medical Discovery for catarrh in the head, or for bronchial or throat affections, or consumption (which is lung scrofula) if taken in time and given a fair trial. *Money promptly returned* if it does not cure.

Our laws are very unjust. A man can poach an egg and nothing about it, but let him try to poach a chicken—well, just let him try, that is all.

What is a Day's Labor.

One day's work for a healthy liver is to secrete three and a half pounds of bile. If the bile secretion be deficient, constipation ensues; if profuse, billiousness and jaundice arise. Burdock Blood Bitters is the most perfect liver regulator known in medicine for preventing and curing all liver troubles.

'Papa,' exclaimed Johnny, struggling with a very copious brand of influenza, 'If the nose is an organ, why don't it have stops?'

A HORSE: A Horse is not much good when troubled with Cough, Cold, Obstruction of the Bladder or Kidney. Garden's Condition Powder will cure. Full lb packages 25c. Sold everywhere

Johnny—What is a theory?

Pa—A theory, my son, is an impracticable plan for doing something that is impossible.

When in want of Clothing be sure and see the all wool Suits Hugh Hay is selling for $8.00 are well worth $15 00.

Never make love in a cornfield. Remember that corn has ears and is easily shocked.

For billiousness, sick headache, indigestion, and constipation, take Dr. Pierce's Pellets. One a dose.

LOOK HERE FRIEND!

DO you have pains about the chest and sides, and sometimes in the back? Do you feel dull and sleepy? Does your mouth have a bad taste, especially in the morning? Is your appetite poor? Is there a feeling like a heavy load upon the stomach? Sometimes a faint, all-gone sensation at the pit of the stomach, which food does not satisfy? Are your eyes sunken? Do your hands and feet become cold and feel clammy? Is there a giddiness, a sort of whirling sensation in the head when rising up suddenly? Are the whites of your eyes tinged with yellow? Is your urine scanty and high colored? Does it deposite a sediment after standing?
