To Our Subscribers.

The special announcement which appeared in our columns some time since, announcing a pecial arrangement with Dr. B. J. Kendall C of Enosburgh Falls, Vt., publishers of "A Treatise on the Horse and his Diseases," wherey our subscribers were enabled to obtain a copy of that valuable work free by sending their address to B. J. Kendall Co., (and enclosing two cent stamp for mailing same) is renewed for a limited period. We trust all will avail themselves of the opportunity of obtaining this valuable work. To every lover of the Horse it is indispensable, as it treats in a simple manner all the diseases which afflict this noble animal. Its phenominal sale throughout the United States and Canada, make it standard authority. Mention this paper when sending

\$200 C0 (two hund ed dollars) and i an immense amount of suffering My disease (psoriasis) commenced on my head in a spot not larger than a cent. It spread rapidly all over my body and got under my nails. The scales would drop off of me all the time, and my suffering was endless and without relief. One thousand dollars would not tempt me to have this disease over again. I am a poor man, but feel fich to be relieved of what some of the doctors said was leprosy, some ringworm, psoriasis, etc. I took . . . and . . . . Sarsaparillas over one year and a half, but no cure. I cannot praise the Cuticura Remedies too much. They have made my skin as clear and \$200 CO (two hand ed dollars) and an immense too much. They have made my skin as clear and free from scales as a baby's. All I used of them were three boxes of Cuticura, and three bottles of Cuticura Resolvent, and two cakes of Cuticura Soap. If you had been here and said you could have cured me for \$200 00, you would have had the money. I looked like the picture in your book of psoriasis (pic ure number two. "How to Cure Skin Di eases"), but now I an as clear as any person ever was. Through force of habit I rub my hands over my arms and legs to scratch once and a while, but to no purpose. I am all well. I scratched twenty-eight years, and it got to be a kind of second nature to me. I thank you a thousand times. were three boxes of CUTICURA, and three bottles
