Grees. Instead of doing tout he had been doing business in the country all last summer, as a pedler, and in March last took up his residence in Perth where he has been doing business since.

So far as his school tax, \$10, went, that \$15. Straton kept the list posted up on the he marked the name off; he would give him the names when he saw him, and then he might be high, but that was a matter in which alone Perth was interested last report was published it showed that he owed \$112, and when he enquired of Strat Communication from W. F. Kertson, pro-

testing against conveyance of a lot of land at owed \$112, and when he enquired of Strat Grand Falls to John Graham, read and laid on on why he had not reported the correct Coun. Tweeddale said that as be was a to anything. Brymer was bothering him for member of the committee to investigate the his books, and so he had given him an old member of the committee to investigate the matter of the sale of lot at Grand Falls, it was but natural that some explanation from him would be expected. The report of the investigating committee submitted to Council fully explained the particulars of the sale of the lots, as being a bona fide transaction. He was surprised at Mr. Kertson, a lawyer, placing himself in such an inconsistent position, by the different pleas he had set up.

The New England farmers' canvass of the hay crop in New England places it at 15 per legal, and now after an investigation of his hay crop in New England places it at 15 per legal, and now after an investigation of his vestigation, and acted in that capacity. When we also find the following jury fees omitted in his credits to the county as complaint had been made and it was found that the sale was correct, he comes in and the crop is of extra quality and is being sets up a claim as being the original buyer secured in unusually good condition. The peorest returns are received from Vermont, where a crop of only fair average is report
sets up a claim as being the original buyer at what he so strongly contended was an il legal sale. The committee had given Kertson every privilege, but he had failed to show where a crop of only fair average is report
son every privilege, but he had failed to show would have to do it on a hydrogen had a voucher for took the position that in doing business they lowing amount paid by Coll son every privilege, but he had failed to show anything wrong about the sale. Graham was the highest bidder, and Kertson made no took the position that in doing business they would have to do it on a business basic, and Davidson of Perth for taxes Aug. 13th the highest bidder, and Kertson made no

Coun. Kelly agreed with the views of er's figuree as a basic, and then it his figuree Coun. Tweeddale; he believed the committee and the statement of the collector did not had made a thorough investigation of the late connected with the sale of the lote, and the collector. When that report was prehad dome to a correct conclusion in the case. Coun. Brymer said that this was a question which had regularly come before this Council every session, during the three years that he had had the pleasure of being a member.

After the committee of investigation had been the former of \$112. If col. Armstrong could be the former of \$112. After the committee of investigation had been appointed and had made their report, he thought the whole thing finally settled, and that it would never be brought up again. Since the January session of Council he had talked with Mr. Kertson, who told him that he did not think he had been treated right in the matter, and that he had taken legal advice and was satisfied he was the legal buyer of the lot. The point Kertson made was that while Graham was auctioneer, he got Wilson manner, and ought not to blame the committee or Council, if through his carelessness.

to bid the lot in for him, and knocked the lot mittee or Council, if through his carelessness. had knocked the lot down to Wilson, He also stated that if Council did not grant him the lot, at his legal bid \$55, he would put the county to a good deal of expense, as he would follow the matter to the button and he would follow the matter to the committee of investigation for three Justice Olmstead, tax 1884, the Collecting Justice, but was told Council had nothing to do with the appointment.

There was not a ratepayer in the parish who

Coup. Kelly said that wnile Coun. Beymer Coun. Scott claimed that as that Council could speak only from hearsay, the commit-Collecting Justice Armstrong after enquiry learn from Mr. Straton and Justice Armstrong would be wrong to take the matter out of The repairs were absolutely necessary. The that they have settled all except \$30 00 (thirty dollars), and think they will be able to arrange was purely between the Collecting Justice floors were wern out, panels in several doors were out, and the building was delapitated

> Coun. Kupkey while he had no doubt as generally. to the correctness of Armstrong's statement, Coun. Brymer asked if the \$30 annual yet agreed with Coun. Tweeddale that he rent, had been paid. It would appear as Councillors. had not done his business in a business way; though the county had received no income Collector Armstrong being heard in ex- be had got mixed up in the muddle with the from the buildings, and it seemed bardly the planation stated that the difficulty between Secretary Treasurer, and it would be better thing for them to be asked to repair the prehim and the Secretary Treasurer, occurred to lay the question over until this muddle mises when they were receiving nothing fire

their use. If Wilson had paid the rent and
