Ayer's

Sarsaparilla. Your life, or that of some one near and dear to you, may depend on the use of this well-approved remedy in preference to any other preparation of similar name. It is compounded of Honduras sarsaparilla (the variety most rich in curative properties), stillingia, mandrake, yellow dock, and the iodides. The process of manufacture is original, skilful, scrupulously clean, and such as to secure the very best medicinal qualities of each ingredient. This medicine is not boiled nor heated, and is, therefore, not a decoction; but it is a com-pound extract, obtained by a method ex-clusively our own, of the best and most powerful alteratives, tonics, and diuretics known to pharmacy. For the last forty All high Grade flours years, Ayer's

Sarsaparilla has been the standard blood-purifier of the world-no other approaching it in popular confidence or universal demand. Its formula is approved by the leading physicians and druggists. Being pure and highly concentrated, it is the most economical of any possible blood medicine. Every purchaser of Sarsaparilla should insist upon having this preparation and see that each bottle

bears the well-known name of J. C. Ayer & Co., Lowell, Mass. In every quarter of the globe Ayer's Sar-saparilla is proved to be the best remedy for all diseases of the blood. Lowell druggists unite in testifying to the superior excellence
