Its escape had been prevented by the hair of its victim, which was very long and abundant, and had so entangled the vampire in its meshes as to hold it until Hot! Well, yes, it has been hot this week. it could be killed. The death of Senora The thermometer has ranged from 85 to 100 Gonzales is much regretted in the community, The death inflicted by these bats is a very peaceful one, for while draining the blood they keep up a continuous gentle fanning of resters have been initiated at Hartland and their wings, which soothes and lulls the Bristo!. A Court has been in existence, sleeper until his slumbers glide imperceptibly for some time, at Centreville. This organi- into eternal rest. Senor Gonzales, who was The Woodstock Brass Band will furnish Scotia, Liverpool, N. S., has been spending a zation presents strong inducements, on aclasleep by his wife's side, says he was first awakened by the bat's frantic endeavors to free itself from its net of hair, and that he

> naturally did she sleep. Farmers, have you seen the improved Sulky Plow and Sulky Harrow? if not, find Jim Carr.

The following is good healthy matter a conduct, and if, in general, we think of From Principal I. B. Oakes, we are in political or official position as carrying with schemes for changing the laws or constitution or status of the Dominion we place this matter of raising the tone of public morality people? If we are, let us give ourselves rea son to respect ourselves by insisting of honesty and honor in the political sphere, and doing away at once and forever with the destestable idea that trickery is not trickery that baseness is not baseness, that falsehood is not talsehood in any real sense or serious
