Itching Burning, Scaly, Crusted, Pim-ply and Blotchy Cured by the Caticara Remedies. A CLERGYMAN'S TESTIMONIAL.

About two years ago I was attacked with an inflammatory disease on my tace (petyriasis), which was very troublesome, being extremely itchy and Aug. 31—Entering the Kingdom. among us as a people (and they are the most
difficult to deal with), I regard the CUTICURA

value to the world than any other medicine now

"I have used Ayer's Hair Vigor for some time and it has worked wonders for me. I was troubled with dandruff and was rapidly becoming bald; but since using the Vigor my head is perfectly clear of dandruff, the hair has ceased coming out, and I now have a good growth, of the same color as when I was a young woman. I can heartily recommend any one suffering from dandruff or loss of hair to use Ayer's Hair Vigor as a dressing." - Mrs. Lydia O. not only prevented my wife from becoming bald, but it also caused an entirely new growth of hair. I am ready to certify to this statement before a justice of the peace."—
H. Hulsebus, Lewisburgh, Iowa. "Some years ago, after a severe attack of brain fever, my hair all came out. I used such preparations for restoring it as my physicians ordered, but failed to produce a growth of hair. I then tried, successively, several articles recommended by druggists, and all alike fell short of accomplishing the desired result. The last remedy I applied was Ayer's Hair Vigor, which brought a growth of hair in a few weeks. I think I used eight bottles in two years; more than was necessary as a restorative, but I liked it as a dressing, and have continued to use it for that purpose. I believe Ayer's Hair Vigor possesses virtues far above those of any similar preparation now on the market."
