Scaly Skin Diseases

Psoriasis 5 years, covering face, head, and entire body with white scabs. Skin red, itchy, and bleeding. Hair all gone. Spent hundreds of dollars. Pronounced incurable. Cured by Cuticura Remedies

Cured by Cuticura

My disease (psoriasis) first broke out on my left cheek, spreading across my nose, and almost covering my face. I ran into my eyes, and the physician was afraid I would lose my eyesight altogether. It spread all over my head, and my hair all fell out, until I was entirely bald-headed; it then broke out on my arms and shoulders, until my arms were just one sore. It covered my entire body, my face, head, and shoulders being the worst. The white scabs fell constantly from my head, shoulders, and arms; the skin would thicken and be red and very itchy, and would crack and bleed if scratched. After spending many hundreds of dollars, I was pronounced incurable. I heard of the CUTICURA REMEDIES and after using two bottles of CUTICURA RESOLVENT, I could see a change; and after I had taken four bottles, I was almost cured; and when I had used six bottles of CUTICURA RESOLVENT and one box of CUTICURA, and one cake of CUTICURA SOAP, I was cured of this dreadful disease from which I had suffered for five years. I thought the disease would leave a very deep scar, but the CUTICURA REMEDIES cured it without any scars. I cannot express in a pen what I suffered before using the CUTICURA REMEDIES. They saved my life and I feel it my duty to recommend them. My hair is restored as good as ever, and so is my eyesight. I know of others who have received great benefit from their use.

MRS. ROSA KELLY, Rockwell City, Iowa.

Cuticura Resolvent

Wakefield Parish Convention.

The next quarterly session of the Wakefield Parish S. S. Convention will be held at Jacksonville, on Thursday the 13th day March, commencing at 2 30 o'clock. There will be an afternoon and an evening session. Arrangements are being made for an interesting programme for each session

It is hoped all the schools of the parish will be well represented, and that all who are interested in the promotion of S. S. interests in the parish, and can be present, will endeavor to do so.

Waterville, Feb. 27th. 1890.

Communicated.

To Your Waterville Correspondent.

To the Editors of the Carleton Sentinel.

We were somewhat amused while glancing over the columns of the CARLETON SENTINEL of the 15th inst., to find that there were a few items from this popular little town. I regret to know that there is one in Waterville whose natural intellect is so much decayed that he was forced to state that which was not true, concerning the roadmaster and County Councillors. We think that from the way he writes that he must be trying to gain the position of Councillor or roadmaster himself. But when the roadmaster neglects his duty, it will be time enough to appoint a Woman for the position, or the one who wrote the items of the 15th inst. The writer stated that the prevailing opinion of the people was not the best toward Mr. Kaye for roadmaster, and that the present Councillors should stay at home, and have their places filled by men of better judgement. This is where the writer laboured and groaned and brought forth a falsehood. JOSH.

Waterville, Feb. 24, 1890.

Destruction by Blizzards, Snow and Frost

BIRMINGHAM, Ala., March 1—A special from Talladega, Ala., says that a terrible storm passed over that place yesterday morning. It made a path 100 yards wide and destruction marks its entire course. Fortunately it did not pass through the thickly populated part of the town. Houses were blown down and boards, beams and rafters carried for considerable distances. Trees were snapped off like pipe stems or torn from the grounds by the roots. Cows, horses and other animals were killed and a number of people living in the houses blown down were seriously injured. No one was killed.

ST. LOUIS, Mo., March 2—Reports from Northern Texas says that hundred of range cattle were frozen to death during the present cold spell, and unless the weather speedily moderates the loss of stock will be very severe.

PENSACOLA, Fla., March 3—A killing frost occurred here yesterday morning in all probability destroying the fruit crop throughout the country. Reports from West Florida are to the effect that the fruit crop in that section will probably be a total loss.

SACRAMENTO, Cal., March 3—Terrible suffering is reported in Modoc County where the snow is of an immense depth. A man named Best, whose ranch is cut off from the outside world, whose stock of provisions was exhausted, was compelled to kill and eat his team of horses for food.

LONDON, March 2—Severe snow storms and frosts are reported in England and various parts of Europe. Among the regions so visited are Rome and the Riviera.

Orange Bill

The Orange Incorporation bill passed its third reading in the House of Commons on Monday. Yeas, 33; nays, 61; a total of 147 out of a house of 215:—

Thirty two were paired and 35 were absent. Those from the Maritime Provinces paired were: Carpenter for and Cameron against; Tupper for and Landry against; Baird for and Joncas against; Langelier for and Mitchell against.

The following were absent from the city or unable to attend through sickness: Costigan, Freeman, Hale, Jones (Digby), McDougall (Cape Breton), Moffat, Wood (Westmoreland), Yeo and Weldon (St. John).

The bill as carried was supported by the following: Archibald, Davies, Dickey, Eisenhauer, Foster Laurier, McDonald (Victoria), McDougald (Pictou), McKeen, Mills (Annapolis), Putnam, Robertson, Skinner, Temple, Weldon (Albert), Welsh and Wilmot. Against it were: Borden, Burns, Ellis, Flynn, Gillmor, Jones (Halifax), Kenney, Lovitt, McIntyre, Perry and Sir John Thompson.

An Important Matter.

MESSRS. EDITORS,—It is a well known fact that the majority of people are inclined to look upon a cold in the head as a matter of little importance—involving at the most only a temporary inconvenience. No more disastrous mistake was ever made. The neglected cold in the head is the source of the catarrhal affections with which about seven-tenths of the people of this country are afflicted, and catarrh itself is too often the preliminary stages to consumption and death. The symptoms of catarrh are manifold, but among them may be mentioned, offensive breath; dull, oppresive headache; offensive droppings from nostrile into the throat and bronchial tubes: deafness or partial deafness; constant hawking and spitting; weak and watery eyes; a hacking cough and feeling of general debility; ringing in the ears and frequent dizziness. These are but a few of the more general symptons, and those who experience them should lose no time in applying a remedy—delays are proverbialy dangerous, and in case of this too prevalent disease may lead to death. We offer Nasal Balm to the public as a POSITIVE CURE for cold in the head and catarrh in all its forms and stages. Nasal Balm has been tested in thousands of cases, and testimonials in our possession prove that it is all we claim for it. It has cured other sufferers—it will cure YOU. It is easy to use, pleasant and agreeable and does not require a douche, or any torturing instrument to apply it. Give it a trial and be convinced of its great efficacy. Sold by all dealers or sent post free on receipt of price—50c for small or $1 for large size bottles, by addressing FULFORD & Co., Brockville, Ont.
