It ran into my eyes, and the physicians were atraid I would lo e my eyesight altogether. It spread all over my head, and my hair all fell out, until I was entirely bald-headed; it then broke out on my arms and shou'ders, until my arms were just one sore. It covered my entire body, my face, head and shoulders being the word. The white scabs fell constantly from my head, shoulders, and arms; the skin would thicken and be red and very itchy, and would crack and bleed it scratched. After spending many hundreds of dollars, I was pronounced incurable. I heard of the CUTICRA REMEDIES, and after using two bottles CUTICURA RESOLVENT, I could see a change; and after I had taken four bottles, I was almost cured; and when I had used six buttles of and ore case CUTICURA SOAP I was cured of the dreadful disease from which I had suffered for

A young girl named Bridget Coffey, for the past two years employed in the Gleaner composing rooms, died suddenly of inflammation at the Albion Hotel yesterday morning. The divorce Court opened yesterday, Mr. Justice Wetmore presiding. There are only two cases on the docket, viz, John Riley vs Charlotte Riley and Martha Louise Brown vs. John Brown. Both cases are undefended. There is intense indignation among the merchants and citizens of Fredericton over the proposed changes in the time schedule of the N. B Railway to take effect next Sundsy. That this city—the capital of the Promanner is simply preposterous and should not be tolerated. As one merchant remarked a just retaliation would be for the people to boycott the N. B. Ayer's **Cherry Pectoral**

The best of anodynes, this preparation rapidly soothes irritation, strengthens the delicate organs of speech, and restores the voice to its tone and power. No singer or public speaker should be without it. Lydia Thompson, the famous actress, certifies: "Ayer's Cherry Pectoral has been of very great service to me. It improves and strengthens the voice, and is always effective for the cure of colds and coughs." "Upon several occasions I have suffered from colds, causing hoarseness and entire loss of voice. In my profession of an auctioneer any affection of the voice or throat is a serious matter, but at each attack, I have been relieved by a few doses of Ayer's Cherry Pectoral. This remedy, with ordi-

lence. I have also used it in my family, with excellent results, in coughs, colds, &c."-Wm. H. Quartly, Minlaton, Australia. "In the spring of 1853, at Portsmouth, Va., I was prostrated by a severe attack of typhoid pneumonia. My physicians exhausted their remedies, and for one year I was not able to even articulate a word. By the advice of Dr. Shaw I tried Ayer's Cherry Pectoral, and to my surprise and great joy, in less than one month I could converse easily, in a natural tone of voice. I continued to Improve and have become since a well man. I have often recommended the Pectoral, and have never known it to fail." - George R. Lawrence, Valparaiso, Ind.
