a better life for them.

summer vacation, Mrs Ayer broke down give up her teaching and devote herself during the remainder of her transaction, to the care of her mother, thus cutting off all source of income and throwing promised not to neglect his children. Week after week dragged slowly by, and their little exchequer was drained to its last penny, and with this even the girl's brave heart gave way to fears of the most distressing type.

Illness is expensive, and their store had been very small and totally inadequate to meet the demands of so protracted an illness as Mrs. Ayer's. The outgoing was continual and the income nil, so when Margaret spent her last sovereign, she realized with a sense of despair, that something must be done immediately, or they would be destitute. She had never known such need before, and she could scarcely comprehend their

Then it was that the girl felt her loss most keenly. No one to rely upon, no stay, no provider. Whatever was to be done she herself must do it. After much pondering, the plan Margaret decided to act upon was as little notes which accompanied his gifts, selve good shots and efficient to fight on foot, follows: A small collection of her father's books had been preserved for parents in the city; and would Mrs. Ayer England were past and gone.

They were those of her from the sale. They were those of allow him the privilege of sending her UCTION IN PRICES!

The Band of Hope meets in W. C. T. U. Hall, every Wednesday afternoon at 4 Regular meeting Campbell Division, S. of T., in W. C. T. U. Hall, every

Tuesday evening at 8 o'clock. Man's Imperfections.

Why is it that as the years roll on and the world advances in civilization and each suc-

cessive generation attains to a higher degree

of enlightenment—the vital factor of this nteresting progression steadily degenerates?
Perhaps it is the disinterested creature—the from indiscreet indulgence in spirits, and if necessity for retaining his faculties, his

beerver would eventually conclude that unassuming guise and wisdom lingered— 'lingered late and long"—it certainly did not linger in the minds of intemperate men. The universal habit of indulging in alcoholic liquors for pleasure (now existent), from appetite and various other reasons, all equally elevating, has but one inglorious and dis-reputable finis. Why paint in glowing colors with a lavish

The World says that 100,000 New York soul. It may be that the soul becomes ex-
