Scratched 28 Years

Body covered with scales. Itching terrible Suffering endless. No relief. Doctors and medicines fail. Speedily cured by Cuticura at the cost of $5.

Cured by Cuticura

If I had known of the CUTICURA REMEDIES twenty-eight years ago it would have saved me $200 00 (two hundred dollars) and an immense amount of suffering. My disease (psoriasis) commenced on my head in a spot not larger than a cent. It spread rapidly all over my body and got under my nails. The scales would drop off of me all the time, and my suffering was endless and without relief. One thousand dollars would not tempt me to have this disease over again. I am a poor man but feel rich to be relieved of what some of the doctors said was leprosy, some ringworm, psoriasis, etc. I took . . . . and . . . . Sarsaparillas over one year and a half, but no cure. I cannot praise the CUTICURA REMEDIES too much. They have made my skin as clear and free from scales as a baby's. All I used of them were three boxes of CUTICURA, and three bottles of CUTICURA RESOLVENT, and two cakes of CUTICURA SOAP. If you had been here and said you could have cured me for $200 00, you would have had the money. I looked like the picture in your book of psoriasis (picture number two "How to Cure Skin Diseases"), but now I am as clear as any person ever was. Through force of habit I rub my hands over my arms and legs to scratch once and a while, but to no purpose. I am all well. I scratched twenty eight years, and it got to be a kind of second nature to me. I thank you a thousand times.

TO THE ELECTORS OF THE

Town of Woodstock!

AT the request of quite a number of your body I have decided to be a

Candidate for the Office of Mayor,

at the Town Elections to be held on MONDAY, 13th inst. Having served ten years at the Council Board, I think I understand the business, and if elected will do my best to conduct the business with all the economy consistent with the wants of the Town. Trusting you will honor me with a majority of your votes,

I remain, your obedient servant,

SIMON McLEOD.

Woodstock, Jan. 1, 1890.—2i-1.

TO THE ELECTORS

—OF—

CARLETON COUNTY

GENTLEMEN,

Having been solicited by a large number of the Electors to become a Candidate at the ensuing Election for the House of Assembly, to be held on January 20th, 1890, I have consented to allow my name to be placed in nomination. If honored with a majority of your votes, I will to the best of my ability discharge the duties required of me. I will give a fair and impartial support to the present Government, and will favor all legislation that will be for the best interests of the Province generally and of this my native County. I will give my support to abolish the Legislative Council, and to all measures in the interests of Temperance.

From my business relations with the Farmers of this County, I am in a position to know what legislation is required by them, and all measures in the interest of Agriculture will have my earnest support.

It will be impossible for me to see you all, but I shall endeavor to visit as many of you as possible before election. A large number of you are already acquainted with my principles.

Gentlemen, I solicit your general support.

C. A. HARMON.

Peel, Dec. 31, 1889—1,

To the Electors

—OF THE—

County of Carleton!

GENTLEMEN:—

The House of Assembly having been dissolved and writs issued for a General Election, you will in a few days be called upon to select two men to represent you in the Legislature of this Province.

It affords me pleasure to be able to consent to the request of so many of this electorate and allow myself to be placed in nomination. My legislative record is before you; upon that I have to stand or fall, let me trust that it is such as will cause you, gentlemen, to feel like reposing future confidence in me.

It will be impossible for me to see you all before the election but I will endeavor to see as many as I can.

It is impossible to set out in a card like this the many reasons for supporting the present Government, but I am of the opinion that in the best interests of our County we cannot do otherwise, and hope that when the polls are closed on the day of election you may give a tangible demonstration of your confidence in the present administration. We should exercise a great deal of caution in making changes in the administration of public affairs, weighing well the arguments for and against, and then record our vote in favor of that which commends itself to our best judgment.

Should I again be honored with your confidence, I shall take great pleasure in devoting my time to the interests of the Province and the County of Carleton in particular.

G RANDOLPH KETCHUM.

Dated 2nd day Jan., 1890.

To the Electors

—OF THE—

County of Carleton!

GENTLEMEN:

The dissolution of the House of Assembly brings me again before you—my acts and votes are matters of public record—and the principles which I have advocated while acting as your representative, I hold now. I came before you in 1886 advocating abolition of the Legislative Council and economy in the administration of Legislation. These I still advocate.

As to railways. I am in favor of granting Provincial aid to such local lines of railway in this Province as have already received the Dominion Subsidy.

As to temperance I am in favor of prohibition.

As to labor. I am in favor of a Lien Law which while it guards the interests of the operator will give the laborer a claim on the property that is the product of his hands till his wages are paid. I am also in favor of making such changes in the recording of Wills and Deeds and Mortgages as will make the cost as small in New Brunswick as in Maine.

I am opposed to the Blair Government because they have failed to make any earnest attempt to carry out the reforms to which they stood pledged, and because in making expenditures in the construction of railways in other parts of the Province, they have refused to grant or pledge any aid to lines of railway projected in this county, one of which had received the Dominion Subsidy, and because they have not managed the finances of the Province with prudence, and have kept back full details from the examination of the House and country.

But while I take this position with respect to the Government, I am prepared to give a hearty support to all measures, whether coming from the Government or opposition which in my judgment are in the best interests of the Province.

Gentlemen, it will be quite impossible for me to visit all of you at your homes, but I appeal to you with confidence, feeling assured that your endorsation will be such as will teach the leader of the Government that he cannot safely refer to your representative as "the man who was supposed to represent the County of Carleton."

Respectfully,

M. C. ATKINSON.

Carleton Co., Jan. 2nd, 1890.

Southampton Parish S. S. Convention.

The Southampton Parish S. S. Convention will meet in the school house, Middle Southampton, on Saturday, January 18th. There will be two sessions, at 2.00 and 6 30 o'clock, p. m. S. J. Parsons and other prominent workers will be present. A general invitation to the public is cordially extended.

S. J. Parson, secretary of the N. B. S. S. Association, has just received another lot of reports of the London S. S. Convention, some bound in cloth, others in paper. They cost 75 cts. and 50 cts., respectively, and he will sell them at the cost price. Address him at Benton.

Wakefield Parish S. S. Convention.

The Fifth Annual Session of the Wakefield Parish S. S. Convention, was held in the Methodist Church, Jacksonville, on Wednesday, the 8th inst.

The President, James Good, took the chair at 2.45 o'clock, p. m., and the session was opened with music, and a prayer by Rev. S. J. Archibald.

The President then gave a short address relative to the work of the Convention during the year just ended.

The minutes of the last quarterly session were read and approved.

The Secretary then made his report, in which he stated that at least ten of the twelve S. Schools in the Parish are evergreen. The F. C. B. School at Third Tier had closed up quite early in the autumn.—The report suggested that, whereas the Executive Committee of the N. B. S. S. A. are now trying to devise some system whereby more acurate statistics of S. S. work in this Province can be obtained, some action should be taken by the Executive Committee of this Parish Convention, towards perfecting a system of collecting correct statistics of the work of the individual schools of the Parish.

On motion, the report was received, and the suggestions therein contained adopted.

The Finance Report of the Secretary Treasurer was then submitted, showing a balance on hand of $6.27. The report was submitted to Finance Committee to examine and report upon. The Finance Committee reported the account correct. It was then adopted and ordered to be placed on fyle.

The President appointed the following Nominating Committee to select and nominate officers for the ensuing year, viz.:—Messrs. J. A. Lindsay, L. B. Gallupe, Sanford Shaw, Chas. Plummer, and Joseph McCready.

The President then asked for reports from schools, by Superintendents and delegates.—The reports given, of which the following is a summary, were very satisfactory.

Somerville F. C. B. reported, by J. W. Stevens, Superintendent. This school was never before in so flourishing a condition as at present. Heretofore it had been considered impossible to maintain the school during the winter season, but they now find that the school can be maintained as well, if not better, in the winter season as in the summer.

Jacksonville Methodist, reported by J. Harper, jr. Attendance very good by adults as well as the one younger. The school is doing good work.

Victoria Corner R. C. B. reported by Geo. Cox. This school is about a year old; is in first-rate working order, and is doing good work.

Waterville Methodist, reported by E. A. Plummer, superintendent. School was organized the last Sunday in 1888, and has been open every Sunday since; is in very good condition and fairly well attended, but not so well as it should be.

Jacksonville Baptist, reported by Chas. Jacksn. School in good condition; attendance good, and doing good work.

Jacksontown Baptist, reported by Rev. S. J. Archibald. This school is open all the year; has an excellent superintendent and staff of officers; attendance very good, and a growing interest in the work, which is of very good quality.

Victoria Corner F. C. B., reported by L. B. Gallupe. School evergreen; is in about as good condition as previously reported; average attendance about 24; raised sufficient money during the year to procure new library and supply all other requirements.

Lindsay Union, reported by J. A. Lindsay. School evergreen; average attendance 33; in very good condition.

The Nominating Committee reported, and made the following nominations:

For President—John Harper, jr., Jacksonville.

Vice-President—J. A. Lindsay, Lindsay.

Secretary-Treasurer—J. T. Fletcher, Waterville.

Executive Committee—The President, Vice President, Secretary-Treasurer, Joseph McReady, Jacksonville and L. B. Gallupe, Victoria Corner.

The report was received and the nominations were confirmed by the Convention.

The newly elected President was then escorted to the chair by the retiring President.

The President invited the Convention to discuss the different phases of S. S. work.

The invitation was responded to, in an interesting discussion, in which the following took part:

Rev. S. J. Archibald, J. A. Lindsay, E. A. Plummer, S. Shaw, J. McCready, Jos. York, jr., J. W. Stevens, J. T. Fletcher, Chas. Plummer, Geo. Cox, and the President.

Chas. Plummer invited the Convention to hold its next quarterly session at Jacksonville. On motion, the invitation was unanimously accepted, and the time for holding the same fixed for Thursday, the 13th day of March next.

EVENING SESSION.

The President took the chair at 7.30 o'clock, and opened the session with singing, "Draw me Nearer," and prayer by S. J. Parsons.

Excellent addresses on S. S. work then followed by S. J. Parsons, Geo. L. Holyoke, and Rev. S. J. Archibald.

A collection amounting to $1.32 was then given for the work of the Convention.

Both sessions were enlivened with the singing of several familiar Gospel melodies.

Miss Bessie Harper presided at the organ during the afternoon session, and Mrs. Sml Harper during the evening session.

The Convention closed by singing "Shall we gather at the River," followed by prayer by Rev. S. J. Archibald.

J. T. FLETCHER, Sec.
