Think lars to was, was some return for Blair's Phinney submitted the following minority of very little of it Could not say whether any coming to St. John and thereby losing a day report; We, the undersigned, a minority of the CHILDREN'S Branch of the AID AS-

for the Country of Carleton, preferring certain charges against the Land. A. G. Blair, beg to report as follows: No direct evidence wat adduced before the committee on the part of the prosecution to e-tablish the truth of the charges as contained in the resolution, while Wednesday next, April 23rd. Mr. Blair has positively and emphatically denied all knowledge of any agreement with Mr Leary by which he "Leary" was January 15th, 1890. To J. H. BARRY,-Among my letters at to contribute to the election fund of Mr home, or office, is a large letter containing a Biair and his colleagues in York, or that Admission, 10 cts. Tea. 20 cts in gesting nim into the nouse when he expired. Mr. Currie was 68 years old and a most estimable man, neighbor and friend. He was one of the oldest of the railroad employees and for several years has been the physics and for several years has been the physics and for several years has been the structed to proceed only upon the particular interestor of bridges, in which capacity he characteristics and his contract between the Government and any money was received from Mr. Leary or his agents for that purpose. We desired that the Committee should be into the charge against Mr. Blair and his contract between the Government and Leary. Please send Solicitor General, St. John, morning mail. (Sgd) A. G. Blair.

The Attorney General claimed the right to get evidence of the part of the proceeding and which in our later than the considered it to) wide in its scope firmed what he had already said: that the proceeding many money was received from Mr. Leary or his agents for that purpose. We desired the charge against Mr. Blair and his collection from Mr. Leary or his agents for that purpose. We desired the charge against Mr. Blair and his collection from Mr. Leary or his agents for that purpose. We desired the charge against Mr. Blair and his collection from Mr. Leary or his agents for that purpose. We desired the charge against Mr. Blair and his collection from Mr. Leary or his agents for that purpose. We desired the charge against Mr. Blair and his collection from Mr. Leary or his agents for that the considered it to) who desired the section from Mr. Leary or his agents for the section from Mr. Leary or his agents for the considered in the considered in the solicitor General said this only many money was received from Mr. Leary or his agents for the considered in the solicitor General said this only many money was received from Mr. Leary or his agents for that purpose. We desired the considered in the solicitor General said this only many money was received from Mr. Leary or his agents for the considered in the considered inspector of bridges, in which capacity he charge, as it affected himself, contained in What in the world had it to do with the matter in question whether Mr. Blair put any We can not give the report of evidence in inquiry was relevant and important to the what in the world had it to do with the majority of the report of evidence in finding of the committee, and that in the majority of the committee is the committee of the committee. put and endersed by a large majority of the not? They might as well prove that the reserved statement, he denied that he had ever consequence the investigation has not been as Opposition, as he believed they had, spent had any communication either verbal or \$14,000 in St. John. It was just as relevant to the inquire.

They might as well plot that he had be had ever the bad any communication either verbal or justice to all concerned it should have been, written with Mr. Leary or any agent of his; and we have to express our regret that and we have to express our regret that The chairman thought they had proved he had not authorized any person, on his be- against the remonstrance of the undersignthat \$1,590 came here from St. John and half, to have communication with Leary in ed such testimony was ruled out. We also went into the York election fund.
