Lieut. Col. Baird's Book.

An attractively bound and well printed book of 358 pages contains Col. Baird's "Seventy years of New Brunswick life," Knowing the Colonel as we have for many years we are not surprised at the excellent manner in which the book is written. Our copy has into the claim of Mr. Kuchen against the been received after the press in other sections of the Province have had an oppor- sary and report back to Council tunity for review; and such reviews have plimentary terms. Hence a more

notice is required of us than would otherwise have been expected. The author, in the preface, tells his readers that the pages "prepared at different times, in moments of leisare, were originally intended for perusal by my children, friends or others who, in later of the erection of the Pumping S stron enyears, might have a desire to learn something graved on the stone a ove the door, but ot pioneer life in New Branswick" and some portions-sparks from a camp fire and his-
