A PENNY FOR YOUR THOUGHTS.

You were thinking about the new things you want and where to get them. Well, of course you will look around and satisfy yourself as to where you can do best.

ADVICE IS CHEAP

So we don't even ask a penny for ours, which is to see our stock before you make any final decision It is so easy to be

catches many a buyer, who on reflection, would sooner pay us an extra penny for a good article. Think this over.

Ayer's Sarsaparilla

The Best Blood Medicine

So say Leading Physicians and Druggists, and their opinion is indorsed by thousands cured by it of Scrofula, Eczema, Erysipelas, and other diseases of the blood.

"Ayer's Sarsaparilla has won its reputation by years of valuable service to the community. *It is the best.*"—R. S. Lang, Druggist, 212 Merrimack st., Lowell, Mass.

Dr. W. P. Wright, Paw Paw Ford, Tenn., says: "In my practice, I invariably prescribe Ayer's Sarsaparilla for chronic diseases of the blood."

Dr. R. R. Boyle, Third and Oxford sts., Philadelphia, Pa., writes: "For two years I have prescribed Ayer's Sarsaparilla in numerous instances, and I find it highly efficacious in the treatment of all disorders of the blood."

L. M. Robinson, Pharmacist, Sabina, O., certifies: "Ayer's Sarsaparilla has always been a great seller. My customers think there is no blood-purifier equal to it."

"For many years I was afflicted with scrofulous running sores, which, at last became so bad the doctors advised amputating one of my legs to save my life. I began taking Ayer's Sarsaparilla and soon saw an improvement. After using about two dozen bottles the sores were healed. I continue to take a few bottles of this medicine each year, for my blood, and am no longer troubled with sores. I have tried other reputed blood-purifiers, but none does so much good as Ayer's Sarsaparilla."—D. A. Robinson, Neal, Kansas.

Miscellaneous.

'I don't see why I can't keep my husband at home,' said a distressed little woman. 'Why don't you try to make it at ractive to him?' 'I have. I've taken up the parlor carpet, sprinkled sawdust on the floor, amd put a beer keg in the room, but some way or other it doesn't seem to make any difference,'

Mrs. Oldpurse—Yes I called on Mrs. Newcomer to-day. I think I'm going to like her. She took me at once into her confidence.'

Mrs Pneumonie—Did she? Now tell me how it is furnished I'm dying to know.

He (fearful of a rival)—Bobby, does a young man call here nights to see your sister?

Bobby—Mr. Wilkins calls on sister, but not to see her, I guess, 'cos there aint no light in the parlor when they're there.

A Cincinnati school girl, coming to report having won two prizes, remarked that one of them was for having the best memory. Being asked what the other prize was for, she replied: 'For the life of me, I can't just now think what that was for.'

Tailor—I really do hope you will settle this little account to-day, sir. I have a heavy bill to pay my cloth merchant.

Captain (calmly)—Confound your impudence! You go and contract debts and come dunning me to pay them. Get out or I'll send for the police.

Friend of the family—What in the world are you setting that trap on the front steps for?

Young hopeful—To catch the wolf. Pa said that if ma ordered any more of those California peaches we should have the wolf at the door; and she's gone and done it, for I heard her.'

ADVICE TO MOTHERS

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for children teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures dysentery and diarrhœa, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle Be sure and ask for "Mrs. Winslow's Soothing Syrup" and take no other kind.

'I tell you,' said Mr. Goslo, 'This campaign reading that they send around has a wonderful effect. It fills me with kindling enthusiasm. 'Well,' replied his wife, 'kindling enthusiasm is what you need more than anything else. There ain't a stick of wood split.

Uncle George—Why, Hatty, I saw you and Tom Dashaway talking like all possessed last evening. You know what you told me, 'we do not speak as we pass by.'

Hatty—'I know it uncle; but then you see we don't pass by.

C. C. Richards & Co.

Gents,—I took a severe cold, which settled in my throat and lungs and caused me to entirely lose my voice. For six weeks I suffered great pain and discomfort, and tried numerous remedies. My wife advised me to try MINARD'S LINIMENT and the effect was magical, for after only three doses and an outward application, my voice returned and I was able to speak in the Army that night, a privilege I had been unable to enjoy for six weeks. These facts can be verified by numbers of people in this town

CHARLES PLUMMER.

Yarmouth.

Two cute fellows did a lively business at Pennsylvania fair selling "cold tea" at 50 cents a bottle. The thirsty purchasers, who had been beguiled by a deceptive wink, found that the beverage was indeed cold tea, and would have made it warm for the sellers if they hadn't left.

'So Herbert is member of the milltia, is he?' 'Yes.' 'How does he rank?' 'I don't know exactly, but I'm sure he ranks well, because I heard papa say that he was the rankest soldier he ever saw.'

What Am I to Do?

The symptoms of Biliousness are unhappily but too well known. They differ in different individuals to some extent. A Bilious man is seldom a breakfast eater. Too frequently, alas, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, at all events.

The digestive system is wholly out of order and Diarrhœa or Constipation may be a symptom or the two may alternate. There are often Hemorrhoids or even loss of blood. There may be giddiness and often headache and acidity or flatulence and tenderness in the pit of the stomach. To correct all this if not effect a cure try *Green's August Flower*, it costs but a trifle and thousands attest its efficacy.

Heathen nations have, different legends as to the origin of women. The Japanese believe that she grew on a tree, the Laplanders that she was once a rabbit, the Persians that she fell from the heavens, and the Australians that she was once a toad.

Mrs. Quizine—Gretchen, I am told Hans have given you a beautiful engagement ring. Where is it?

Gretchen—Oh, Hans vear it himselluf. He vas afrait I lose him mit anoder feller.

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. Noyes, 820 *Powers' Block, Rochester, N. Y.* 26t-e o w-6

A Baltimore street preacher says: 'The Devil gets around just before election time.' He is probably aware that just before election is the only time the candidates are not too proud to shake hands with him.

"Gift Enterprises" seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting *something* out of *nothing*, if possible. Grocers get 6 boxes for 5 of some kinds, and are offered all sorts of "Nick Nacks" with others, as an inducement to recommend such soaps to their trade.

It is a well known fact, however, that a genuine article in this day of competition pays no fancy profits. WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

He—What a beautiful moon that is, darling. Could you ask for a better one?

She—(Tired of waiting for him to propose) Yes, George—a honeymoon.

Soreness in body or limbs, promptly relieved by Johnson's Anodyne Liniment used externally.

Teacher—Can you tell me what a secret is?

Little girl—Yes'm. It is something somebody tells everybody else in a whisper.

'Have you a license?' asked a man of a Wolfville bicyclist. 'A license?' asked 'Oaksie' in astonishment, 'What do I want a license for?' 'To pe ial.

A Good Investment

Is that which yields large returns from a small outlay. Reader, the way is clear! No speculation, no chance, big returns! If you are like most of mankind you have somewhere a weakness—don't feel at all times just as you'd like to—headache to-day, backache to-morrow, down sick next week—all because your blood is out of order. A small outlay and what large returns! You invest in Dr. Pierce's Golden Medical Discovery and soon pure, fresh blood courses through your veins, and you are another being!

Many people put up a fancy sign in their parlors asking God to bless their homes, and then they themselves do all they can to curse it.

The Beginning of Death.

Disease is the beginning of death, its approach should be met at once by appropriate remedies. No better means exist than the use of Burdock Blood Bitters whenever symptoms of any disease of the stomach, liver, bowels or blood appear. B. B. B. is the best life preserver.

'John,' said a journalist's wife as he came home with a black eye, a cut nose and a bandaged jaw, 'where on earth did you get that display head?'

"Things are Seldom What They Seem."

While the above is, in the main, true, still there is an exception to the general rule, as is the case in many instances. We refer to Dr. Pierce's Pellets, which are not only as they seem but more. In torpid liver, indigestion, sluggishness of the bowels, biliousness, and headache, the relief afforded by their use is wonderful.

Stranger—I'm very glad to have met you, and would be pleased to have you call on me at your leisure.

Editor—Leisure? What's that?

A Horse: A Horse is not much good when troubled with Cough, Cold, Obstruction of the Bladder or Kidney. Garden's Condition Powder will cure. Full lb packages 25c. Sold everywhere
