DON'T GIVE UP

The use of Ayer's Sarsaparilla. One bottle may not cure "right off" a complaint of years; persist until a cure is effected. As a general rule, improvement follows shortly after beginning the use of this medicine. With many people, the effect is immediately noticeable; but some constitutions are less susceptible to medicinal influences than others, and the curative process may, therefore, in such cases, be less prompt. Perseverance in using this remedy is sure of its reward at last. Sooner or later, the most stubborn blood diseases yield to

Ayer's Sarsaparilla

"For several years, in the spring months, I used to be troubled with a drowsy, tired feeling, and a dull pain in the small of my back, so bad, at times, as to prevent my being able to walk, the least sudden motion causing me severe distress. Frequently, boils and rashes would break out on various parts of the body. By the advice of friends and my family physician, I began the use of Ayer's Sarsaparilla and continued it till the poison in my blood was thoroughly eradicated."—L. W. English, Montgomery City, Mo.

"My system was all run down; my skin rough and of yellowish hue. I tried various remedies, and while some of them gave me temporary relief, none of them did any permanent good. At last I began to take Ayer's Sarsaparilla, continuing it exclusively for a considerable time, and am pleased to say that it completely

Cured Me.

I presume my liver was very much out of order, and the blood impure in consequence. I feel that I cannot too highly recommend Ayer's Sarsaparilla to any one afflicted as I was."—Mrs. N. A. Smith, Glover, Vt.

"For years I suffered from scrofula and blood diseases. The doctors' prescriptions and several so-called blood-purifiers being of no avail, I was at last advised by a friend to try Ayer's Sarsaparilla. I did so, and now feel like a new man, being fully restored to health."—C. N. Frink, Decorah, Iowa.

Miscellaneous.

He—'What sort of an animal would you prefer to be, Miss Northcote—that is, if you had to be an animal?'

She—'Oh, I don't know, I am sure. But I know what sort of an animal I would like to have you be.'

He (curiously)—'What?'

She—'A weasel!'

He—'A weasel!—and pray why?'

—She—'Don't you remember the old nursery rhyme 'Pop goes the weasel'?'

Little Bobby—'Don't you want to take me up to the toboggan slide with you some day, Mr. Jinks?' Mr. Jinks—'I never go to any toboggan slide, Bobby; never even saw a toboggan.'—Bobby (a trifled nonplussed), 'That's funny; I heard pa say something about your going down-hill at a furious rate.'

'Mama, I know that gentleman's name that called to see Aunt Ellie last night and nobody told me, either.'

'Well, then, what is it, Bobbie?'

'Why, George Dunn't. I heard her say George don't in the parlor four or five times hand running. That's what his name is.

Jack Overstroke (who is unwillingly giving Miss Olecrop a swimming lesson) 'Now don't be afraid. Just trust yourself to me, and let me support you.' Miss Olecrop—'It's rather an unfair advantage to take in the water; but you may ask p-p- papa.'

And now he madly shifteth
That carpet from the room;
And now she fiercely lifteth
Those cobwebs with a broom.
They scold and fight like tartars,
And smash things, what's the reason
Why bless your socks and garters,
It is house-cleaning season!

ADVICE TO MOTHERS.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of "MRS. WINSLOW'S SOOTHING SYRUP" for children teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures dysentery and diarrhœa, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. "MRS. WINSLOW'S SOOTHING SYRUP" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle Be sure and ask for "MRS. WINSLOW'S SOOTHING SYRUP" and take no other kind.

A little tot saying her prayers was asked by her mother why she had not asked God's forgiveness for some special act of disobedience. 'Why, mama, I didn't s'pose you wanted it mentioned outside the family.'

MESSRS. C. C. RICHARDS & Co.
Gents,—Having used MINARD'S LINIMENT for several years in my stable, I attest to its being the best thing I know of for horse flesh In the family, we have used it for every purpose that a liniment is adapted for, it being recommended to us by the late Dr. J. L. R. Webster. Personally I find it the best allayer of neuralgic pain I have ever used.

B. TITUS,
Proprietor Yarmouth Livery Stable.

A young man was calling on a congressman's daughter the other evening, when the father appeared at the parlour door. 'May I come in?' he asked hesitatingly. 'Oh, yes,' she answered, 'you may, but we have a quorum without you. Then he didn't.

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 820 *Powers' Block, Rochester, N. Y.* 26t-s o w-6

Scarcasm of the streets.—Benevolent old lady—Dear! dear! little boy, why do you sit on the curbstone eating those crusts?

Small boy—I'm doin' it for me health, ma'am. You didn't suppose I was hungry did ye?'

Don't

let that cold of yours run on. You think it is a light thing. But it may run into catarrh. Or into pneumonia. Or consumption.

Catarrh is disgusting. Pneumonia is dangerous. Consumption is death itself.

The breathing apparatus must be kept clear of all obstructions and offensive matter. Otherwise there is trouble ahead.

All the diseases of these parts, head, nose, throat, bronchial tubes and lungs, can be delightfully and entirely cured by the use of Boschee's German Syrup. If you don't know this already, thousands and thousands of people can tell you. They have been cured by it, and "know how it is themselves." Bottle only 75 cents. Ask any druggist.

'Mama,' said Tommy, as he watched his little brother squirming in the bathtub, 'Willie is like a piece of flannel.'

'What makes you think so?' asked his mother. 'Oh, because he shrinks so when he's washed.'

"Gift Enterprises"

seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting *something* out of *nothing*, if possible. Grocers get 6 boxes for 5 of some kinds, and are offered all sorts of "Nick Nacks" with others, as an inducement to recommend such soaps to their trade.

It is a well known fact, however, that a genuine article in this day of competition pays no fancy profits. WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

'I understand young Briefless is about to marry the daughter of old Bonds, the millionaire.' 'Yes: so I am told.' 'Will he give up the law business?' 'Yes; he will give up the law business and go into the son-in-law business.'

Well Adapted.

The effective action on the granular system and the blood, and the general regulating tonic and purifying action of B. B. B., especially adapted for the bilious, nervous, costive or scrofulous. From 3 to 6 bottles will cure all blood diseases from a common pimple to the worst scrofulous sore

Mrs. Simpson—So your servant has run off. How foolish in her to leave a good home like this Don't you think she'll regret it? Mrs. Sampson—Yes, my husband went with her.

'There's a big blunderbuss at the window;
There's a cat on the back yard fence;
There's a shot; there's a squall,
And a long caterwaul,
And then—there is silence intense.

Lame Back Cured.

"Seven years ago I was troubled with lame back and could scarcely move. Several remedies failed but on trying Hagyard's Yellow Oil I found immediate relief, and two bottles effected a complete cure."

'How are you succeeding, Mr. Hornblower, in your work?' 'Magnificently. There's a great awaking at the close of every sermon.'

One of the BEST Telescopes in the world. Our facilities are unequaled, and to introduce our superior goods we will send FREE to ONE PERSON in each locality, as above. Only those who write to us at once can make sure of the chance. All you have to do in return is to show our goods to those who call—your neighbors and those around you. The beginning of this advertisement shows the small end of the telescope. The following cut gives the appearance of it reduced to

about the fiftieth part of its bulk. It is a grand, double size telescope, as large as is easy to carry. We will also show you how you can make from $3 to $10 a day at least, from the start, without experience. Better write at once. We pay all express charges. Address, H. HALLETT & CO., Box 880, PORTLAND, MAINE.
