THE NATIONAL W. C. T. U. CON-VENTION OF 1890.

ATLANTA, GA., NOVEMBER 14-18.

Synopsis of Miss Willard's Address. BELOVED FRIENDS AND COMRADES, - Gratetle sent forth a long shriek of alarm. In the din of the voices and the whistle a second splash, following the first, escaped the notice of all save Puddin, the little bootblack. He could not very well help noticing it, for it was made by one help noticing it, for it was made by one The boat had moved forward twenty statesman. We have come to the Georgia of or thirty feet before the straining eyes of the throng on board saw a form rise slowly to the surface. There was the and Richard Malcolm Johnson, the Georgie blue of her little coat and the gold of her hair floating tangled. In the hurry and the land of those famous champions of our

the baby was not alone, but that some- But "King Alcohol is enthroned in the thing was holding her upon the top of realm of King Cotton," to quote the words of the water; and the wailing mother had that scholarly Georgian, Professor Scomp, no ears for the plaintive voice of frighten- and Atlanta's proud neck has once 'Don't be skeered, mum-Mister's in! five years ago. Nevertheless, Georgi the signal honor of having been the She only wrung her hands, and kept her eyes and her thoughts upon the water, while Puddin' pulled her dress and stammered again and again, 'Don't whole colony, not then two years old, put under prohibition of rum and distinguished. be skeered, mum, Mister's in!

Yes, Mister is 'in!' Every few seconds his pale face comes to the surface onds his pale face comes to the surface State to start a temperance newspaper in for an instant, and then disappears again in the struggle to keep the little head above water. Near by is a slab of float-

All ages have witnessed to some degree the ceeds in resting the form of the little girl upon the slab of ice. The people on the ferry-boat, seeing the child lifted from the water, cheer excitedly.

All ages have witnessed to some degree the chivalry of man, but this age is giving us a new development—the chivalry of women. For the magnificent material civilization of force has a worm in the bud. It is not more Meantime it is going hard with the boy. He manages to cling to the edge of the ice-slab, though the current almost sweeps him underneath, and he gasps for breath. But that puffing little tug is very near now. The people upon her have seen the trouble and are coming to the rescue. The tug glides quietly in, close to the drifters. Strong arms are put forth, and then, in an instaut, the shivering, fainting boy and bis charge are safe.

force has a worm in the bud. It is not more certain that jungles are dangerous because of lions, and rocky valleys because of snakes, than cities have their wild beaste and stealthy serpents. Man has killed off the roaring beasts and creeping things that hiss and spit out venom, because he has a strong arm and stout heart. St. George slew the dragon and their elevation of the spirit with untrembling hands, and their chivalers to

together, and they cry. 'Hand up the baby!' and try to take her from him.

No! He chings stubbornly. Then they decide to band up both together, and in a moment more it is done. The crowd parts, and the shivering, white boy hobbles across the deck where the balffainting mother kneels. The tears of suffering are atreaming down his own. her arms and gasps, through his chattering teeth, 'Merry Christmas. mum!'

Mister Gilligan saw no 'terboggins'
hat day. When he pert arms in the same suffering are streaming down his own ministries; that have sheltered helpless in-haggard face as he places his burden in fancy; cooled the fevered brow of anxious

A Friend's Face.

A friend's face often looks sour and glum from the effects of misery-making biliousness or liver complaint. If we tell him to use Burdock Blood Bitters and he does it, the face soon brightens with returning health and happiness. B. B. B. B. The consequence of the ingrease of taxes.

This offer will commence at this date.

In consequence of the ingrease of taxes.

In consequence of the increase of taxes upon property held by religious bodies recently decided upon by the French Chamber of Deputies, the Sieters of Charity at Paris have resolved to remove to London. A despatch from Lexington, Ky., saye that while sitting in her room talking Mrs. J. Harry Brent, of Paris. Ky., felt the muscles of her right leg suddenly contract with such force as to break the limb just below the hip joint. The children were badly frightened by the noise the bone made in breaking, and ran for a doctor, who quickly arrived. Be-The special quality of Ayer's Hair Vigor is that it restores the natural growth, color, and texture of the hair. It vitalizes the roots and follioles, removes dandruff, and heals itching humors in the scalp. In this respect, it surpasses all similar preparations. BRUSSELS, Dec. 17.—To-day at Escouffical colliery, Hornu, Province of Hamont, 18 men were in a cage about to be lowered into the pit. The rope connecting the cage with the drum broke and the men were precipitated to the bottom of the shaft. Every one of the occupants of the cage was killed.

woman, however, the muscles of her left leg contracted severely and in a few minutes it had broken exactly like the other. Her sufferings are intense, and it is feared that she will die. The woman is about 40 years old and has been apparently in good health till within a few days.

Easily Caught.

Croup, colds, sore throat and many painful ailments are easily caught in this changeable climate. The never-fatling remedy is just as easily obtained in Hagyard's Yellow Oil, which is undoubtedly the best of all the many remedies offered for the cure of cold or pains.

The United States government holds in its vaults a greater amount of gold and silver than any other government in the world. It

WE would respectfully announce to the public generally that we are better prepared than ever to supply their wants as we have the largest and best stock of MARBLE ever imported into this County, and which we will sell cheaper than the cheapest

Parties wanting anything in the above line would do well to call and learn prices.

Toronto, Dec. 16 — The Globe's Washing ton correspondent says: "There are indications of a crisis in the matter of negotiations between Great Britain and the United States in lifting immense weights on and off ship-
