**Miscellaneous.**

She—And John has married Miss Spaine? Well, he certainly didn't marry her for her beauty.

He—No, he married her for her money; but she thinks he married her for her beauty.

She—How foolish she must be!

He—Not at all. It's woman's like. If you were to get married to-morrow, would you think you were being married for your beauty instead of—instead of your beauty and intellect combined.

**Why Struggle.**

Why struggle with exhausting diseases when you may be promptly cured by the use of nature's remedy—Burdock Blood Purifier—the perfect cure for dyspepsia, biliousness, constipation, skin diseases and all forms of blood impurities, a common simple to the most serious cases.

Miss Plainey—How tenderly Mr. Thoughtful cares for his wife! Miss Cautious—Yes; it would be terrible if she were to die before she inherited her father's fortune, wouldn't it?

**Like Paralysis.**

"For years I suffered with my back which sometimes became so painful that I suffered agony for months and could not sleep, but now, thanks to your Burdock Blood Purifier, I am strong again, have no pain and can work, eat, sleep, and sleep well."—Mrs. Hamner, 28 Charlotte St., Toronto.

"Does the world move?" cried the evangelist passionately. "It does," murmured the sleepy sinner in the back pew. "If it didn't where would the truck business be?"

**Dispepsia.**

This disease may be traced to a variety of causes, such as constipation, liver troubles, improper food, etc. There is one cure—Burdock Blood Purifier—which may be thoroughly relied on to effect a permanent cure. It has cured obstinate cases of 25 years standing.

"Nurse! ain't that it used to be," said Mrs. Gamp. "They fix up all their medicines so nice nowadays that there ain't no fun in makin' people take it at all."

**Sharpen—What makes your nose so red?**

Phalaris—It grows with pride because it never pokes itself into other people's business.

Rug Hay's is headquarters for Opague Blinds.

"Nature," says Scappleton, "never makes a mistake." "Oh, I don't know about that; look at the dude." "Yes, but she didn't waste any brains on him."

**THE BEST CURE FOR THE BRONCHITIS, COUGHS, COLDS, OR ANY FORM OF WASTING DISEASES.**

**DYSPEPTICURE**

THOUSANDS of bottles of DYSPEPTICURE have been sold during the past year without any advertising whatever. It easily overcomes Indigestion, and positively cures the worst cases of Chronic Dyspepsia; this quality of curing the disease explains the large and increasing sale without having been brought prominently before the public.

**THE PAMPHLET**

on DYSPEPTICURE gives the results of many years' study on the disease of Chronic Dyspepsia. All interested in these subjects, Chronic Dyspepsia, Indigestion, should read this Pamphlet. It is wrapped about each bottle of the remedy, or will be promptly mailed free to any address.

**DYSPEPTICURE**

Is sold by all Druggists—Sample Size 25c; Large Bottle \$1.00. Those who cannot get it easily will receive a large bottle by mail, all expenses prepaid, on sending \$1.00 by registered letter or P. O. Order to the maker, Charles E. Shaw, 714 Broadway, New York, N. Y.

P. S.—DYSPEPTICURE is being daily sent with copies of the Pamphlet, to Canada and the United States in a special mailing package.

**What Am I to Do?**

The symptoms of Biliousness are unappetizing to food, a heavy tongue, a bilious man, a bilious breakfast, etc. Two frequently, also, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, at all events.

The digestive system is wholly out of order and Diarrhoea or Constipation may be a symptom or the two may alternate. There are often hemorrhoids or even loss of blood. There may be giddiness and often headache and acidity or flatulence and tenderness in the pit of the stomach. To correct all this, a man should take a course of **Dr. J. C. Flower's** pills, a bottle and a trial and thousands attest its efficacy.

Teacher—What gender is "cat?" Little Boy—Please, do you mean an ash cat?

Teacher—Yes, any kind of a cat.

Boy—Well, I guess an ash cat must be of the female gender, 'cause I saw a bundle hanging on behind one day.

**Shall Women Be Allowed to Vote?**

The question of female suffrage has agitated the tongues and pens of reformers for many years, and good arguments have been adduced on both sides. Many of the reformers could vote intelligently, and many would vote as their husbands did, and give no thought to the merits of the cause. The reformers who are in favor of it, are a lot of their sex. It is unequalled for the cure of leucorrhoea, abnormal discharges, nervous sickness, and the countless ills to which women are subject. It is the only remedy for women's peculiar diseases and ailments, sold by druggists, under a positive guarantee from the manufacturers, that it will give satisfaction in every case, or money will be refunded. See guarantee on wrapper around bottle.

"Poor Morrow, he is hopelessly mad." "Really? What brought it about?" "Housecleaning. He thinks he is a carpet, he got so many tacks in various parts of him, and now he's afraid the men are coming to beat him."

**To Consumptives.**

The undersigned having been restored to health by special means, after suffering for several years with a severe lung affection, and that dread disease CONSUMPTION, is anxious to make known to his fellow sufferers the means which he used to overcome his affliction. He will cheerfully send (free of charge) a copy of the prescription used, which they will find a sure cure for Consumption, Asthma, Catarrh of the Throat, and all throat and lung Maladies. He hopes all sufferers from these diseases will try his remedy, as it is the only one that will cure them. Those desiring the prescription, which will cost nothing, and may prove a blessing, will please address, Rev. Edward A. Tilton, 114 Broadway, New York, N. Y.

Little Willie—Mamma, you told me God sent him here, and now baby's dead.

"Yes, baby's gone back to God."

"What? Was baby down here on a vacation?"

"Gift Enterprises"

seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting something out of nothing, if possible. They get a box for 5c of some kind, and are offered all sorts of "Nick Nacks" with others, as an inducement to recommend such soaps to their trade.

It is a well known fact, however, that a genuine article in this line constitutes a paying profit. WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

Little girl (reading)—Nature unadorned is adorned the most. What does that mean?

Little brother (after deep thought)—I guess it means a real chicken is nicer than a chicken with its feathers on.

It Depends on the Liver.

"Is life worth living," somebody asked, and the facetious reply was, "That depends on the liver." Health and happiness are joined together. If a man's liver is out of order, his whole system is deranged. He suffers from top to toe. This is the danger. He suffers from top to toe. This is the danger. He suffers from top to toe. This is the danger.
