Ayer's Sarsaparilla
The Best Blood Medicine

So say Leading Physicians and Druggists, and their opinion is indorsed by thousands cured by it of Scrofula, Eczema, Erysipelas, and other diseases of the blood.

"Ayer's Sarsaparilla has won its reputation by years of valuable service to the community. *It is the best.*"—R. S. Lang, Druggist, 212 Merrimack st., Lowell, Mass.

Dr. W. P. Wright, Paw Paw Ford, Tenn., says: "In my practice, I invariably prescribe Ayer's Sarsaparilla for chronic diseases of the blood."

Dr. R. R. Boyle, Third and Oxford sts., Philadelphia, Pa., writes: "For two years I have prescribed Ayer's Sarsaparilla in numerous instances, and I find it highly efficacious in the treatment of all disorders of the blood."

L. M. Robinson, Pharmacist, Sabina, O., certifies: "Ayer's Sarsaparilla has always been a great seller. My customers think there is no blood-purifier equal to it."

"For many years I was afflicted with scrofulous running sores, which, at last became so bad the doctors advised amputating one of my legs to save my life. I began taking Ayer's Sarsaparilla and soon saw an improvement. After using about two dozen bottles the sores were healed. I continue to take a few bottles of this medicine each year, for my blood, and am no longer troubled with sores. I have tried other reputed blood-purifiers, but none does so much good as Ayer's Sarsaparilla."—D. A. Robinson, Neal, Kansas.

Miscellaneous.

Master Tommy went into the room where his sister was entertaining her beau.

"Oh, you've found it ag in, haven't you, Mr. Smith," he said.

"Found what, Tommy,' asked Mr. Smith, blandly.

'Your head; sister said you lost your head last night when you popped to her."

Awful silence, followed by Master Tommy's retreat from the room.

Miss Sharp—Ah, Mr Dullard you are looking the part of the Black Prince to perfection.

Mr. Dullard—Ye-es; but do you know, Miss Sharp, I feel like a perfect idiot.

Miss Sharp [earnestly] — Now, that will never do, Mr. Dullard. At a masquerade, as on the stage, one must forget his real character entirely.

Daughter—You should have turned down the upper corners of your visiting cards, ma, when you called on the bride. That means congratulation. But you turned down the lower corners. That means condolence

Matron [with dignity]—You'd better wait till you are married before you criticise your ma.

"Say, pa, Solomon was the wisest man that ever lived, wasn't he?"

"Yes, my son, he is so considered."

"And he had three hundred wives, didn't he?"

"I believe that is the number."

"Say, pa, if Solomon was the wisest man that ever lived, how did he ever come to get in such a fix—you can't live peaceably with one?"

"Hem! haw! hem! he got wise after he married them. You go to bed."

For Over Fifty Years.

MRS WINSLOW'S SOOTHING SYRUP has been used by millions of mothers for their children while teething. If disturbed at night and broken of your rest by a sick child suffering and crying with pain of Cutting Teeth send at once and get a bottle of "Mrs Winslow's Soothing Syrup" for children Teething. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures Diarrhœa, regulates the Stomach and Bowels, cures Wind Colic, softens the Gums, reduces Inflammation, and gives tone and energy to the whole system. "Mrs Winslow's Soothing Syrup" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Price twenty-five cents a bottle. Sold by all druggists throughout the world. Be sure and ask for "Mrs. WINSLOW'S SOOTHING SYRUP.

Governess—Tommy, name the seven wonders of the world.

Tommy—The pyramids, the sphinx, another sphinx, the gardens where they hanged in Babylon, my sister's beau, hash and myself.

The punishment that followed was another wonder to Tommy.

MESSRS C C RICHARDS & Co,
Gentlemen.—In playing Tennis I wrenched my ankle, causing me much suffering and inconvenience, but by using MINARD'S LINIMENT I was confined to the house a single day. After a few days I was able to continue training for the sports at the Halifax Carnival for which I had entered.

F. COULSON,
Yarmouth. Instructor Y.A.A.C.

"I am going to be your hub," said the young carriage builder from Boston as they stood before the altar.

"Yes," said the blushing bride, who intended always to have the last word, "and I will supply the spokes."

"And I," wound up the clergyman as he joined their hands, "am the tie-r."

To Consumptives.

The undersigned having been restored to health by simple means, after suffering for several years with a severe lung affection, and that dread disease CONSUMPTION, is anxious to make known to his fellow sufferers the means of cure To those who desire it, he will cheerfully send (free of charge) a copy of the prescription used, which they will find a sure cure for CONSUMPTION, ASTHMA, CATARRH, BRONCHITIS and all throat and lung Maladies. He hopes all sufferers will try his Remedy, as it is invaluable. Those desiring the prescription, which will cost them nothing, and may prove a blessing, will please address, Rev. Edward A. Wilson, Williamsburg, Kings County, New York —1y-46

Mrs. Uneasy [weeping] — Potiphar, dear, I don't know, but I believe my liver is out of order.

Mr. Uneasy—Oh, well, never mind as long as you have a kind heart. I didn't marry you for your liver.

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 820 *Powers' Block, Rochester, N. Y.* 26t-e o w-6

Old Mr. Dadkins—Ar-a-r-r! So I have caught you kissing my daughter, have I?

Young Mr. Cooley—I trust there is no doubt about it, sir. The light is quite dim, and I should feel vastly humiliated if it should turn out that I had been kissing the cook.

What Am I to Do?

The symptoms of Biliousness are unhappily but too well known. They differ in different individuals to some extent. A Bilious man is seldom a breakfast eater. Too frequently, alas, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, at all events

The digestive system is wholly out of order and Diarrhœa or Constipation may be a symptom or the two may alternate. There are often Hemorrhoids or even loss of blood. There may be giddiness and often headache and acidity or flatulence and tenderness in the pit of the stomach. To correct all this if not effect a cure try *Green's August Flower*, it costs but a trifle and thousands attest its efficacy.

She—Don't you feel a draught over there near the window?

He (taking the hint)—I don't know but I do. What would you advise me to do—pull the blind down or move over nearer to you?

She—Both.

"Gift Enterprises"

seem to be all the rage in the Soap Business, owing to the idea of some manufacturers of getting *something* out of *nothing*, if possible. Grocers get 6 boxes for 5 of some kinds, and are offered all sorts of "Nick Nacks" with others, as an inducement to recommend such soaps to their trade.

It is a well known fact, however, that a genuine article in this day of competition pays no fancy profits. WELCOME SOAP represents this class of goods, and demonstrates the value of quality in manufacture, which is the only guarantee of a pure and legitimate washing quality.

"Queer critters women is," said Uncle Jehiel. "When one of them starts in to get a man all the others tries to head her off, an' then, soon as she gi s him, they all turn round and help her to manage him."

New Dress Goods, New Cambrics, New Laces &c.; Hamburgs in great variety just opened at, B. B. Manzer's.

"Do you believe in fate, Pat?"

"Sure, an' phwat would we stand on without 'em?"

Minard's Liniment cures Burns, &c.

Priest—Well, Dennis, you're married I hear. I'm very glad of it. How do you and your wife get along together?

Dennis—Well yer riverence, Oi t'ink we get along besht together when we're apart.

Elderly Aunt—My dear, I have just put you down in my will for $10,000.

Her Niece—Oh, auntie, what can I say to thank you? How are you feeling to-day?

It is easy for a girl to fall in love with a worthless man, but when she has to support him by taking in washing—ah, there's the rub.

The Common Lot.

There is a place no love can reach,
There is a time no voice can teach,
There is a chain no power can break,
There is a sleep no sound can wake

Sooner or later that time will arrive, that place will wait for your coming, that chain must bind you in helpless death, that sleep must fall on your senses. But thousands every year go untimely to their fate, and thousands more lengthen out their days by heedful, timely care. For the failing strength, the weakening organs, the wasting blood, Dr Pierce's Golden Medical Discovery is a wonderful restorative and a promoter of strength and life. It purifies the blood and invigorates the system, thereby fortifying it against disease Of druggists.

"At what age were you married?" she asked, inquisitively.

But the other lady was equal to the emergency, and quietly responded: "At the parson-age."

Famous Women.

It is a significant fact that most of the women who have achieved fame in art, literature, or "affaire," have enjoyed vigorous health This shows that the mind is never capable of the severe and continued application necessary to creative work, unless the body is at its best The woman who aspires to fill an exaulted place among her associates, must be free from nervous debility and female weaknesses. Dr. Pierce's Favorite Prescription will banish these, and it is warranted to restore those functional harmonies which are indispensable to heath. As a specific for all those chronic weaknesses and ailments peculiar to women, it is unequaled

Dentist (pleasantly)—Is it a hollow tooth?

Victim—Well, you'd say it was if you had heard me hollow for the last two days

Worthy of Confidence.

Those who have used it praise it! Mrs. Geo Ward writes from Josephine, Ont, concerning Hagyard's Yellow Oil: "As a sure cure for chapped hands, swellings, sore throat, etc., I recommend Hagyard's Yellow Oil to all."

Husband—I wonder how I have caught this terrible cold.

Wife—Why, dear, don't you know you were reading the weather reports!

A Common Origin.

All skin diseases of whatsoever name or nature are caused by impure blood. Burdock Blood Bitters is a natural foe to impure blood, removing all foul humors from a common pimple to the worst scrofulous sore

"Talking about striking a tender chord," soliloquized the tramp, at the woodpile; "this is one of the toughest cords I ever struck."

For Opaque Blinds and Window Poles always go to Hugh Hay's.

Maid—Oh, madam, your husband has fallen in a fit on the parlor floor.

Madam—Dear me! Did he break any of the bric-a-brac?

A noble gift to the world, Dr. Johnson's left in Johnson's Anodyne Liniment. Many bless him.

"My wife borrows lots of trouble."

"How strange that is!"

"Yes, particularly when she is so successful making it."

Minard's Liniment relieves Neuralgia.

Never confide in a young man—new pails leak. Never tell your secrets to the aged—old doors seldom shut closely.

To Those Interested in Fruit Growing.

IT is often said that the New Brunswick is a splendid apple, none better, but it lacks such a short time. Why can't we grow a good keeper like the American Baldwin We have that apple in the Wealthy which is just as hardy and productive as the New Brunswick, the apple being as good if not better than the Baldwin. Wealthy apples are for sale and on exhibition at G W. Slipp's, where those who want a good apple or are interested in fruit growing are cordialy invited to call and see the best apple ever introduced to this part of the country.

Dr. Hoskins of Vermont, authority on fruit growing says, that fruit growing is profitable six hundred miles further north than was suppposed to be possible before the Wealthy was originated.
