but Pearl her baby, was the dearest on

earth to the gay little widow.

sympathizes with me.'

and a shuffling of feet.

ing up in affright.

wife had never felt much love for him.

a true lady if she does occupy the position Nettie would be stronger and better

blood that runs in your veins.'
Fred Vanderhoof sighed heavily.

treats her like a sister.'

-Charles Dickens

For you as well as me;

The doors of all are open wide-

The realm of thought is free.

Provided that you do not try

To crowd some other man.

By fostering all that's bad;

The best that may be had;

To each day's record such a one

And never try to crowd.

That you may well be proud;

But give to every virtue room-

In all earth's places you are right To chase the best you can—

Centreville, Vice-president.

The public meeting held at 7 o'clock was well attended and a very interesting programme carried out, the new President, Mrs. Jordan, occupying the chair: II ly Scripture, 13th Oh. 1st Cor. read; Hymn, All hail the power of Jesus' name sung; Prayer women are rapidly making their way into the faculty of medicine in England. No fewer than 107 students attend the London Jones of Woodstook, replied; Mrs. Carr gave the address of welcome to visitors; Mrs.

in debt; but according to recent returns her Membership and Influence of Churches. A great deal of speculation has been rife of late, in certain quarters, regarding the Membership and Influence of our Churches. Several newspapers have sounded a note of warning, that our Church Membership has of late years not been holding its own—that, if not positively decreasing, it at least has not been increasing at a rate which we had a right to expect from our increasing population, augmented efficiency of churches, and other the towns, and upon the canals, ponds and rivers. Salted and smoked duck and duck's indicate a very decided decadence in Church eggs play an important part in feeding the Influence. We have endeavored to look A special from Chattanooga says that Mr. our disposal—Ascembly, Synod and Confer-T. Mere figures, viewed without regard to the second day. She told them her story with the request to hide near by, as the negro would soon return. This they did and in a short time the negro appeared and was captured. He was fearfully tortured, being skinned alive and literally cut to pieces. The body was left in the woods for the buzzards.
