I began taking Ayer's Sarsaparilla and soon saw an improvement. After using about two dozen pottles the sores were healed. I continue to take a few bottles of this medicine each year, for my blood, and am no longer trou oled with sores. I have tried other reputed blood-purifiers, but none does so much good as Ayer's Sarsaparilla."-D. A. Robinson, Don't fail to get

What Am I to Do?

The symptoms of Biliousness are unhappily but too well known. They differ in different individuals to some extent. A Bilious man is seldom a breakfast eater. Too frequently, alas, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, at all events. The digestive system is wholly out of order and Diarrhoea or Copatipation may be a symptom or the two may alternate. There are often Hemorrhoids or even loss of blood. There may be giddiness and often headache and acidity or flatulence and tenderness in the pit of the stomach. To correct all this if not effect a cure try Green's August Flower, it costs but a trifle and thousands attest its efficacy.
